The Claims of Kinfolk Dylan C. Penningroth, 2004-07-21 In *The Claims of Kinfolk* Dylan Penningroth uncovers an extensive informal economy of property ownership among slaves and sheds new light on African American family and community life from the heyday of plantation slavery to the freedom generation of the 1870s By focusing on relationships among blacks as well as on the more familiar struggles between the races Penningroth exposes a dynamic process of community and family definition He also includes a comparative analysis of slavery and slave property ownership along the Gold Coast in West Africa revealing significant differences between the African and American contexts Property ownership was widespread among slaves across the antebellum South as slaves seized the small opportunities for ownership permitted by their masters While there was no legal framework to protect or even recognize slaves property rights an informal system of acknowledgment recognized by both blacks and whites enabled slaves to mark the boundaries of possession In turn property ownership and the negotiations it entailed influenced and shaped kinship and community ties Enriching common notions of slave life Penningroth reveals how property ownership engendered conflict as well as solidarity within black families and communities Moreover he demonstrates that property had less to do with individual legal rights than with constantly negotiated extralegal social ties

Daring Pioneers Tame the Frontier Bettye B. Burkhalter, 2010-03-31 *History Romance Destiny Daring Pioneers Tame the Frontier* is an exquisite saga of Dr Jean John Baptiste Elz ar Burel s lifelong desire to cross the Atlantic Ocean to the beckoning new America With his naval surgeon license in one hand and his medical chest in the other he followed Marquis de Lafayette to Colonial America during the Revolutionary War During the war he fell passionately in love and married a beautiful Acadian French woman in Philadelphia After the war they made plans to return to his home at Ololioules France Homeward bound the bourgeois doctor boarded the ship in Philadelphia with his new bride and their few belongings There on deck he was unexpectedly forced to choose between his beloved homeland and family in France and his wife with child Disembarking the ship with grave disappointment John knowingly forfeited his inheritance as sole heir Struggling to survive in Philadelphia oftentimes John sat quietly admiring the beautiful woman who owned his heart as he secretly yearned for his prominent family and lifestyle on the Mediterranean Coast of France Standing on the threshold of the newly independent America the young doctor decided to take his wife and infant son and pioneer down the Great Wagon Road into the raw frontier of South Carolina Believing he would build a new and prosperous life he settled at Goshen Hill between the Tyger and Enoree Rivers within the lawless backcountry of South Carolina Fighting the dangers and hardships of the frontier and the recurring restlessness to return to France John and his family carved out a simple life Although disappointed at times within the walls of his log home the enduring love and warmth of his wife and six

children transcended adversity and hardships of the outside world The heartwarming story is filled with humanity as John faced his inevitable destiny The first novel in the trilogy closes with Dr Burel s widow standing helplessly in her front yard watching the wagon train take her spirited children and grandchildren west in search of richer land and prosperity It was d j vu

Red Hills and Cotton Ben Robertson,2021-03-29 Red Hills and Cotton is suffused with Ben Robertson s deep affection for his native Upcountry South Carolina An internationally known and respected journalist Robertson had a knack for finding the interesting and exotic in seemingly humble or ordinary folk and a keen eye for human interest stories His power of description and disarmingly straightforward narrative were the hallmarks of his writing A loyal Southern son Robertson cherished what he judged to be the South s best traditions personal independence and responsibility the rejection of crass materialism a deep piety and a love of freedom He repeatedly lamented the region s many shortcomings poverty racial hierarchy political impotence lack of intellectual curiosity and its tendency to blame all of its twentieth century problems on the defeat of the Confederacy An informative and entertaining new introduction by Lacy K Ford Jr associate professor of history at the University of South Carolina provides fascinating new facts about Robertson s life and recasts his achievements in Red Hills and Cotton as social commentary Ford captures the essence of Robertson s restless and questioning but unfailingly Southern spirit

How I Survived to Live the Good Life Raynell Finn,2019-06-04 There is no sugarcoating the truth and neither does she sugarcoat the love Raynell delivers both love and truth as she shares her story of survival From life on The Hill and finding what she believed to be TRUE love to running for her life to the city of Minneapolis where she eventually encountered PURE love She reminds us every step of the way to always put our trust in the word of God Her vulnerability in her truth allows us to see that we are not alone out here We don t have to condemn ourselves for following our hearts But we must trust God through the choices we make If we keep Him at the forefront He will will always bless us and always be there Raynell desires all women to walk in their truth and understand their value This peek into her life shows us all that just because things happen to you they don t define who God has created you to be And she has shown us in this story over and over we are all more than conquerors through Him that loved us

Encounters from the Life of a Foreign Missionary James H Gage Sr, 2017-04-28 Encounters from the Life of a Foreign Missionary Would I take a bullet for Christ Was I willing to lay my life down for my beliefs Those were questions to be answered by living most of those years in the politically unstable country of Colombia which has a history of great violence That was fifty years ago when I surrendered to be a missionary to Latin America in 1967 Since then there have been many excerpts and encounters experienced Throughout this book I share many valuable lessons learned I have discovered Gods delightful Providence as he continually guides my life His protection has repeatedly kept me out of harms

way I have experienced his divine intervention while lying on a cold operating table A doctors hand miraculously saved my life by hand pumping my heart I felt Gods protection as he took me out of harms way in Ecuador I followed the leading of the Holy Spirit as he providentially directed me to a small orphaned group of baptized believers in Bolivia He has provided ample provisions protections and promises All of these have been excellent lessons learned Thus I build the bridge and write these pages for those who will follow

Rails Under My Back Jeffery Renard Allen, 2015-10-20 Will put Allen in the company of writers such as James Joyce August Wilson and Ralph Ellison The Philadelphia Inquirer When it was first published fifteen years ago Jeffery Renard Allen s debut novel *Rails Under My Back* earned its author comparisons to some of the giants of twentieth century modernism The publication of Allen s equally ambitious second novel *Song of the Shank* cemented those lofty claims Now the book that established his reputation is being restored to print in its first Graywolf Press edition Together the two novels stand as significant achievements of twenty first century literature *Rails Under My Back* is an epic that tracks the interwoven lives of two brothers Lucius and John Jones who are married to two sisters Gracie and Sheila McShan For them their parents and their children life is always full of departures someone is always fleeing town and leaving the remaining family to suffer the often dramatic sometimes tragic consequences The multiple effects of the comings and goings are devastating These are the almost mythic expression of the African American experience in the half century that followed the Second World War The story ranges as the characters do from the city which is somewhat like both New York and Chicago to Memphis to the West and to many inner and outer locales *Rails Under My Back* is a multifaceted brilliantly colored intensely musical novel that pulses with urgency and originality

The Odyssey of Danny Helm Hill DeMent, 2007-02-19 Danny Helm was thirteen in the eighteen fifties His mother died His brother John mistreated him which was overlooked and called him Miss Puss Danny did the house work John took the balloon payment for the hillside farm in the Ozark Mountains and went to California and bought a goldmine After a few years his father headed for California The neighbor lady who had home schooled Danny and whose husband had died accompanied them Danny was abandoned on a ranch in New Mexico where the owners had been murdered Some wounded troopers took refuge in the barn Danny removed bullets from them The Commanding officer of Fort Summer asked Danny to field test a repeating rifle Danny operated on some Tesuque Indians and was made a Tesuque He met Becky Summer She fell in love with him He went back east to buy a donkey to start raising mules He was wounded by Abolitionist and treated in Fort Larned Becky went to bring him home and he confessed he loved her She planned their wedding John said that their father had been killed in a mine cave in Danny and Becky went to California on their honeymoon to give his father a proper burial They found his paralyzed father tended to by a Russian They hit the mother lode and became rich They returned to the ranch Danny was conscripted by the Pike Peakars as a surgeon He was captured by the Southern Army at the battle of Glorieta Pass He was left to die When he was found he had lost his memory He was summoned to Washington by President Lincoln to receive the Medal of Honor and the Presidential

Medal Becky took him to his old house and he recovered his memory They went back home *The Texas civil appeals reports* ,1909 **Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies**

Appropriations for Fiscal Year 1994 United States. Congress. Senate. Committee on Appropriations. Subcommittee on Commerce, Justice, State, the Judiciary, and Related Agencies,1993 Ben Robertson Jodie Peeler,2019-10-30 In Ben Robertson South Carolina Journalist and Author Jodie Peeler tells the story of a man consumed with a need to see the world but whose heart never really left home Drawing heavily on Robertson s writings and personal papers Peeler describes his active career as a journalist which took him to Hawaii Australia Europe Java New York and Washington D C The early years of Robertson s career were spent as a reporter for the New York Herald Tribune After several years as a freelance writer he became a World War II correspondent covering England for the New York newspaper PM While Robertson s wartime dispatches drew attention and praise they represented but one aspect of the man s wide ranging works and career for the Ben Robertson who witnessed destruction and heroism in the fires of London was also a proud son of South Carolina In addition to his work as a journalist Robertson wrote three books *Travelers Rest* a fictionalized account of his ancestors settling in South Carolina ruffled southern feathers In *I Saw England* he presents a firsthand account of the Battle of Britain and advocates for the United States to intervene in World War II His heartfelt memoir *Red Hills and Cotton* which recalls his boyhood days in Pickens County and calls for the South to look to the future became a southern classic In 1943 while en route to his new job as London bureau chief for the New York Herald Tribune Robertson lost his life in a plane crash Throughout his decidedly brief but adventurous life Robertson never stopped being what one friend described as a sentimental South Carolinian who carried his dreams on the tip of his tongue And over time he evolved into a progressive voice calling on the South to reevaluate its attitudes on race and economics This is the story of that proud South Carolinian from the dreams that propelled him around the world to the sentiment that always called him home The American Home Missionary ,1913 *From the Cradle to the Crypt* Barbara Moody-Hamilton,2010-04
