Other Peoples Weddings:

Other People's Weddings Noah Hawley, 2005-06 A modern love story about a woman who photographs other people's weddings and meets the ultimate wedding party crasher Other People's Weddings Maisey Yates, 2024-09-10 The sparkling new enemies to lovers romantic comedy from New York Times bestselling author Maisey Yates perfect for fans of Emily Henry's *You and Me on Vacation* If Poppy Love could just avoid Ryan Clark her life would be fine The brooding photographer hated her on sight when they met at twelve years old and the feeling is mutual And yet somehow he's always there Poppy's first wedding as a cake designer the second wedding when a bear ate her cake and then there was the fifth wedding when well it's probably best not to mention it actually Now her best friend is getting married and moving to the other side of the world And as if that impossible heartbreak wasn't awful enough Poppy as Maid of Honor is about to be stuck with Ryan for the whole wedding trip to New Zealand because of course he's the Best Man Perhaps it's time to finally call a truce Or perhaps it's time Poppy admitted the heat between them isn't truly hate at all **Producing Women** Michele White, 2015-03-02 *Producing Women* examines the ways femininity is produced through new media Michele White considers how women are constructed produce themselves as subjects form vital production cultures on sites like Etsy and deploy technological processes to reshape their identities and digital characteristics She studies the means through which women market traditional female roles are viewed and produce and restructure their gendered raced eroticized and sexual identities Incorporating a range of examples across numerous forms of media including trash the dress wedding photography Internet how to instructions about zombie walk brides nail polish blogging DIY crafting and reborn doll production *Producing Women* elucidates women's production cultures online and the ways that individuals can critically study and engage with these practices *Revolutionizing the Family* Neil J. Diamant, 2023-04-28 In 1950 China's new Communist government enacted a Marriage Law to allow free choice in marriage and easier access to divorce Prohibiting arranged marriages concubinage and bigamy it was one of the most dramatic efforts ever by a state to change marital and family relationships In this comprehensive study of the effects of that law Neil J. Diamant draws on newly opened urban and rural archival sources to offer a detailed analysis of how the law was interpreted and implemented throughout the country In sharp contrast to previous studies of the Marriage Law which have argued that it had little effect in rural areas Diamant argues that the law reshaped marriage and family relationships in significant but often unintended ways throughout the Maoist period His evidence reveals a confused and often conflicted state apparatus as well as cases of Chinese men and women taking advantage of the law to justify multiple sexual encounters to marry for beauty to demand expensive gifts for engagement and to divorce on multiple occasions Moreover he finds those who were best placed to use the law's more liberal provisions were not well educated urbanites but rather illiterate peasant women who had never heard of sexual equality and it was poor men not women who were those most betrayed by the peasant based revolution This title is part of UC Press's *Voices Revived*

program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 2000 In 1950 China's new Communist government enacted a Marriage Law to allow free choice in marriage and easier access to divorce Prohibiting arranged marriages concubinage and bigamy it was one of the most dramatic efforts ever by a state to change mari
