former Yugoslavia from Ireland to the Indian sub continent from Mexico to wartime Leningrad Well written and accessible a fascinating read     **The World Hitler Never Made** Gavriel D. Rosenfeld, 2005-05-23 A fascinating 2005 study of the place of alternate histories of Nazism within Western popular culture     **The Onion Presents Homeland Insecurity** Scott Dikkers, Carol Kolb, 2006 Hot off the reprint presses Onion fans hear this Homeland Insecurity is the largest collection of award winning journalism from America's Finest News Source ever released and that means you must buy it Featuring every brilliantly biting article printed in The Onion between November 2004 and December 2005 a time in our country's history ripe for further examination by America's Finest News Source Homeland Insecurity collects all the news reporting you were too lazy to read when it first appeared now delivered in a handy single volume that will fit perfectly on the bookshelf of your dorm ward or cell Homeland Insecurity is Volume 17 in the always bestselling and always entertaining Onion series The Onion is the world's most popular humor publication with more than 3.8 million weekly visitors to its website theonion.com and a print circulation of more than 500,000 More than a million copies of its various books have been sold to date beginning with Our Dumb Century which was a #1 New York Times bestseller and winner of the Thurber Prize for American Humor

Tear Down This Myth Will Bunch, 2009-02-03 In this provocative new book award winning political journalist Will Bunch unravels the story of how a right wing cabal hijacked the mixed legacy of Ronald Reagan a personally popular but hugely divisive 1980s president and turned him into a bronze icon to revive their fading ideology They succeeded to the point where all the GOP candidates for president in 2008 scurried to claim his mantle no matter how preposterous the fit With clear eyes and an ever present wit Bunch reveals the truth about the Ronald Reagan legacy including the following Despite the idolatry of the last fifteen years Reagan's average popularity as president was only well average lower than that of a half dozen modern presidents More important while he was in office a majority of Americans opposed most of his policies and by 1988 felt strongly that the nation was on the wrong track Reagan's 1981 tax cut weighted heavily toward the rich did not cause the economic recovery of the 1980s It was fueled instead by dropping oil prices the normal business cycle and the tight fiscal policies of the chairman of the Federal Reserve appointed by Jimmy Carter Reagan's tax cut did however help usher in the deregulated modern era of CEO and Wall Street greed Most historians agree that Reagan's waste ridden military buildup didn't actually win the Cold War And Reagan mythmakers ignore his real contributions his willingness to talk to his Soviet adversaries his genuine desire to eliminate nuclear weapons and the surprising role of a liberal Hollywood produced TV movie George H. W. Bush's and Bill Clinton's rolling back of Reaganomics during the 1990s spurred a decade of peace and prosperity as well as the reactionary campaign to pump up the myth of Ronald Reagan and restore right wing hegemony over Washington This effort has led to war bankrupt energy policies and coming generations of debt With masterful insight Bunch exposes this dangerous effort to reshape America's future by rewriting its past As the Obama administration charts its course he argues it should do so unencumbered by the dead weight of misplaced and unearned reverence     Down with the Old

**Getting Your Book Published For Dummies** Sarah Parsons Zackheim, Adrian Zackheim, 2011-03-10 There's never been a better time to be an author Books like the Harry Potter series create a media phenomenon with people lining up and camping outside bookstores to purchase newly released titles Yet book sales overall not just those of mega sellers are on the rise as more and more people seek knowledge and entertainment through reading The Library of Congress currently registers about 60 000 new titles for copyright each year 60 000 books by 60 000 authors Imagine yourself as one Getting Your Book Published For Dummies is your complete guide to realizing whatever gem of an idea you've been carrying with you If you've ever thought this would make a really good book be it the next great American novel or a guide to naming babies here's your chance to put pen to paper and find out Written from both sides of the editor's desk by a widely published writer and a HarperCollins veteran publisher this guide puts in your hand the advice you need to Pick an idea Approach the publisher Craft proposals and queries Work with agents or act as your own Self publish Negotiate a contract Create the actual book Sell your published book Full of examples proposals query letters and war stories drawn from the authors extensive experience Getting Your Book Published For Dummies shows you how to clear all the hurdles faced by today's writers freeing up precious time for you to refine your manuscript You'll get the inside scoop on Titling your book Major publishers smaller houses niche publishers university presses and spiritual and religious publishers The 12 elements of a successful nonfiction proposal How editors read queries Submitting fiction Publishing outside the box And much more Getting Your Book Published For Dummies is the clear A-Z handbook that makes the entire process plain and practicable You don't need to be a celebrity You don't need to be some kind of publishing insider All you need to do is write **Show Sold Separately** Jonathan Gray, 2010 This work examines the world of film and television that exists before and after the show It may rewrite the rules of what we look at when we want to understand how audiences make meaning of media franchises as profoundly as Tony Bennett and Janet Woolcott's *Bond and Beyond* did for a previous generation A Study Guide for Jean Giraudoux's "The Madwoman of Chaillot" Gale, Cengage Learning, 2016 A Study Guide for Jean Giraudoux's *The Madwoman of Chaillot* excerpted from Gale's acclaimed *Drama For Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Drama For Students* for all of your research needs **Anne Frank Unbound** Barbara

Kishenblatt-Gimblett, Jeffrey Shandler, 2018-11-01 A brilliantly conceived and long overdue opening up or deconstruction of the Anne Frank story James Clifford Professor Emeritus History of Consciousness Department University of California As millions of people around the world who have read her diary attest Anne Frank the most familiar victim of the Holocaust has a remarkable place in contemporary memory Anne Frank Unbound looks beyond this young girl's words at the numerous ways people have engaged her life and writing Apart from officially sanctioned works and organizations there exists a prodigious amount of cultural production which encompasses literature art music film television blogs pedagogy scholarship religious ritual and comedy Created by both artists and amateurs these responses to Anne Frank range from veneration to irreverence Although at times they challenge conventional perceptions of her significance these works testify to the power of Anne Frank the writer and Anne Frank the cultural phenomenon as people worldwide forge their own connections with the diary and its author This collection of brilliant essays offers fascinating and unexpected insights into the significance of Anne Frank's iconic Holocaust era diary from many disciplinary perspectives in the arts and humanities Jan T Gross the Norman B Tomlinson Professor of War and Society Princeton University This volume is a major contribution to scholarship regarding Anne Frank's diary and its cultural influence Highly recommended Choice Engrossing The overall aim is to provide a greater understanding of the general and particular engagement with Anne Frank as a person a symbol an icon an inspiration and perhaps most polarizing as one victim not the victim of the Nazi holocaust Broadside **On Drugs** Justin

Smith-Ruiu, 2025-09-23 Like the best psychedelic experiences On Drugs estranges the familiar familiarizes the strange and returns us to reality whatever that is with a broadened sense of the possible Justin Smith Ruiu is simply one of the most interesting thinkers alive and he has found an ideal subject for his peculiar brand of brilliance Christopher Beha author of The Index of Self Destructive Acts In the late post lockdown days of the pandemic grappling with personal loss and existential uncertainty Justin Smith Ruiu found himself standing in a California cannabis dispensary pondering a question his tribe of fellow philosophers have often dismissed as too simple How did I get here That moment marked a transition for him it was the start of a journey Smith Ruiu would take to experience his own mind and the world around him in a new clarifying way On Drugs blends autobiography intellectual history and philosophical inquiry to explore the transformative impact of psychedelics on human consciousness and thought Drawing on his personal experiences as an articulate guinea pig Smith Ruiu argues that psychedelics upend our assumptions about the nature of reality and thus force a reckoning with the very foundations of Western philosophy Provocative profound and deeply personal On Drugs points toward a radically new way of thinking about the world and our capacity to understand it The Making of European Consumption P. Lundin, T.

Kaiserfeld, 2015-01-26 American ideals and models feature prominently in the master narrative of post war European consumer societies This book demonstrates that Europeans did not appropriate a homogenous notion of America rather post war European consumption was a process of selective appropriation of American elements **The Unofficial Guide to**

**Titanic 100th Anniversary Edition** Stephanie Barczewski, 2012-02-09 An anniversary edition of a highly regarded account of the world's most notorious tragedy at sea

Terror and Consent Philip Bobbitt, 2013-04-04 The wars against terror have begun but it will take some time before the nature and composition of these wars is widely understood The objective of these wars is not the conquest of territory or the silencing of any particular ideology but rather to secure the necessary environment for states to operate according to principles of consent and make it impossible for our enemies to impose or induce states of terror Terror and Consent argues that like so many states and civilizations in the past that suffered defeat we are fighting the last war with weapons and concepts that were useful to us then but have now been superseded Philip Bobbitt argues that we need to reforge links that previous societies have made between law and strategy to realize how the evolution of modern states has now produced a globally networked terrorism that will change as fast as we can identify it to combine humanitarian interests with strategies of intervention and above all to rethink what victory in such a war if it is a war might look like no occupied capitals no treaties no victory parades but the preservation protection and defence of states of consent This is one of the most challenging and wide ranging books of any kind about our modern world
