A Single Mother's Prayers Angel Williams, 2019-06-13

Building a relationship with Christ is so rewarding One of the ways to do that is through prayer Life can be full of challenges I have learned that having a consistent prayer life can change your perspective of the way you see things in your world Inside the passages of this book are my personal prayers and intimate conversations with God It is my prayer that by me opening up and sharing the prayers of my faith and over my children career finances broken heart and for my future husband that readers will gain a sense of hope and courage knowing that we all go through times of questioning ourselves and maybe even God but he gives beauty for ashes and makes all things work together for our good There are often feelings situations or circumstances that we find ourselves in and that we don't indulge or share to a full extent with others because maybe we're afraid of the judgement embarrassment or even resentment that come along with those things The book is titled **Intimate Conversations with God** because he desires a relationship with us and we have to be willing to open up and share our hearts with him because he's the only one that can truly meet us where we are and change the outcome of our circumstances At the end of this I want God to be pleased and readers to know that they aren't meant to face this life alone and that the answer to our tomorrows is in our prayers of faith of today Be blessed
