Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic

Debbora Battaglia

Osler's Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic:

Osler's Web Hillary Johnson, 1996 In a masterful effort of investigative reporting freelance journalist Hillary Johnson reveals for the first time how Chronic Fatigue Syndrome was allowed to grow over the course of a decade into a major public health threat under the disbelieving and ultimately blind eye of the American medical research establishment **Plague** Kent Heckenlively, Judy Mikovits, 2017-02-21 On July 22 2009 a special meeting was held with twenty four leading scientists at the National Institutes of Health to discuss early findings that a newly discovered retrovirus was linked to chronic fatigue syndrome CFS prostate cancer lymphoma and eventually neurodevelopmental disorders in children When Dr Judy Mikovits finished her presentation the room was silent for a moment then one of the scientists said Oh my God The resulting investigation would be like no other in science For Dr Mikovits a twenty year veteran of the National Cancer Institute this was the midpoint of a five year journey that would start with the founding of the Whittemore Peterson Institute for Neuro Immune Disease at the University of Nevada Reno and end with her as a witness for the federal government against her former employer Harvey Whittemore for illegal campaign contributions to Senate Majority Leader Harry Reid On this journey Dr Mikovits would face the scientific prejudices against CFS wander into the minefield that is autism and through it all struggle to maintain her faith in God and the profession to which she had dedicated her life This is a story for anybody interested in the peril and promise of science at the very highest levels in our country Through the Shadowlands Julie Rehmeyer, 2017-05-23 Julie Rehmeyer felt like she was going to the desert to die Julie fully expected to be breathing at the end of the trip but driving into Death Valley felt like giving up surrendering She d spent years battling a mysterious illness so extreme that she often couldn t turn over in her bed The top specialists in the world were powerless to help and research on her disease chronic fatigue syndrome was at a near standstill Having exhausted the plausible ideas Julie turned to an implausible one Going against both her instincts and her training as a science journalist and mathematician she followed the advice of strangers she d met on the Internet Their theory that mold in her home and possessions was making her sick struck her as wacky pseudoscience But they had recovered from chronic fatigue syndrome as severe as hers To test the theory that toxic mold was making her sick Julie drove into the desert alone leaving behind everything she owned She wasn t even certain she was well enough to take care of herself once she was there She felt stripped not only of the life she d known but any future she could imagine With only her scientific savvy investigative journalism skills and dog Frances to rely on Julie carved out her own path to wellness and uncovered how shocking scientific neglect and misconduct had forced her and millions of others to go it alone In stunning prose she describes how her illness transformed her understanding of science medicine and spirituality Through the Shadowlands brings scientific authority to a misunderstood disease and spins an incredible and compelling story of tenacity resourcefulness acceptance and love **Chronic Fatigue Syndrome, Fibromyalgia, and Other Invisible Illnesses** Katrina Berne, 2001-12-21 Revised and expanded this edition offers the latest

findings on chronic fatigue fibromyalgia and overlapping diseases such as Gulf War Syndrome It includes new information on the interaction of the brain emotions and immune system as well *Chronic Fatigue Syndrome Treatment* Erica F. Verrillo, Lauren M. Gellman, 1998-02-15 Combining a self help manual personal histories of chronic fatigue sufferers and a dictionary of symptoms and treatments this comprehensive volume details every facet of the disease and thoroughly discusses every treatment currently available from diagnosis to symptoms to traditional and alternative therapies to support groups **Chronic Fatigue Syndrome** Sylvia Engdahl, 2011-09-20 Chronic Fatigue Syndrome causes extreme fatigue that can't be explained by any underlying medical condition The fatigue may worsen with physical or mental activity and it doesn't improve with rest Provide your readers with essential information on CFS This book also serves as a historical survey by providing information on the controversies surrounding its causes Compelling first person narratives by people coping with Chronic Fatigue Syndrome give readers a first hand experience Readers will learn from the words of patients family members or caregivers The symptoms causes treatments and potential cures are explained in detail Alternative treatments are also covered Each essay is carefully edited and presented with an introduction so that they are accessible for student researchers and readers **Communicative Biocapitalism** Olivia Banner, 2017-11-20 Scrutinizes dominant models of health and ability race and gender and the structure of digital health **Drugs for Life** Joseph Dumit, 2012-09-03 Challenges our understanding of health risks facts and clinical trials Payot **Exile to Paradise** Alice Bullard, Allen D. Boyer, 2000 This is the strange story of how following the failure of the revolutionary Paris Commune in 1871 some 4 500 Communards were exiled to the South Pacific colony of New Caledonia The surprising parallels and interactions between the political savages and the natural savages the Melanesian Kanak in their confrontation with the forces of French civilization form the subject of this book Sugars That Heal Emil I. Mondoa, 2008-12-30 Sugars that heal it sounds like a contradiction in terms but it's the key to one of the most important breakthroughs in recent medical science We've all been bombarded with warnings about the evils of consuming too much sugar But in fact for our bodies to function properly we need small amounts of eight essential sugars only two of which glucose and galactose are commonly found in our limited overprocessed diets When all eight sugars are available the health benefits can be breathtaking Individuals regain their ability to fight disease reactivate their immune systems and are able to ward off infection Based on cutting edge research in the rapidly evolving science of glyconutrients *Sugars That Heal* is an exciting new approach to health and disease prevention As medical doctor and scientific researcher Emil Mondoa explains these eight essential sugars known as saccharides are the basis of multicellular intelligence the ability of cells to communicate cohere and work together to keep us healthy and balanced Even tiny amounts of these sugars or lack of them have profound effects In test after test conducted at leading institutes around the world saccharides have been shown to lower cholesterol increase lean muscle mass decrease body fat accelerate wound healing ease allergy symptoms and allay autoimmune diseases such as arthritis psoriasis and diabetes Bacterial infections

including the recurrent ear infections that plague toddlers often respond remarkably to saccharides as do many viruses from the common cold to the flu from herpes to HIV The debilitating symptoms of chronic fatigue syndrome fibromyalgia and Gulf War syndrome frequently abate after adding saccharides And for cancer patients saccharides mitigate the toxic effects of radiation and chemotherapy while augmenting their cancer killing effects resulting in prolonged survival and improved quality of life Sugars That Heal offers a revolutionary new health plan based on the science of glyconutrients foods that contain saccharides It gives authoritative guidance for getting all eight saccharides conveniently into your diet through supplements and readily available foods as well as detailed information on correct dosages Here too are chapters dealing with the special nutritional needs of people suffering from cancer heart disease asthma and neurological disorders and methods for using glyconutrients to treat depression obesity and ADHD The more doctors learn about glyconutrients the more excited they become about their long term fundamental health benefits Now with this new book the breakthroughs in the study of glyconutrients are available to everyone Whether your goal is to prevent disease live longer and better or treat a serious illness that has eluded conventional medicine Sugars That Heal is your essential guide to complete health **An**

Alternative History of Hyperactivity Matthew Smith, 2011-07-01 In 1973 San Francisco allergist Ben Feingold created an uproar by claiming that synthetic food additives triggered hyperactivity then the most commonly diagnosed childhood disorder in the United States He contended that the epidemic should not be treated with drugs such as Ritalin but instead with a food additive free diet Parents and the media considered his treatment the Feingold diet a compelling alternative Physicians however were skeptical and designed dozens of trials to challenge the idea The resulting medical opinion was that the diet did not work and it was rejected Matthew Smith asserts that those scientific conclusions were in fact flawed An Alternative History of Hyperactivity explores the origins of the Feingold diet revealing why it became so popular and the ways in which physicians parents and the public made decisions about whether it was a valid treatment for hyperactivity Arguing that the fate of Feingold's therapy depended more on cultural economic and political factors than on the scientific protocols designed to test it Smith suggests the lessons learned can help resolve medical controversies more effectively

Making Sense of Illness Robert A. Aronowitz, 1998 This 1998 book contains historical essays about how diseases change their meaning *How Scientists Explain Disease* Paul Thagard, 2018-06-05 How do scientists develop new explanations of disease How do those explanations become accepted as true And how does medical diagnosis change when physicians are confronted with new scientific evidence These are some of the questions that Paul Thagard pursues in this pathbreaking book that develops a new integrative approach to the study of science Ranging through the history of medicine from the Hippocratic theory of humors to modern explanations of Mad Cow Disease and chronic fatigue syndrome Thagard analyzes the development and acceptance of scientific ideas At the heart of the book is a case study of the recent dramatic shift in medical understanding of peptic ulcers most of which are now believed to be caused by infection by the bacterium

Helicobacter pylori When this explanation was first proposed in 1983 it was greeted with intense skepticism by most medical experts but it became widely accepted over the next decade Thagard discusses the psychological processes of discovery and acceptance the physical processes involving instruments and experiments and the social processes of collaboration communication and consensus that brought about this transformation in medical knowledge How Scientists Explain Disease challenges both traditional philosophy of science which has viewed science as largely a matter of logic and contemporary science studies that view science as largely a matter of power Drawing on theories of distributed computing and artificial intelligence Paul Thagard develops new models that make sense of scientific change as a complex system of cognitive social and physical interactions This is a book that will appeal to all readers with an interest in the development of science and medicine It combines an engaging style significant research and a powerfully original argument **E.T. Culture** Debhora Battaglia,2006-01-30 Cultural readings of alien encounters **The Fibromyalgia and Chronic Fatigue Resource Book and Life Planner Workbook** Dawn Hughes,2001-01-01 A must resource for the millions of people affected by Fibromyalgia and Chronic Fatigue Syndromes FMS and CFS unlike well known and understood diseases like cancer spring boards a journey for education understanding and compassion The book powerfully captures this journey and is the first to provide patients family and friends with the imperative resources to find support through their walk In addition The Life Planner is a workbook that maps out a step by step guide for adapting and coping with the lifestyle changes fibromyalgia and chronic fatigue patients must face The book is divided into four sections The Syndromes Provides an extensive look at the cause diagnosis symptoms and treatments From current research to clinical trials The Resources A comprehensive listing of FMS CFS books medical journals association newsletters periodicals and video s recommended by FMS CFS Associations The Support Worldwide listings of FMS CFS Associations as well as associations for sub categories of these syndromes Including Advocacy pain management alternative therapies and disability issues The Life Planner From diagnoses to acceptance The Life Planner details how to manage life emotionally and physically A compassionate look at What to expect how to work through feelings goal planning worksheets and charts exercise nutritional choices how to educate family and friends and work options Written by a fibromyalgia and chronic fatigue patient the book outlines not only the journey for the patient but gets to the heart of awakening family and friends to the devastating effects these illnesses cause and provides the tools needed for years to come **Conspiracy/Theory** Joseph Masco,Lisa Wedeen,2023-12-01 In an era of intensified information warfare ranging from global disinformation campaigns to individual attention hacks what are the compelling terms for political judgment How are we to build the knowledge needed to recognize and address important forms of harm when critical information is either not to be trusted or kept hidden Rather than approach conspiratorial narrative as an irrational response to an obviously decipherable reality Conspiracy Theory identifies important affinities between conspiracy theory and critical theory It recognizes the motivation people have in their capacities as experts theorists and ordinary citizens to

search for patterns in events to uncover what is covert and attend to dimensions of life that might be hiding in plain sight If it seems strange that so many find themselves living in incommensurable disorienting realities the multidisciplinary contributors to Conspiracy Theory explore how and why that came to be Across history and geography contributors inquire into the affects and imaginaries of political mobilization tracking counterrevolutionary projects while acknowledging collective futures that demand conspiratorial engagement Contributors Nadia Abu El Haj Hussein Ali Agrama Kathleen Belew Elizabeth Anne Davis Joseph Dumit Faith Hillis Lochlann Jain Demetra Kasimis Susan Lepselter Darryl Li Louisa Lombard Joseph Masco Robert Meister Timothy Melley Rosalind C Morris George Shulman Lisa Wedeen **There Is No Hiv** Damian Q. Laster, 2014-12-19 Im The Living Proof THERE IS NO HIV The Rainbow Warrior Exposing The Truth About HIV Antibody Testing and the Metaphysics of Self Healing Through Chakra and Kundalini Awareness is the authors personal story of healing and a journey toward spiritual awakening having transcended the HIV Debacle and Crisis The author reveals the horrible atrocity of genocide and eugenics that is taking place all over the globe with respect to the effects of deception and deceit about HIV The goal of this book is to give the readers a chance to learn of the HIV dissenting perspective Resources are provided for readers to research the crisis for themselves and then make health care decisions from a place of awareness rather than being blindly led by those who might not have their best interest in mind and certainly not at heart Learn to let go of everything you thought was true what you have been told for the last 30 years Break down illusions and heal your mind heal your body heal your spirit and heal your life The Long Haul Ryan Prior, 2024-03-05 How survivors of the Covid 19 pandemic battling long term disabling conditions are fighting for recognition and research and helping to transform healthcare for many overlooked diseases To the world s public health authorities Covid 19 would be either a deadly disease for some or a simple respiratory illness for most its symptoms clearing up in just a matter of weeks But then tens of millions around the world got sick and stayed sick With scientists and doctors caught off guard these Long Covid patients often found solace only with one another organizing support groups across oceans and continents while ill in bed In The Long Haul CNN journalist Ryan Prior weaves his own life the stories of activist patients and the latest science into a captivating tale of regular people crying out for care that actually works What Covid long haulers found was that their new illness was not so new In fact it resembled other post viral syndromes difficult to treat and neglected by science In riveting and accessible prose Prior follows an innovative band of patients who took matters into their own hands and researched the disease themselves thereby flipping the script and illustrating a new paradigm for research In these unprecedented times the CDC and the WHO came to them As Covid continues to circulate its long term effects could grow as well weighing on the healthcare system for decades to come But as Prior shows getting Long Covid treatments right could help revolutionize care for all complex and chronic illnesses Cure Unknown Pamela Weintraub, 2008-06-10 A groundbreaking and controversial narrative investigation into the science history medical politics and patient experience of Lyme disease told by a science

journalist whose entire family contracted the disease Pamela Weintraub paints a nuanced picture of the intense controversy and crippling uncertainty surrounding Lyme disease and sheds light on one of the angriest medical disputes raging today She also reveals her personal odyssey through the land of Lyme after she her husband and their two sons became seriously ill with the disease beginning in the 1990s From the microbe causing the infection and the definition of the disease to the length and type of treatment and the kind of practitioner needed Lyme is a hotbed of contention With a CDC estimated 200 000 plus new cases of Lyme disease a year it has surpassed both AIDS and TB as the fastest spreading infectious disease in the U S Yet alarmingly in many cases because the disease often eludes blood tests and not all patients exhibit the classic bulls eye rash and swollen joints doctors are woefully unable or unwilling to diagnose Lyme When that happens once treatable infections become chronic inexorably disseminating to cause disabling conditions that may never be cured Weintraub reveals why the Lyme epidemic has been allowed to explode why patients are dismissed and what can be done to raise awareness in the medical community and find a cure The most comprehensive book ever written about the past present and future of Lyme disease this exposes the ticking clock of a raging epidemic

Cure Unknown (Revised Edition)
Pamela Weintraub, 2013-06-25 This book is an investigation into the science history and politics of Lyme disease as observed by a journalist whose entire family contracted the illness traces its significant rise and the atypical presentations that have made its diagnosis and treatment difficult It is a narrative investigation into the science history medical politics and patient experience of Lyme disease told by a science journalist whose entire family contracted the disease It paints a picture of the intense controversy and crippling uncertainty surrounding Lyme disease and sheds light on one of the angriest medical disputes raging today The author also reveals her personal odyssey through the land of Lyme after she her husband and their two sons became seriously ill with the disease beginning in the 1990s From the microbe causing the infection and the definition of the disease to the length and type of treatment and the kind of practitioner needed Lyme is a hotbed of contention With a CDC estimated 200 000 plus new cases of Lyme disease a year it has surpassed both AIDS and TB as the fastest spreading infectious disease in the U S Yet alarmingly in many cases because the disease often eludes blood tests and not all patients exhibit the classic bulls eye rash and swollen joints doctors are unable or unwilling to diagnose Lyme When that happens once treatable infections become chronic inexorably disseminating to cause disabling conditions that may never be cured The book reveals why the Lyme epidemic has been allowed to explode why patients are dismissed and what can be done to raise awareness in the medical community and find a cure A comprehensive book written about the past present and future of Lyme disease it exposes the ticking clock of a raging epidemic

The Enigmatic Realm of **Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.

Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic Introduction

In today's digital age, the availability of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit

organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic books and manuals for download and embark on your journey of knowledge?

FAQs About Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities,

enhancing the reader engagement and providing a more immersive learning experience. Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic is one of the best book in our library for free trial. We provide copy of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic. Where to download Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic online for free? Are you looking for Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic To get started finding Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic is

available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Oslers Web Inside The Labyrinth Of The Chronic Fatigue Syndrome Epidemic is universally compatible with any devices to read.
