Olukoya, 2002-01-01 **Destiny's Calling** Vicki L. Thompson, 2024-04-08 GLIMPSES IN DIVINE PROVIDENCE Hearing her speak I received an unction of the possibility that I too would study abroad Yet the significance and the nature of my journey had not yet been revealed Excerpt Chapter 2 Destiny's Voice DESTINY'S CALLING Inspiration for the Journey a short story series is the 3rd book of the series by Author Vicki L Thompson who engages readers to enter the unimaginable adventures God has prepared for everyone called Glimpses in Divine Providence The author presents a storyline juxtaposing the intersection of personal circumstances and faith so to fulfill life's destiny The principal character is a young college student whose response to an opportunity to study abroad uncovers the path to her destiny Intriguing storytelling evokes vivid imagery of the novel's characters chronological sequences era descriptions and historical landmarks as evidence of the unlimited possibilities of believing and trusting in God The journey intertwines life's events and character's dialog to convey pertinent humanitarian issues with humorous resolve The interplay evokes readers to believe there is a reason for special moments in life with subtle inferences of God's providence in every occurrence inspiring determination hope love for oneself God and humanity The 9 Insights Jeff Miller, 2006-06 A Woman's Relationship Survival Guide was written to assist women in learning how to better understand their behaviors and swirling emotions when under the influence of a relationship The guide examines issues surrounding personal responsibility for choices we make and trails we take Each chapter exposes several paths of opportunity and supports the strengthening and building of the inner self Though life can become busy and relationships can be turbulent we must stop at times to rethink just who we are where we're headed and what's really right for us as individuals Besides it's unfair to claim that our partner doesn't know or understand us if we don't really know or understand ourselves The guide is not written to encourage role reversals We should not mimic behaviors that we dislike the most in our partner while claiming to be a better person The guide is not written to cheerlead the leaving of your partner at the rise of the slightest problem Instead the guide promotes healthy self respect self reliance and a reciprocal partnership Happiness contentment stimulation and security are signs of relationship stability Daydreams of pepper spraying your partner to the point of satisfaction or frequent desires to slap the crap out of him are signs that you need to read deeper into this book if he's worth it **If there are no limits...** Dianne Gaudet, 2014-12-05 With life charging at warp speed in a 24/7 on demand world vying for every ounce of energy is it any wonder we hunger for more meaning and balance Like many others I tried to do it all only to realize I was far too busy making a living instead of living with balance and joy I share with you a holistic process and stories that will inspire you to transform your own life If you're ready to live intentionally and to respond more effectively to the incessant demands that get in the way this book is for you Refuel your passions and create

Western proverbs as well as comparison quotations from Christian Jewish and Buddhist scripture and secular sources ranging from Mark Twain to Dale Carnegie One of Solati's goals in this anthology is to build a cultural bridge through poetry between the West and Iran making these treasures of Persian culture more available both to Westerners generally and most specifically to young people of Iranian descent who have grown up in the English speaking world perhaps without fully understanding the wealth of their heritage For them and all readers this will be a book of discovery
