Tarbert, 2006 **The Children's Buyer's Guide**, 2005 **Hoo-Doo Cowboys and Bronze Buckaroos** Michael K. Johnson, 2014 *Hoo Doo Cowboys and Bronze Buckaroos* undertakes an interdisciplinary exploration of the African American West through close readings of texts from a variety of media This approach allows for both an in-depth analysis of individual texts and a discussion of material often left out or underrepresented in studies focused only on traditional literary material The book engages heretofore unexamined writing by Rose Gordon who wrote for local Montana newspapers rather than for a national audience memoirs and letters of musicians performers and singers such as W C Handy and Taylor Gordon who lived

in or wrote about touring the American West the novels and films of Oscar Micheaux black cast westerns starring Herb Jeffries largely unappreciated and unexamined episodes from the golden age of western television that feature African American actors film and television westerns that use science fiction settings to imagine a postracial or postsoul frontier Percival Everett s fiction addressing contemporary black western experience and movies as recent as Quentin Tarantino s Django Unchained Despite recent interest in the history of the African American West we know very little about how the African American past in the West has been depicted in a full range of imaginative forms Hoo Doo Cowboys and Bronze Buckaroos advances our discovery of how the African American West has been experienced imagined portrayed and performed *The Publishers Weekly* ,2005 **The Atlantic** ,1963-07 [The Atlantic Monthly](#) ,1963 **The Bulletin** ,1907 **Indiana University Basketball** Melanie Tolliver,2002-11-01 This book and CD are for anyone who has ever enjoyed Indiana University Basketball Written from a fan s perspective it allows you to relive memorable moments of Hoosier basketball lore since the Assembly Hall years began Relive highlights from unforgettable games *Lumber World Review* ,1924 [The Midwife and the Money](#) Lainey Davis,2019-12-02 My spot on the nice list has always been secure As the Oak Creek Claus I ve spent years spreading Christmas cheer in my small town But this holiday season there s more than snow clouding my view From skunk attacks to accounting chaos to my sister in law s high risk pregnancy I m juggling more ornaments than our town square Christmas tree And then there s Opal Whittaker Oak Creek s new midwife who s spicier than gingerbread and all I want to find under my tree But Opal s got more walls than Santa s workshop and she seems to think I m just a holiday fling I m on a mission to win Opal s heart and show her that Oak Creek and my arms is where she belongs This year Santa s got a new Christmas wish and I m calling in every favor to make it come true With a sack full of humor a town full of nosy neighbors and enough Christmas spirit to light up the North Pole I m determined to make this a holiday we ll never forget *Rise and Fire* Shawn Fury,2016-02-23 It s hard to believe that there was a time when the jump shot didn t exist in basketball When the sport was invented in 1891 players would take set shots with both feet firmly planted on the ground It took almost forty years before players began shooting jump shots of any kind and sixty five years before it became a common sight When the first jump shooting pioneers left the ground they rose not only above their defenders but also above the sport s conventions The jump shot created a soaring offense infectious excitement loyal fans and legends This book celebrates this crucial shot while tracing the history of how it revolutionized the game shedding light on all corners of the basketball world *Necessary Betrayals: A second chance billionaire romantic suspense* Raleigh Davis,2021-01-18 He s back from the dead and his feelings for her are as strong as ever Tynan Five years ago my closest friends tried to kill me or so I thought Escaping meant leaving the woman I loved behind but it was the only way to get my revenge and keep her safe But I was wrong about the perpetrators and now I have a chance to put the real culprit away Returning to my life means seeing Morgan again and one thing is for certain my feelings are still the same But starting anything again will put her life in
