Most Precious Blood:

Most Precious Blood Susan Beth Pfeffer, 2015-01-06 You can buy a lot of things with enough money but you can't buy the truth After Val skips one Sunday dinner with her cousin Michelle's family everything changes Val and Michelle's fathers aren't getting along and she just wanted to avoid the tension that she knew would be on the menu Val's mom died of cancer two years ago and now her father's love and her mother's memory are all she has But Michelle can't let it go and in her anger she drops a bombshell You're not really family You don't really count Is it true How come no one not her teachers not her classmates not their parents seems surprised Other kids at school are adopted it's not a secret So why hasn't anyone told Val Slowly Val starts to see that things are different for her Other kids don't have bodyguards or a dad who gives them whatever they want with his piles of money Up till now Val has repaid her father's love by being the obedient daughter he expects but now she needs something else She needs the truth

society was high so also will be the amount of gold needed to redeem the person Pope Pius IX who was captured and imprisoned by the then antichrist Napoleon instituted the Feast of the Most Precious Blood on July 1st 1849 in thanksgiving to God for his release from Gaeta after the revolution of 1848 because as he said he owed his release from prison to the Most Precious Blood of Jesus Christ Our souls are created in God s image and are very precious to Him but through sin we enslaved ourselves to the devil God in the person of Jesus Christ paid the Price to free us Not in the perishable gold or silver of this world but in the supernatural imperishable gold of His Most Precious Blood as no other price was acceptable The pagan sacrifices could not do it cf Heb 10 4 Even the sacrifices of the blood of goats and bulls commanded by God in Exodus 12 could not do it It cost God His Blood to free and save us Fr Faber and numerous Saints tell us that the Church is the Temple of the Most Precious Blood and that the seven Sacraments are the channels through which this Most Precious Blood is sprinkled on our souls St Paul warned those who treat the Precious Blood as a cheap thing or with irreverence Liturgical abuse and theological dissent from the constant Papal Magisterial teachings and general lack of discipline against the Sacraments and the Holy Sacrifice of the Mass offends Heaven greatly and they are costly endangering the salvation of many How much more do you think he deserveth worse punishments who hath trodden underfoot the Son of God and hath esteemed the Blood of the Testament unclean by which he was sanctified and hath offered an affront to the spirit of grace Heb 10 29 Catholic institutions have now become Theological Laboratories where new theories are tested while many protestant errors are openly taught and practiced by many theologians within Catholicism leading many astray It is not the Opino Theologorum Opinion of Theologians which today contradicts many century old Papal teachings that matters rather it is the Sensus Ecclesiae the Mind of the Church as seen in old Church documents and Papal teachings To reverse this will be to make individual
