Oscar Movies:

Oscar A to Z Charles E. Matthews,1995 A guide to the more than 2 400 feature films that have competed for Oscars from best picture to best sound effects editing Oscar's Favorite Actors Roger Leslie,2017-07-07 Just as the Academy Awards have an impact upon stars and their careers their filmic achievements influence the Academy and contribute to the rich history of the Oscars Upset wins jarring losses and glaring oversights have helped define the careers of Hollywood icons while unknown actors have proven that timing sometimes beats notoriety or even talent With detailed discussion of their performances and Awards night results this book describes how 108 actors earned the Academy s favor and how 129 others were overlooked **The Oscar Movies from A-Z** Roy Pickard,1982 **Best Songs of the Movies** John Funnell,2014-12-24 Thanks for the Memory Swinging on a Star The Way You Look Tonight Three great and popular standards of the American songbook and all three won Oscars for best song But who wrote these songs What movies were they written for Which stars introduced them In the 25 years covered by this book 160 songs were nominated for Academy Awards Some are well known but many are nearly forgotten They deserve more lasting recognition Best Songs of the Movies tells the stories behind all these songs year by year After announcing the nominated songs the text describes the way each song was presented and performed critiques the lyrics and melody and provides appropriate historical and biographical insights One appendix presents brief biographies of all the lyricists and composers responsible for these songs another lists the Oscar nominated and winning songs from 1959 through 2003 A bibliography and index complete the volume *Focus On: 100 Most Popular Drama Films Based on Actual Events* Wikipedia contributors, **American Cinema of the 2010s** Dennis Bingham,2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers As the movie business changed films ranging from American Sniper to Get Out found ways to speak to the concerns of a divided nation The newest installment in the Screen Decades series American Cinema in the 2010s takes a close look at the memorable movies visionary filmmakers and behind the scenes drama that made this decade such an exciting time to be a moviegoer Each chapter offers an in depth examination of a specific year covering a wide variety of films from blockbuster superhero movies like Black Panther and animated films like Frozen to smaller budget biopics like I Tonya and horror films like Hereditary This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions Great Flicks Dr. Dean Keith Simonton,2011-02-23 What does it take to make a great motion picture What do we even mean by cinematic greatness What is more important movie awards critical acclaim or box office success Who has the biggest impact

the writer the director or the actors Scientific research has provided some provocative answers This review of cinematic creativity and aesthetics is confined to scientific studies carried out by a multidisciplinary group of researchers Do great films receive both shiny trophies and five stars Chapter 2 concentrates on movie awards including the Oscars and Golden Globes and how those awards relate to critical acclaim How do the dramatic awards compare with the visual technical and music awards Chapter 3 studies more closely how these awards cluster together and which of these clusters best predict cinematic success How does box office compare with critical evaluations and movie awards Chapter 4 adds a new consideration namely the film s financial performance The following four chapters focus on specific contributions to a film s impact Chapter 5 covers the script including writers Chapter 6 the director or auteur Chapter 7 the actors especially gender differences and Chapter 8 the music both scores and songs Chapter 9 addresses the question of whether the same cinematic factors that make some films great also make other films bad Are bombs the exact opposite of masterpieces The book closes with an epilogue on future directions in scientific studies of cinematic creativity and aesthetics What do researchers need to do if we want a complete understanding of what it takes to create a powerful cinematic experience This volume will be invaluable to anyone interested in film including any aficionado who is open to a scientific approach and researchers in the areas of creativity aesthetics and cultural economics The reported research comes from many disciplines including psychology sociology economics management marketing communications journalism broadcasting history musicology and statistics

Social Life in the Movies James J. Dowd, 2020-10-27 Through an analysis of hundreds of Hollywood movies this book examines some of the most contentious social issues of our time including racism social inequality sexism and gerontophobia With studies of some of the most enduring film genres in Hollywood s history including romantic films such as *Casablanca* war movies from World War II through the Iraq and Afghanistan conflicts alienation films including *Five Easy Pieces* and *Lost in Translation* the school movie from *Goodbye Mr Chips* to other films set in academia including *Dead Poets Society* and *Dangerous Minds* the book outlines and demonstrates the sociological approach to viewing films and highlights the socially conservative nature of much Hollywood movie production which draws on common stereotypes and reinforces dominant cultural values but is also capable of challenging and serving to change them

Attu Chandravanshi, 2023-07-18 This multiple protagonist series with numerous points of view PoV centres around five college students about to begin their academic careers Three of those five are boys who were childhood buddies and the other two are females who they met in college A side story about Ms Editor and Mr Author who are writing and editing the main story is also included in the series This section contains three storylines 1 the main ML and FL 2 the side characters of this section and 3 Ms Editor and Mr Author First story The female lead on her first day of college noticed a group of three boys arguing with college professors and she thought that they were delinquents Later she became friends with those boys and started liking one of them They are both completely opposite in everything the only thing that is the same about them is that they are both human beings But she doesn't know that the boy she likes already has a partner which is more than a girlfriend but less than a wife Why It's because they have been married for some years and their father and mother have also been friends since childhood Before our female lead confesses to him her own mom requests that she find a stranger a boy whom she meets in the garden That stranger helped her mom make a big decision that is going to change their lives for real Still our female lead ignored her mom's request to find that stranger a boy and planned to confess the boy she liked from her friend circle Neglecting everything she confessed to him in the garden he Second Story Our second Male lead's note He's a side character in this part college doesn't start as he thought it would On his first day of college he fell in love at first sight when he saw a very beautiful girl coming near his bus stop He thought college life was going to be fun but he didn't know that the author had planned something else for his tale The girl whom he thought would be his future partner left their bus in a private car He recovered from the tragic first day of college but not fully After a few days his one and only girl friend on whom he had a crush for many years directed him to date one of the girls with whom he became friends in college He accepted that request from his friend but also told her that he would wait for love at first sight no matter how long it took Side story Ms Editor and Mr Author Mr Author is writing the main story and Ms Editor is his partner and is helping him in his work They have been a

couple since their college days But still they re not living together It s because according to Mr Author it s very hard to control himself around Ms Editor in his own apartment And also Ms Editor is a professional editor and earns at least five times more money than Mr Author who has only published a 20 page essay until now Mr Author gets a great response from everyone who reads that essay and that s why he decided to become an author Mr Author is an independent author New York Magazine ,1991-05-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Focus On: 100 Most Popular 2010s Comedy-drama Films** Wikipedia contributors, *The Cinema Book*
