Our Country People In Time And Place:

A Time Such as There Never Was Before Alan Bowker, 2014-08-19 Ottawa Book Award 2015 Shortlisted Between 1918 and 1921 a great storm blew through Canada and raised the expectations of a new world in which all things would be possible The years after World War I were among the most tumultuous in Canadian history a period of unremitting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade promising a world made new But it had cost Canada sixty thousand dead and many more wounded and it had widened the many fault lines in a young diverse country In a nation struggling to define itself and its place in the world labour farmers businessmen churches social reformers and minorities had extravagant hopes irrational fears and contradictory demands What had this sacrifice achieved Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today People and Things from the Cullman, Alabama Tribune 1877 - 1898 Robin Sterling, 2013-07-12 The Tribune began publication in 1875 in what was then Blount County It was one of the earliest papers published in the area after the end of the Civil War Cullman was founded by German immigrants after the establishment of the old South and North railroad in 1872 Cullman grew quickly and became a county of its own in 1877 The earliest surviving issues of the Tribune were microfilmed by the State Archives in Montgomery and the film was studied for all announcements of births marriages deaths obituaries and news important to the history and development of Cullman County The result is a fascinating book which details the early lives of Cullman County settlers recorded in the pages of its very first newspaper **Knock out Liberalism and Keep Our Country Strong for All Americans** R.T. Brown, 2019-03-22 We are about taking action and rattling the cages of the liberals and not sitting on our hands and complaining There are solutions to our many problems and we are looking for others who are ready to make a difference for a better country for all Americans The liberals will be exposed and made irrelevant as we promote the benefits of being a real conservative One of our goals is to earn 20 percent of the Black vote in the 2020 election all across America This gets done with our tools and excellent strategy that is hard hitting We will be on billboards delivering the truth and facts all across America We also have as our goal to get the majority of the Hispanic vote by 2020 We will bring millions of voters to the Republican Party with our persuasion and common sense solutions This is not the typical campaign that is run by both parties but a 365 day a year plan that exposes teaches and motivates Americans to be the best they can be in their everyday life Check out my book that introduces Conservative Wisdom United and see what we have planned for America You are about to make a small investment that will keep our country strong for our future generations It is imperative for us to get the ball rolling in the right direction and to get involved before it is too late **Basic Principles of Civil Law in China** David M Jones, 2019-07-25 This is an abridged translation of the principal Chinese textbook on civil law which was published

as part of the restructuring of China's legal system following the Third Plenum of the Chinese Communist Party in late 1978. Because the closest thing China has to a civil code the General Provisions of Civil Law enacted in 1986 is very incomplete this treatise is an authoritative source on the subject. Basic Principles of Civil Law in China translates those portions of the Chinese text that are likely to be most useful for foreigners dealing with China such as material on contracts torts joint ventures negotiable instruments and technology transfer. It also contains general material on such matters as agency and partnership the general principles of juristic persons and statutes of limitations. *Forum*, 1915
