My Father's Shadow Sam Mahon, 2012-10-01 An intimate portrait of Justice Peter Mahon who headed the Erebus plane crash inquiry written by his son Described often as a man for all seasons Justice Peter Mahon is perhaps best remembered for his role in the Erebus Inquiry an inquiry into the worst air disaster in New Zealand's history In *My Father's Shadow* his eldest son artist Sam Mahon draws a composite portrait of Peter a rational moral astute and complex character but a father whom the author hardly knew In poignant lyrical prose an expansive story emerges operatic in scope of Peter Mahon's life through his war years and the Senio offensive his distinguished legal career to the insult keenly felt by a proud man when the Court of Appeal questioned his immortal line an orchestrated litany of lies as soldier lawyer judge naturalist father colleague husband He was at the time of his death one of the ten most admired New Zealanders Artfully woven throughout the memoir exposes the dynamic and the ongoing legacy between these two strong personalities the rebellious artist in the making and his tolerant distant and revered father Written with a spirited clarity startling honesty and humour *My Father's Shadow* is a captivating and extraordinary New Zealand story

In My Father's Shadow Chris Welles Feder, 2009-11-02 Out of all the many stars and celebrities Hollywood has produced only a handful have achieved the fame and some would say infamy of Orson Welles the creator and star of what is arguably the greatest American film *Citizen Kane* Many books have been written about him detailing his achievements as an artist as well his foibles as a human being None of them however has gotten so close to the real man as does Chris Welles Feder's beautifully realized portrait of her father In *My Father's Shadow* is a classic story of a life lived in the public eye told with affection and the wide-eyed wonder of a daughter who never stopped believing that someday she would truly know and understand her elusive and larger than life father The result is a moving and insightful look at life in the shadow of a legendary figure and an immensely entertaining story of growing up in the unreal reality of Hollywood enhanced by Welles Feder's collection of many never before seen family photographs [Living in The Shadow of Our Fathers](#)

[Living in The Shadow of Our Fathers](#) Russ McCormack Psy.D., 2018-03-13 A nonfiction piece about the experience of shame turned toxic and its impact on the psychological and spiritual fate of mankind This ten chapter effort intertwines the literary substance of the book with a workbook component designed to get the reader to move beyond a simple mental and intellectual endeavor and move toward an exercise of personal integration with the material The experience of shame is universal a human experience but an experience that has the potential to turn toxic Toxic shame can wreak havoc on the psychological development and well being of the individual But this author also purports that toxic shame can equally disrupt and damage the spiritual nature of the human experience When Demons Rush In is a two pronged approach both psychological and spiritual to understanding what this author believes is a devastating reality besieging the individual of our day Specifically looking at the father son relationship the author focuses on this masculine relationship his own relationship with his father in a way to bring awareness and credibility to the author's insights into what plagues the fathers the sons and

the men of our present day societies By focusing on shame turned toxic its roots its causes its consequences the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized As a first time author I have selected a subject to write about that reflects both my professional and personal experiences My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities

with his many novels and collections of short stories has used Tuareg folklore about Anubis the ancient Egyptian god of the underworld to craft a novel that is both a lyrical evocation of the desert's beauty and a chilling narrative in which thirst incest patricide animal metamorphosis and human sacrifice are more than plot devices The novel concludes with Tuareg sayings collected by the author in his search for the historical Anubis from matriarchs and sages during trips to Tuareg encampments and from inscriptions in the ancient Tifinagh script in caves and on tattered manuscripts In this novel fantastic mythology becomes universal specific and modern
