Francis Mark Mondimore,2002-10-01 Until recently psychologists and psychiatrists believed that adolescents did not experience true depression in the way that adults do Medical experts now realize that young people can and do get seriously depressed and that depression and bipolar disorder may be more serious and more difficult to treat in adolescents than in adults Depression may also be harder to recognize as an illness both because moodiness is considered universal among teenagers and because parents often resist having their child treated for a psychiatric illness that they think and often hope will be just a phase In *Adolescent Depression A Guide for Parents* Johns Hopkins psychiatrist Francis Mondimore helps parents understand that serious depression in adolescents is an illness an illness that can be effectively treated He describes the many forms of depression and the many ways it can appear in young people from intensely sad feelings to irritability anger and destructive rages And he answers parents questions including What are the danger signals of serious depression in teenagers How are mood disorders diagnosed How do medications work What about talking therapies How does depression relate to other problems such as drug abuse ADHD and eating disorders and other self injurious behavior Of the one in five adults who go through a period of serious depression during their lifetime many had their first experience of depression as teenagers This comprehensive and compassionate guide detailing the symptoms treatments complications and causes of adolescent depression provides parents with the information they need to ensure that their children receive the best possible treatment and become happy and healthy adults *Wrapped for Success* Chere Walker,2011-07-28

Contemporary Thought on Nineteenth Century Socialism Kevin Morgan,2020-12-14 For historians of the international labour movement the decades before 1914 were the golden age of Marxist thought In this flowering of socialist thinking Britain seemingly had no part and the question has been asked instead Why was there was no Marxism in Britain The selections in this volume confirm that Marxist ideas in Britain were not always pitched at the highest theoretical level There are also examples of the reductionism to which leading exponents were sometimes prone Nevertheless there is also a richness and outspokenness across wide and varied themes that belies the caricature of arid economic determinism Marxists believed they carried on the tradition of home grown movements of struggle such as Chartism They also identified with the new spirit of internationalism whose ideas and personalities filled the pages of their periodicals Behind such well known names

as William Morris James Connolly and Tom Mann a wider movement of contrarians remains to be discovered *Phoebe Apperson Hearst* Alexandra M. Nickliss, 2018-05 In *Phoebe Apperson Hearst A Life in Power and Politics* Alexandra M Nickliss offers the first biography of one of the Gilded Age's most prominent and powerful women A financial manager businesswoman and reformer Phoebe Apperson Hearst was one of the wealthiest and most influential women of the era and a philanthropist almost without rival in the San Francisco Bay Area Hearst was born into a humble middle class family in rural Missouri in 1842 yet she died a powerful member of society's urban elite in 1919 Most people know her as the mother of William Randolph Hearst the famed newspaper mogul and as the wife of George Hearst a mining tycoon and U S senator By age forty eight however Hearst had come to control her husband's extravagant wealth after his death She shepherded the fortune of the family estate until her own death demonstrating her intelligence and skill as a financial manager Hearst supported a number of significant urban reforms in the Bay Area across the country and around the world giving much of her wealth to organizations supporting children health reform women's rights and well being higher education municipal policy formation progressive voluntary associations and urban architecture and design among other endeavors She worked to exert her ideas and implement plans regarding the burgeoning Progressive movement and was the first female regent of the University of California which later became one of the world's leading research institutions Hearst held other prominent positions as the first president of the Century Club of San Francisco first treasurer of the General Federation of Woman's Clubs first vice president of the National Congress of Mothers president of the Columbian Kindergarten Association and head of the Woman's Board of the Panama Pacific International Exposition Phoebe Apperson Hearst tells the story of Hearst's world and examines the opportunities and challenges that she faced as she navigated local national and international corridors of influence rendering a penetrating portrait of a powerful and often contradictory woman *Where I'm Coming From* Barbara Brandon-Croft, 2023-02-07 Few Black cartoonists have entered national syndication and before Barbara Brandon Croft none of them were women From 1989 to 2005 she brought Black women's perspectives to an international audience with her trailblazing comic strip *Where I'm Coming From* From diets to day care to debt to dreaded encounters with everyday racism no issue is off limits This remarkable and unapologetically funny career retrospective holds a mirror up to the ways society has changed and all the ways it hasn't The magic in *Where I'm Coming From* is its ability to present an honest image of Black life without sacrificing Black joy bolstered by unexpected one liners eliciting much needed laughter As the daughter of the mid century cartoonist Brumsic Brandon Jr the creator of *Luther* the second nationally syndicated strip to feature a Black lead Brandon Croft learned from the best With supplementary writing by the author and her peers alongside throwback ephemera this long overdue collection situates Brandon Croft as an inimitable cartoonist humorist and social commentator securing her place in the comics canon and allowing her work to inspire new readers at a time when it is most needed **Problems of Religion** Durant Drake, 1916
