Talk Me from the Ledge DeEtta Miller, 2010-07-30 Most of us have met a survivor of abuse at some point in our lives Whether they were a stranger neighbor co worker or even someone we love we are everywhere We hide our fading bruises from the world and often times even defend our attackers actions It s not that we are weak and the question why don t they just leave can only be answered by the individual victim The answers are usually very complicated and personal My secret world of abuse was harsh lonely and humiliating I was afraid of the ramifications connected to telling all Would I be believed Will it even matter to anyone if they knew I would have been severely punished by the abuser I exposed That was my greatest fear Six months after the sudden death of my mother I broke the silence of my past In the late hours of another sleepless night the dynamics of abuse in the 1950 s and 1960 s is recalled and chronicled With pen in hand coffee cup at my side memories and tears poured on to paper By dawn the door was opened Few were allowed to enter my childhood home We wanted no witnesses I was a good liar and could hide the truth from everyone Not anymore I believe the courage to tell these stories came from a love that resonates even after death With that love and a desire to offer a glimpse into the life of a survivor I am opening the door to my childhood and inviting you to come into my secret world and be my witness

Tikim: Essays on Philippine Food and Culture Doreen

G. Fernandez, 2019-10-07 *Tikim Essays on Philippine Food and Culture* by Doreen G Fernandez is a groundbreaking work that introduces readers to the wondrous history of Filipino foodways. First published by Anvil in 1994, *Tikim* explores the local and global nuances of Philippine cuisine through its people, places, feasts, and flavors. Doreen Gamboa Fernandez, 1934-2002, was a cultural historian, professor, author, and columnist. Her food writing educated and inspired generations of chefs and food enthusiasts in the Philippines and throughout the world. This Brill volume honors and preserves Fernandez's legacy with a reprinting of *Tikim*, a foreword by chef and educator Aileen Suzara, and an editor's preface by historian Catherine Ceniza Choy.

The Italian Way by Douglas Harper and Patrizia Faccioli, 2010-01-15. Outside of Italy, the country's culture and its food appear to be essentially synonymous. And indeed, as *The Italian Way* makes clear, preparing, cooking, and eating food play a central role in the daily activities of Italians from all walks of life. In this beautifully illustrated book, Douglas Harper and Patrizia Faccioli present a fascinating and colorful look at the Italian table. *The Italian Way* focuses on two dozen families in the city of Bologna, elegantly weaving together Harper's outsider perspective with Faccioli's intimate knowledge of the local customs. The authors interview and observe these families as they go shopping for ingredients, cook together, and argue over who has to wash the dishes. Throughout, the authors elucidate the guiding principle of the Italian table: a delicate balance between the structure of tradition and the joy of improvisation. With its bite-sized history of food in Italy, including the five hundred-year-old story of the country's cookbooks and Harper's mouth-watering photographs, *The Italian Way* is a rich, repast, insightful, informative, and inviting.

The Shared-Meal Revolution by Carol Archambeault, 2013-11-14. Does your current mealtime routine consist of eating on the run, picking up fast food at the drive-through, or grabbing food cafeteria style? Do the members of your household dash away from the kitchen each night and gobble a microwave meal alone in their rooms? Are you too overwhelmed at the end of your day to make a meal with your family or loved ones? Happen! *The Shared Meal Revolution: How to Reclaim Balance and Connection in a Fragmented World through Sharing Meals with Family and Friends* by popular blogger and writer Carol Archambeault offers the help we need. The book takes the reader through the steps of understanding, planning, implementing, and sustaining a shared meal practice. It contains valuable research about the many benefits of sharing meals, helpful resources, and easy-to-use post-chapter exercises allowing readers to develop a shared meal plan to fit their lives. In this eye-opening examination of a vital yet neglected American ritual, Archambeault proposes that when we abandon the shared meal experience, we starve ourselves of the connection that is as necessary to our survival as the actual food we eat. Through Archambeault's collection of research on the many developmental benefits sharing meals affects—social, psychological, physical, cultural, spiritual, academic, and creative—and her relatable personal experiences, readers are provided with the tools they need to create their own shared meal plan. We are desperate to feel closeness with our children, spouses, family, and friends, and would welcome a strategy that will help us address a host of distractions that deter us from gathering together for a meal. *The Shared Meal Revolution* explains how we can help reverse the forces of modern

culture that promote alienation and rebuild meaningful connection through sharing meals The book is for everyone parents families couples and single people to learn how to reclaim mealtimes leading to a more joyful and balanced life **Baking as Biography** Diane Tye, 2010-08-10 A daughter's exploration of her mother's life as revealed through her baking [A Farm Girl's Scattered Memories of the Way We Were](#) Anna Harris, 2023-05-03 About the Book One day Anna Harris was remembering growing up on a farm in Leavenworth KS As she thought about that she began to write the memories of things that had happened during her life She thought it would be fun to share her memories with her community She began writing a new story each week for her local newspaper She had so many folks telling her as each story was written how much they enjoyed it Then they started encouraging her to write a book As the memories continued to flood her mind and folks told her how much they enjoyed her stories she decided why not She began gathering the memories she had shared and adding more as they continued to come to her Some of them were FUN stories and some were fond memories of family and friends that were around her family as she grew up Memories of her family members and all they did on the farm flooded back to her Each story reminded her of another one The pages grew and grew She wishes her mom and dad had lived to be able to read the book She can almost hear her dad saying So Tut Tut you think you are a writer now He would have been so proud Her mom would have been even more She can hear her saying Anna Marie or That's My Anna She is so glad that Mom and Dad adopted her at birth She was wanted and loved just as if she were their own blood She would like to thank everyone who has encouraged her to do this She would also encourage you to write your own story Even if it is just for your memories and your family We go through life so fast these days We need to slow down and enjoy each other and the happenings in our lives Not only MAKE the memories but also KEEP the memories Farm Livin Was the Life for Her **The Maiden, Mother, Matriarch** Conrad Riker, Why Modern Women Are Miserable And How to Fix It Before It's Too Late Are you tired of watching women trade motherhood for burnout loneliness and regret Why do girls raised on girlboss slogans end up anxious childless and hating men What if the secret to female happiness lies in rejecting feminism not embracing it Expose the lie that empowerment means avoiding marriage and babies Reverse the damage of woke ideologies hijacking women's biological purpose Learn how traditional roles boost fertility family bonds and societal stability Discover why men secretly crave and reward feminine virtue not corporate drones Unlock forgotten wisdom for raising daughters who value motherhood over hashtags Defend against feminist brainwashing in schools media and government Restore Christian values as the antidote to OnlyFans degeneracy Reclaim the lost art of homemaking as rebellion against a dying culture If you want to save women from themselves protect your sons from gynocratic tyranny and rebuild a civilization worth passing on buy this book today
