Our Journey Toward God

Roger E. Olson

Our Journey Toward God:

Our Journey to God Fr. Maurice Emelu, 2017 There is one commonality among every saint they all have deep faith in God that was lived out in their daily lives Fr Maurice Emelu explains here how the faith of Abraham Moses Mary and other biblical figures evolved and how their journey serves as a roadmap for how our faith life can be built nourished and grown Drawing on his West African roots as well as his many years of pastoral ministry Fr Emelu combines the story telling culture of Africa with a Western worldview to offer a unique perspective on the nature of faith and what it means to grow closer to the Lord Theological yet practical these pages show you what the journey of faith looks like and explains the essential elements to a life of faith which can transform not only lives but society itself You ll also learn The four main stages of every person s journey of faith How you can grow from the elementary forms of divine realization to deeper awareness of God How the journey of faith proceeds from the simple to the complex and from the known to the unknown How faith is essential for understanding truth and fully realizing the gift of reason Why Abraham and the Blessed Mother are the best models for living out God s will The various forms of doubt that can hurt and even help our relationship with the Lord Ways in which faith can break the boundaries of fear and pride How faith is a source of unity not division among peoples Faith is not an individual s private dominion It is the core of our identity as religious beings Read this book and you will not only deepen your own faith in God you will develop a greater appreciation of the transforming power of faith

The Journey toward God in Augustine's Confessions Carl G. Vaught, 2012-02-01 This detailed discussion of Augustine s journey toward God as it is described in the first six books of the Confessions begins with infancy moves through childhood and adolescence and culminates in youthful maturity In the first stage Augustine deals with the problems of original innocence and sin in the second he addresses a pear stealing episode that recapitulates the theft of the forbidden fruit in the Garden of Eden and confronts the problem of sexuality with which he wrestles until his conversion and in the third he turns toward philosophy only to be captivated successively by dualism skepticism and Catholicism Augustine s journey exhibits temporal spatial and eternal dimensions and combines his head and his heart in equal proportions Vaught shows that the Confessions should be interpreted as an attempt to address the person as a whole rather than through our intellectual or volitional dimensions exclusively The passion with which Augustine describes the end of his journey is reflected best in a sentence found in the opening chapter of the text You have made us for yourself and our heart is restless until it rests in you Interpreting this statement Carl G Vaught presents a more emphatically Christian Augustine than is usually found in contemporary scholarship Refusing to view Augustine in an exclusively Neoplatonic framework Vaught holds that Augustine baptizes Plotinus just as successfully as Aquinas baptizes Aristotle It cannot be denied that Ancient philosophy influences Augustine decisively Nevertheless he holds the experiential and the theoretical dimensions of his journey toward God together as a distinctive expression of the Christian tradition

The Interior Journey Toward God: Reflections from Saint Teresa of Ávila

John Paul Thomas, *The Interior Journey Toward God* Reflections from Saint Teresa of vila attempts to take what many believe is Saint Teresa of vila s greatest work *The Interior Castle* and break it down into successive lessons reflections and prayers Each lesson is drawn from St Teresa s writings and seeks not only to explain each particular teaching concisely but also to help you the reader to apply the content to your own life This book can be used as a daily meditation book by which you can slowly ponder the teachings of Saint Teresa as she takes us through the various dwelling places of the soul This book can also be used as a companion to the reading of Saint Teresa s original spiritual masterpiece *Interior Castle* I began to think of the soul as if it were a castle made of a single diamond or of very clear crystal in which there are many rooms just as in Heaven there are many dwelling places *Interior Castle* I I 2 Saint Teresa of Jesus you were a daughter of the Church a humble servant of God a reformer a mystic and a great beacon of light for all Please pray for me as I prayerfully reflect upon the lessons you have taught Through your intercession may I discover the presence of God Who dwells within me journeying ever deeper to the center of my soul where the Great King resides Saint Teresa of Jesus pray for us Jesus I trust in You For more information you can view this book online for free from our website at www.mycatholiclife.com **The Map of the**
