people who press their hair don't like the intense heat exposure that goes along with it as heat exposure can cause severe damage to hair. Most people who press their hair could never imagine a way of getting pressed hair without heat exposure. But what if that were possible? What if you could press your hair in a way that does not involve the use of heat? Well, you are about to learn how to do just that, so say BYE BYE to COARSE UNMANAGEABLE HAIR and say HELLO to naturally STRAIGHT HAIR. This book uncovers a revolutionary new method of pressing your hair without the use of pressing combs or blow dryers. The method combines a special shampoo, hair oil, and special hair combing techniques that will leave your hair so ultra silky soft and smooth that it will look and feel as though it has been pressed with a pressing comb and will eliminate the need for pressing combs and blow dryers, thus eliminating the potential for hair damage. *Official Gazette of the United States Patent Office*, United States Patent Office, 1915

Southend Boys Dr. Thomas Newman, 2022-05-31 I am glad I grew up where I did. The small town of Meredosia where boys could be boys and run barefoot through the fields yelling wildly, poking sticks at wasp nests, eating watermelon and climbing Lipstick and Cherry. It didn't matter that we were poor. We felt we had it all. We were boys with vast colorful imaginations stirred by the landscape and people around us. We didn't need much, just each other. Friends. Because you see, we were the Southend Boys. Here is a collection of true-to-life stories about childhood adventures and relationships that everyone should read. You, the reader, will be able to relate, step back in time and understand how one's childhood can have a lifetime impact. Enjoy

The Other Side of Sober Elsie J.M. Page, 2017-10-26 Where are the police when you need them? Willie Masterson drove the streets of Winnipeg in a drunken state for 23 years and was never arrested. He often parked on the front street in front of his home and leaned on the horn waiting for Jessie or the children to come to help him get out of the car and into the house. He couldn't walk on his own, but he could drive a car. Not until he ended up falling asleep at the wheel and rolling his car over into a ditch did he see any sign of the law. He hung upside down, trapped in his seat belt, screaming for help. A four-year-old child lay motionless and silent and out of his reach. He was terrified. Was the little fellow dead? Between sobs, he vowed he would never drink again. He kept that promise but exchanged his drinking addiction for another one just as destructive: gambling. Once again, Willie's addiction caused a lot of unhappiness for himself and those who loved him.
