Castells,2013-10 This is a new release of the original 1932 edition **Our Ancient Brethren, the Originators of Freemasonry** Francis de Paula Castells,1932 *The History of Freemasonry and Masonic Digest* J.W.S. Mitchell,2022-10-25 Reprint of the original first published in 1859 **The Traditions, Origin and Early History of Freemasonry** Azariah T. C. The intention of this work is to endeavor to unravel the intricate web in which the mystery of freemasonry is involved by tracing the order back to its source and by showing its intimate connection and similitude to institutions more ancient put it beyond a doubt that it sprang from and is a continuation of the rites and ceremonies observed in those establishments That the writer as a freemason is extremely liberal may be judged from his own reprobation of the oaths imposed upon members He considers a total abandonment of the oaths at the present day requisite He says that the mysteries from which the institution was derived created and that the custom of the times when it was established sanctioned the most horrible oaths The argument used that these oaths are no longer necessary is we think effectual against the existence of Masonry itself
