Our Kentucky A Study Of The Bluegrass State

James C. Klotter, Freda C. Klotter

Our Kentucky A Study Of The Bluegrass State:

Our Kentucky James C. Klotter, 2021-10-21 Originally published in 1992 in conjunction with Kentucky's bicentennial observations and designed for use in the high school classroom *Our Kentucky* remains one of the most concise well written introductions to the Bluegrass State While the focus is on history specialists in other fields contribute chapters that provide a comprehensive description of Kentucky's people and their past present and future This expanded edition brings the scholarship up to date ensuring the book's continued availability for students and general readers State historian James C Klotter together with a teachers advisory group has gathered nineteen authorities on the Commonwealth each of whom has written a section in his or her area of expertise The topics range widely from architecture to women's rights from Native Americans to Kentucky's future and much in between Well respected authors from various disciplines including geography history literature religion journalism education and political science have crafted concise and stimulating chapters that help explain the state's past present and future Designed for use in the Kentucky Studies high school elective course the book has been praised for covering so many aspects of Kentucky life and for bringing together such a wide array of writers A special feature is the inclusion of seventeen award winning essays written by high school students These brief sidebars demonstrate the level of work that can be done by today's young Kentuckians The combination of essays by students chapters by experts and a generous selection of photographs and original documents results in a book that will inform and delight all Kentucky readers

Teacher's Guide to Our Kentucky James C. Klotter, 1992-07-28 Milton's poems invariably depict the decisive instant in a story a moment of crisis that takes place just before the action undergoes a dramatic change of course Such instants look backward to a past that is about to be superseded or repudiated and forward at the same time to a future that will immediately begin to unfold Martin Evans identifies this moment of transition as the Miltonic Moment This provocative new study focuses primarily on three of Milton's best known early poems *On the Morning of Christ's Nativity* *A Mask Presented at Ludlow Castle* *Comus* and *Lycidas* These texts share a distinctive perceptual and cognitive structure which Evans defines as characteristically Miltonic embracing a single moment that is both ending and beginning The poems communicate a profound sense of intermediacy because they seem to take place between the boundaries that separate events The works illuminated here which also include *Samson Agonistes* and *Paradise Regained* are all about transition from one form to another from paganism to Christianity from youthful inexperience to moral maturity and from pastoral retirement to heroic engagement This transformation is often ideological as well as historical or biographical Evans shows that the moment of transition is characteristic of all Milton's poetry and he proposes a new way of reading one of the seminal writers of the seventeenth century Evans concludes that the narrative reversals in Milton's poetry suggest his constant attempts to bring about an intellectual revolution that at a time of religious and political change in England would transform an age

Our Kentucky James C. Klotter, 1992 The South has always been one of the most distinctive regions of the United

States with its own set of traditions and a turbulent history Although often associated with cotton hearty food and rich dialects the South is also noted for its strong sense of religion which has significantly shaped its history Dramatic political social and economic events have often shaped the development of southern religion making the nuanced dissection of the religious history of the region a difficult undertaking For instance segregation and the subsequent civil rights movement profoundly affected churches in the South as they sought to mesh the tenets of their faith with the prevailing culture Editors Walter H Conser and Rodger M Payne and the book s contributors place their work firmly in the trend of modern studies of southern religion that analyze cultural changes to gain a better understanding of religion s place in southern culture now and in the future Southern Crossroads Perspectives on Religion and Culture takes a broad interdisciplinary approach that explores the intersection of religion and various aspects of southern life The volume is organized into three sections such as Religious Aspects of Southern Culture that deal with a variety of topics including food art literature violence ritual shrines music and interactions among religious groups The authors survey many combinations of religion and culture with discussions ranging from the effect of Elvis Presley s music on southern spirituality to yard shrines in Miami to the archaeological record of African American slave religion The book explores the experiences of immigrant religious groups in the South also dealing with the reactions of native southerners to the groups arriving in the region The authors discuss the emergence of religious and cultural acceptance as well as some of the apparent resistance to this development as they explore the experiences of Buddhist Americans in the South and Jewish foodways Southern Crossroads also looks at distinct markers of religious identity and the role they play in gender politics ritual and violence The authors address issues such as the role of women in Southern Baptist churches and the religious overtones of lynching with its themes of blood sacrifice and atonement Southern Crossroads offers valuable insights into how southern religion is studied and how people and congregations evolve and adapt in an age of constant cultural change

Our Kentucky James C. Klotter, 2014-10-17

Originally published in 1992 in conjunction with Kentucky s bicentennial observations and designed for use in the high school classroom Our Kentucky remains one of the most concise well written introductions to the Bluegrass State While the focus is on history specialists in other fields contribute chapters that provide a comprehensive description of Kentucky s people and their past present and future This expanded edition brings the scholarship up to date ensuring the book s continued availability for students and general readers State historian James C Klotter together with a teachers advisory group has gathered nineteen authorities on the Commonwealth each of whom has written a section in his or her area of expertise The topics range widely from architecture to women s rights from Native Americans to Kentucky s future and much in between Well respected authors from various disciplines including geography history literature religion journalism education and political science have crafted concise and stimulating chapters that help explain the state s past present and future Designed for use in the Kentucky Studies high school elective course the book has been praised for covering so many aspects of

Kentucky life and for bringing together such a wide array of writers A special feature is the inclusion of seventeen award winning essays written by high school students These brief sidebars demonstrate the level of work that can be done by today's young Kentuckians The combination of essays by students chapters by experts and a generous selection of photographs and original documents results in a book that will inform and delight all Kentucky readers [A Concise History of Kentucky](#) James Klotter, 2010-09-12 Kentucky is most commonly associated with horses tobacco fields bourbon and coal mines There is much more to the state though than stories of feuding families and Colonel Sanders famous fried chicken Kentucky has a rich and often compelling history and James C Klotter and Freda C Klotter introduce readers to an exciting story that spans 12 000 years looking at the lives of Kentuckians from Native Americans to astronauts The Klotters examine all aspects of the state's history its geography government social life cultural achievements education and economy A Concise History of Kentucky recounts the events of the deadly frontier wars of the state's early history the divisive Civil War and the shocking assassination of a governor in 1900 The book tells of Kentucky's leaders from Daniel Boone and Henry Clay to Abraham Lincoln Mary Breckinridge and Muhammad Ali The authors also highlight the lives of Kentuckians both famous and ordinary to give a voice to history The Klotters explore Kentuckians' accomplishments in government medicine politics and the arts They describe the writing and music that flowered across the state and they profile the individuals who worked to secure equal rights for women and African Americans The book explains what it was like to work in the coal mines and explains the daily routine on a nineteenth century farm The authors bring Kentucky's story to the twenty first century and talk about the state's modern economy where auto manufacturing jobs are replacing traditional agricultural work A collaboration of the state historian and an experienced educator A Concise History of Kentucky is the best single resource for Kentuckians new and old who want to learn more about the past present and future of the Bluegrass State

Violence Against Women in Kentucky Carol E. Jordan, 2014-04-28 Weaving together universal themes of family geography and death with images of America's frontier landscape former Kentucky Poet Laureate Joe Survant has been lauded for his ability to capture the spirit of the land and its people Kliatt magazine has praised his work stating Survant's words sing This is storytelling at its best Exploring the pre Columbian and frontier history of the commonwealth The Land We Dreamed is the final installment in the poet's trilogy on rural Kentucky The poems in the book feature several well known figures and their stories reimagining Dr Thomas Walker's naming of the Cumberland Plateau Mary Draper Ingles's treacherous journey from Big Bone Lick to western Virginia following her abduction by Native Americans and Daniel Boone's ruminations on the fall season of 1770 Survant also explores the Bluegrass from the perspectives of the chiefs of the Shawnee and Seneca tribes Drawing on primary documents such as the seventeenth century reports of French Jesuit missionaries excerpts from the Draper manuscripts and the journals of pioneers George Croghan and Christopher Gist this collection surveys a broad and under recorded history Poem by poem Survant takes readers on an imaginative expedition through unspoiled Shawnee cornfields

down the wild Ohio River and into the depths of the region's ancient coal seams [A History of Education in Kentucky](#) William E. Ellis, 2011-06-17 Kentucky is nationally renowned for horses bourbon rich natural resources and unfortunately hindered by a deficient educational system Though its reputation is not always justified in national rankings for grades K 12 and higher education Kentucky consistently ranks among the lowest states in education funding literacy and student achievement In [A History of Education in Kentucky](#) William E Ellis illuminates the successes and failures of public and private education in the commonwealth since its settlement Ellis demonstrates how political leaders in the nineteenth century created a culture that devalued public education and refused to adequately fund it He also analyzes efforts by teachers and policy makers to enact vital reforms and establish adequate equal education and discusses ongoing battles related to religious instruction integration and the Kentucky Education Reform Act KERA [A History of Education in Kentucky](#) is the only up to date single volume history of education in the commonwealth Offering more than mere policy analysis this comprehensive work tells the story of passionate students teachers and leaders who have worked for progress from the 1770s to the present day Despite the prevailing pessimism about education in Kentucky Ellis acknowledges signs of a vibrant educational atmosphere in the state By advocating a better understanding of the past Ellis looks to the future and challenges Kentuckians to avoid historic failures and build on their successes [Notorious 92](#) Andrew E. Stoner, 2007-07 Hoosiers witness their share of human darkness Stoner delves into this dark side with a look at the most heinous murders that have taken place in each of Indiana's 92 counties **The Jim Crow Encyclopedia** Nikki Brown, Barry M. Stentiford, 2008-09-30 Jim Crow refers to a set of laws in many states predominantly in the South after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans As a caste system of enormous social and economic magnitude the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling Racial segregation as well as responses to it and resistance against it dominated the African American consciousness and continued to oppress African Americans and other minorities while engendering some of the most important African American contributions to society This major encyclopedia is the first devoted to the Jim Crow era The era is encapsulated through more than 275 essay entries on such areas as law media business politics employment religion education people events culture the arts protest the military class housing sports and violence as well as through accompanying key primary documents excerpted as side bars This set will serve as an invaluable definitive resource for student research and general knowledge The authoritative entries are written by a host of historians with expertise in the Jim Crow era The quality content comes in an easy to access format Readers can quickly find topics of interest with alphabetical and topical lists of entries in the frontmatter along with cross references to related entries per entry Further reading is provided per entry Dynamic sidebars throughout give added insight into the topics A chronology selected bibliography and photos round out the coverage Sample entries include Advertising Affirmative Action Armed Forces Black Cabinet Blues

 Administration World War II **They Say in Harlan County** Alessandro Portelli, 2012-09-13 This book is a historical and
 cultural interpretation of a symbolic place in the United States Harlan County Kentucky from pioneer times to the beginning
 of the third millennium based on a painstaking and creative montage of more than 150 oral narratives and a wide array of
 secondary and archival matter **Kentucky Justice, Southern Honor, and American Manhood** James C.
 Klotter, 2006-03-21 When attorney John Jay Cornelison severely beat Kentucky Superior Court judge Richard Reid in public
 on April 16 1884 for allegedly injuring his honor the event became front page news Would Reid react as a Christian
 gentleman a man of the law and let the legal system take its course or would he follow the manly dictates of the code of
 honor and challenge his assailant James C Klotter crafts a detective story using historical medical legal and psychological
 clues to piece together answers to the tragedy that followed This book is a gem Klotter s astute organization and gripping
 narrative add to the book s appeal He has written a fascinating book that will be of interest to a wide audience American
 Historical Review A moving story well told it does force the reader to reflect on our own era and consider whether we value
 leaders who respect the rule of law or those who believe that honor demands swift and bloody vengeance no matter the costs
 Ohio Valley History A rich and compelling work that offers fresh insights into the tense interplay among religion law and
 honor in the American South Register of the Kentucky Historical Society *A New History of Kentucky* James C.
 Klotter, Craig Thompson Friend, 2018-11-26 When originally published *A New History of Kentucky* provided a comprehensive
 study of the Commonwealth bringing it to life by revealing the many faces deep traditions and historical milestones of the
 state With new discoveries and findings the narrative continues to evolve and so does the telling of Kentucky s rich history In
 this second edition authors James C Klotter and Craig Thompson Friend provide significantly revised content with updated
 material on gender politics African American history and cultural history This wide ranging volume includes a full overview of
 the state and its economic educational environmental racial and religious histories At its essence Kentucky s story is about its
 people not just the notable and prominent figures but also lesser known and sometimes overlooked personalities The human
 spirit unfolds through the lives of individuals such as Shawnee peace chief Nonhelema Hokesqua and suffrage leader
 Madge Breckinridge early land promoter John Filson author Wendell Berry and Iwo Jima flag raiser Private Franklin Sousley
 They lived on a landscape defined by its topography as much as its political boundaries from Appalachia in the east to the
 Jackson Purchase in the west and from the Walker Line that forms the Commonwealth s southern boundary to the Ohio River
 that shapes its northern boundary Along the journey are traces of Kentucky s past its literary and musical traditions its state
 level and national political leadership and its basketball and bourbon Yet this volume also faces forthrightly the

Commonwealth's blemishes the displacement of Native Americans African American enslavement the legacy of violence and failures to address poverty and poor health A New History of Kentucky ranges throughout all parts of the Commonwealth to explore its special meaning to those who have called it home It is a broadly interpretive all encompassing narrative that tells Kentucky's complex extensive and ever changing story Faces of Kentucky James C. Klotter, Freda C. Klotter, 2014-11-04 Written by Kentuckians for Kentuckians Faces of Kentucky is a comprehensive history of Kentucky designed for young students The state's story comes alive as never before through the images and life stories of the diverse people of the Commonwealth The product of a collaboration of the state historian of Kentucky and an award winning teacher both native Kentuckians Faces of Kentucky approaches learning as a voyage of discovery Numerous illustrations thought provoking questions and historical mysteries to be solved seek to challenge young readers and to help them think about their state themselves and their future Features Timelines from early history to present Discussion questions Over 250 photographs 25 Maps Primary Documents Teacher's Guide with companion CD for use in the elementary school classroom *A Concise History of Kentucky* James C. Klotter, Freda C. Klotter, 2008-03-21 To most people the word Kentucky is likely to inspire thoughts of Derby Day burley tobacco fields feuding Appalachian families coal mines and Colonel Sanders famous fried chicken There is much more however to the Bluegrass State's rich but often unexplored history than mint juleps and the Hatfields and McCoys In *A Concise History of Kentucky* authors James C Klotter and Freda C Klotter introduce readers to a captivating story that spans 12 000 years of Kentucky lives from Native Americans to astronauts All facets of Kentucky history are explored geography government social structure culture education and the economy recounting unique historic events such as the deadly frontier wars the assassination of a governor and the birth of Bluegrass music The book features profiles of famous Kentuckians such as Daniel Boone Abraham Lincoln Loretta Lynn and Muhammad Ali as well as ordinary citizens A joint collaboration of the state historian of Kentucky and an experienced educator *A Concise History of Kentucky* is an authoritative readable story that will educate and entertain newcomers to Kentucky history and those who simply want to learn more about the Commonwealth *More Than Petticoats: Remarkable Kentucky Women* Mimi O'malley, 2012-01-24 *More than Petticoats Remarkable Kentucky Women* 2nd Edition celebrates the women who shaped the Bluegrass State Short illuminating biographies and archival photographs and paintings tell the stories of women from across the state who served as teachers writers entrepreneurs and artists **Cora Wilson Stewart and Kentucky's Moonlight Schools** Yvonne Baldwin, 2006-03-03 The first woman elected superintendent of schools in Rowan County Kentucky Cora Wilson Stewart 1875 1958 realized that a major key to overcoming the illiteracy that plagued her community was to educate adult illiterates To combat this problem Stewart opened up her schools to adults during moonlit evenings in the winter of 1911 The result was the creation of the Moonlight Schools a grassroots movement dedicated to eliminating illiteracy in one generation Following Stewart's lead educators across the nation began to develop similar literacy programs within a few years Moonlight Schools

had emerged in Minnesota South Carolina and other states Cora Wilson Stewart and Kentucky's Moonlight Schools examines these institutions and analyzes Stewart's role in shaping education at the state and national levels To improve their literacy Moonlight students learned first to write their names and then advanced to practical lessons about everyday life Stewart wrote reading primers for classroom use designing them for rural people soldiers Native Americans prisoners and mothers Each set of readers focused on the knowledge that individuals in the target group needed to acquire to be better citizens within their community The reading lessons also emphasized the importance of patriotism civic responsibility Christian morality health and social progress Yvonne Honeycutt Baldwin explores the elusive line between myth and reality that existed in the rhetoric Stewart employed in order to accomplish her crusade As did many educators engaged in benevolent work during the Progressive Era Stewart sometimes romanticized the plight of her pupils and overstated her successes As she traveled to lecture about the program in other states interested in addressing the problem of illiteracy she often reported that the Moonlight Schools took one mountain community in Kentucky from moonshine and bullets to lemonade and Bibles All rhetoric aside the inclusive Moonlight Schools ultimately taught thousands of Americans in many under served communities across the nation how to read and write Despite the many successes of her programs when Stewart retired in 1932 the crusade against adult illiteracy had yet to be won Cora Wilson Stewart presents the story of a true pioneer in adult literacy and an outspoken advocate of women's political and professional participation and leadership Her methods continue to influence literacy programs and adult education policy and practice

Kentucky by Design Andrew Kelly, 2015-07-31 The Index of American Design was one of the most significant undertakings of the Federal Art Project the visual arts arm of the Works Progress Administration Part of President Franklin D Roosevelt's New Deal this ambitious initiative set out to discover and document an authentic American style in everyday objects The curators of the Index combed the country for art of the machine age from carved carousel horses to engraved powder horns to woven coverlets created by artisans for practical use In their search for a true American artistic identity they also sought furniture designed by regional craftsmen laboring in isolation from European traditions Kentucky by Design offers the first comprehensive examination of the objects from the Bluegrass State featured in this historic venture It showcases a wide array of offerings including architecture furniture ceramics musical instruments textiles clothing and glass and metalworks The Federal Art Project played an important role in documenting and preserving the work of Shaker artists from the Pleasant Hill and South Union communities and their creations are exhibited in this illuminating catalog Beautifully illustrated with both the original watercolor depictions and contemporary art quality photographs of the works this book is a lavish exploration of the Commonwealth's distinctive contribution to American culture and modern design Features contributions from Jean M Burks Erika Doss Jerrold Hirsch Lauren Churilla Larrie Currie Michelle Ganz Tommy Hines Lee Kogan Ron Pen Janet Rae Shelly Zegart Mel Hankla Philippe Chavance Kate Hesseldenz Madeleine Burnside and Allan Weiss

Jim Crow Nikki Brown, Barry M. Stentiford, 2014-10-28

This one volume reference work examines a broad range of topics related to the establishment maintenance and eventual dismantling of the discriminatory system known as Jim Crow. Many Americans imagine that African Americans struggle to achieve equal rights has advanced in a linear fashion from the end of slavery until the present. In reality for more than six decades African Americans had their civil rights and basic human rights systematically denied in much of the nation. Jim Crow: A Historical Encyclopedia of the American Mosaic sheds new light on how the systematic denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled. Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula. An introductory essay frames the work and explains the significance and scope of this regrettable period in American history. Written by experts in their fields the accessible entries will enable readers to understand the long hard road before the inception of the Civil Rights Movement in the 20th century while also gaining a better understanding of the experiences of minorities in the United States. African Americans in particular.

The United States of America , Appalachian Dulcimer Traditions Ralph Lee Smith, 2010-03-19. The Appalachian dulcimer is one of America's major contributions to world music and folk art. Homemade and handmade played by people with no formal knowledge of music this beautiful instrument entered the post World War II Folk Revival with virtually no written record. Appalachian Dulcimer Traditions tells the fascinating story of the effort to recover the instrument's lost history through fieldwork in the Southern mountains finding of old instruments and listening to the tales of old folks. After reviewing the instrument's distinctive musical features Ralph Lee Smith presents the dulcimer's story chronologically tracing its roots in a Renaissance German instrument the scheitholt describing the early history of the scheitholt and the dulcimer in America and outlining the development of distinctive dulcimer styles in Virginia West Virginia North Carolina and Kentucky. The story continues into the 20th Century through the final group of tradition based Appalachian makers whose work flowed into the national scene of the Folk Revival. This fully revised edition provides expanded information about the history of the scheitholt and the dulcimer before the Civil War and discusses traditions and types that are still being discovered and documented. Smith also adds his personal adventures in searching for the dulcimer's history. A new final chapter describes types and styles that do not fit conveniently into the mainstream development of the instrument. The book concludes with several appendixes including measurements of representative dulcimers and listings of dulcimer recordings in the Archive of Folk Culture of the Library of Congress.
