Other Days Selections From A Work In Progress:

Placing John Haines James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks. He stayed there nearly twenty five years learning to live off the country hunting trapping fishing gathering berries and growing vegetables. Those years formed him as a writer the interior of Alaska and especially its boreal forest marking his poetry and prose and helping him find his unique voice. *Placing John Haines* the first book length study of his work tells the story of those years but also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country. James Perrin Warren draws out the contradictions inherent in that biography that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines's work in the context of contemporaries like Robert Bly Donald Hall and his close friend Wendell Berry. The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work. A major study of a sadly neglected master *Placing John Haines* puts his achievement in compelling context.

Work in Progress Kristin Armstrong, 2009-03-11 When Kristin Armstrong was in the pit of her divorce she eagerly read every spiritual book and devotional she could get her hands on out of a hunger to connect with someone who knew exactly what she was going through and how she felt. Now at a time when society offers so many conflicting messages about what it means to be a woman Kristin invites readers to discover grace as a way of life. Using real life anecdotes biblical wisdom and insight born of hard experience Kristin teaches women the twelve traits of grace inviting reflection and interaction. Warm engaging and practical *WORK IN PROGRESS* examines what God has to say about being His kind of woman in the twenty first century.
