Oscar Wilde His Life Wit:

Oscar Wilde Hesketh Pearson,1946 **Oscar Wilde** Oscar Wilde,2003 Wilde the writer is known to us from his plays and fiction yet it was in his conversation that his genius reached its summit His talk is lost his autobiography was never written but his letters reveal him at his best Here they are collected together with a commentary and photographs **The Life of Oscar Wilde** Hesketh Pearson,1946 *Oscar Wilde ...* ,1909 **Oscar Wilde** E.H. Mikhail,1978-06-17 Oscar Wilde Juliet Gardiner,1995 From Library Journal In this lavishly illustrated volume English historian and author Gardiner uses Wilde s own words to delineate his life and times What emerges is a picture of a man whom William Butler Yeats described as the greatest talker of all time Gardiner highlights Wilde s advocacy of aestheticism his search after the signs of the beautiful which led him to renounce his conventional lifestyle and become an active homosexual The final third of the book focuses on Wilde s tumultuous relationship with Lord Alfred Douglas and the scandal that resulted when Bosie s father the Marquess of Queensbury attacked Wilde s way of life The volume is beset by a number of mechanical problems quotations from original sources are awkwardly incorporated into the author s sentences punctuation is at times faulty and transitions not always smooth Nonetheless the book provides a good overview of Wilde s life Gardiner acknowledges Richard Ellman s biography *Oscar Wilde* LJ 12 87 as the fullest life possible Suitable for public libraries with general literature collections Denise J Stankovics **His Life** Oscar Wilde,1907 *Oscar* Matthew Sturgis,2018-10-04 The first major biography of Oscar Wilde in thirty years and the most complete telling of his life and times to date NOMINATED FOR THE WOLFSON HISTORY PRIZE 2019 The Book of the Year perhaps of the decade TLS Simply the best modern biography of Wilde A terrific achievement Evening Standard Page turning Vivid and desperately moving However much you think you know Wilde this book will absorb and entertain you The Sunday Times Books of the Year Oscar Wilde s life like his wit was alive with paradox He was both an early exponent and a victim of celebrity culture famous for being famous he was lauded and ridiculed in equal measure His achievements were frequently downplayed his successes resented He had a genius for comedy but strove to write tragedies He was an unabashed snob who nevertheless delighted in exposing the faults of society He affected a dandified disdain but was prone to great acts of kindness Although happily married he became a passionate lover of men and at the very peak of his success brought disaster upon himself He disparaged authority yet went to the law to defend his love for Lord Alfred Douglas Having delighted in fashionable throngs Wilde died almost alone Above all his flamboyant refusal to conform to the social and sexual orthodoxies of his day make him a hero and an inspiration to all who seek to challenge convention Matthew Sturgis draws on a wealth of new material and fresh research bringing alive the distinctive mood and characters of the fin de si cle in the richest and most compelling portrait of Wilde to date **The New Yale Book of Quotations** Fred R. Shapiro,2021-08-31 A revised enlarged and updated edition of this authoritative and entertaining reference book named the 2 essential home library reference book by the Wall Street Journal Shapiro does

original research earning this volume a place on the quotation shelf next to Bartlett's and Oxford's William Safire New York Times Magazine on the original edition A quotations book with footnotes that are as fascinating to read as the quotes themselves Arthur Spiegelman Washington Post Book World on the original edition Updated to include more than a thousand new quotations this reader friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature history popular culture sports digital culture science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyoncé Sandra Cisneros James Comey Drake Louise Gluck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book's quotations annotations extensive cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages

The Importance of Being Oscar Leslie Frewin,1986 **Humorous Wit** Djamel Ouis,2020-01-17 Humorous Wit is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race
