works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

Must You Go? Antonia Fraser, 2010-11-02 A moving testament to modern literature's most celebrated marriage that of the greatest playwright of our age Harold Pinter and the beautiful and famous prize winning biographer Antonia Fraser In this exquisite memoir Antonia Fraser recounts the life she shared with the internationally renowned dramatist In essence it is a love story and a marvelously insightful account of their years together *Must You Go* is based on Fraser's recollections and on the diaries she has kept since October 1968 She shares Pinter's own revelations about his past as well as observations by his friends

Pinter's Odd Man Out Sidney Homan, 1993 Pinter's *Odd Man Out* records Sidney Homan's experience directing the playwright's *Old Times* for both stage and television His most commercially successful play and surely one of his best no other work of Pinter's has generated more critical and scholarly commentary or more varied sometimes conflicting readings In the two opening chapters Homan surveys the theatrical and critical history of the play before describing the generic world of Pinter that provides the context of *Old Times* secluded rooms their occupants and the visitor who in seeking entrance challenges the room's exclusive yet deceptive serenity the outside and the threat it poses the subtext pressing on the dialogue the power of the past and perception the presence of the play itself characters who function as artists the issue of gender mother and father figures and the silence of Pinter's pauses Homan then describes his company's preparations for the performance ranging from the director's concept the set props costumes lighting and music to blocking and the rehearsal period After his own account of the stage production and the ways in which the audience taught the performers through their reactions to and discoveries about the play Homan turns to his actors Stephanie Dugan Thomas Pender and Sandra Langsner who in their own words describe how they wrestled with the characters of Kate Deeley and Anna from rehearsals to performance A chapter on The Camera as Guest records the experience of filming the stage play Here the focus is on the technological and aesthetic differences between the media of television and the stage and what effect such differences had on the filmed version of *Old Times* To what degree does the camera allow the director to assert more control What changes in blocking set and lighting were required In an appendix Homan looks at Carol Reed's 1950s film *Odd Man Out* which figures prominently in *Old Times* and which may have been a source in a highly flexible use of that term for the play On the surface Pinter's *Odd Man Out* concentrates on a single play In reality it is about the ways in which people in the theatre approach a production the process they go through from rehearsals to opening night and the complex interaction among playwright director actors and audience It also raises the issue of what happens when a work intended for the stage is translated to another medium such as television If the book at times suggests that the worlds of the scholar and

the theatre professional are different indeed incompatible in some ways it also shows how the two professions can learn from each other BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Pinter at 70 Lois Gordon,2014-02-25 This comprehensive and authoritative casebook includes cornerstone essays on Pinter s creative process his politics film adaptations and acting career It also includes a collection of photos found nowhere else that document Pinter s golden time his early acting days in Ireland a substantial introduction a chronology and bibliography
