

Moses Or Jesus

Paul Harvey

Moses Or Jesus:

Moses or Jesus or Mohammed J. McVaughn, 2018-05-01 This book is a critique of the distortions, lies, contradictions and impossible prophecies of Judaism, Christianity and Islam as found within their very own pages. The reader is provided with accompanying scriptures enabling them to verify every point of contention that is quoted from their sacred texts showing that most people know very little about what their holy book really says. **Promise Keeper** Michael Beaumont, 2017-09 We take you on a journey of discovery that looks at Moses and Jesus through many facets to develop a more complete picture of who they are and what they represent. We demonstrate that Moses of the Old Testament is an archetype or example of Jesus of the New Testament. There has been and always will be a strong element of faith needed when it comes to a personal relationship with Jesus Christ. Hebrews 11:6 states, "Without faith it is impossible to please Him, for he that comes to God must believe that He is and that He is a rewarder of them that diligently seek Him." KJV. This book provides you with knowledge and ideas that introduce you to and help strengthen your faith in Jesus Christ, the author of our salvation. We want to help you understand more fully why you believe and offer you opportunities for your faith to grow deeper. We do this by studying the lives of Moses and Jesus and discovering literal and symbolic connections between these two men of the Bible. About the Authors: Michael Beaumont is the author of 4 published books and has a strong background in science and technology. He has been a student and teacher of the Bible for most of his life. Reverend Dr. Emmarex Okhakhu has produced dozens of research articles and books. His background includes Theology, Organizational Management, Clinical Research, and Healthcare Administration. **Moses and Jesus** Kaufmann Kohler, 1892 *Moses and Jesus* Gabriel Elkus, Gabriel Schlewinsky, 1955 Moses Or Jesus M. E. Boismard, 1993 *Moses, Jesus, and the Trickster in the Evangelical South* Paul Harvey, 2012-03 Paul Harvey uses four characters that are important symbols of religious expression in the American South to survey major themes of religion, race, and southern history. The figure of Moses helps us better understand how whites saw themselves as a chosen people in situations of suffering and war, and how Africans and African Americans reworked certain stories in the Bible to suit their own purposes. By applying the figure of Jesus to the central concerns of life, Harvey argues southern evangelicals were instrumental in turning him into an American figure. The ghostly presence of the Trickster, hovering at the edges of the sacred world, sheds light on the Euro-American and African-American folk religions that existed alongside Christianity. Finally, Harvey explores twentieth-century renderings of the biblical story of Absalom in William Faulkner's *Absalom, Absalom!* and in works from Toni Morrison and Edward P. Jones. Harvey uses not only biblical and religious sources but also draws on literature, mythology, and art. He ponders the troubling meaning of religious freedom for slaves and later for blacks in the segregated South. Through his cast of four central characters, Harvey reveals diverse facets of the southern religious experience, including conceptions of ambiguity, darkness, evil, and death. **Life of Moses** Rose Publishing, 2014-09-04 Boost Your Moses IQ in Less Than 30 minutes.
