## Our Nations History:

*Our Nations and Nationalisms* Owen Dudley Edwards, 2022-06-30 Nationalism is an increasingly unpopular word Few would apply the label of nationalist to themselves and fewer still to any part of our history before the 1700s But then where does it come from And what does it mean for us today With one eye on the present as he unpicks the past Owen Dudley Edwards finds nationalism to be older than recorded history and broader than modern geography *Our Nations and Nationalisms* traces the phenomena back as far as the Old Testament and the works of Homer and Virgil through the attempts of Shakespeare and James VI it is incumbent upon each of us to find ways to use this fact in the interests of humanity and not a single nation **The History of the Five Indian Nations of Canada** Cadwallader Colden, 2018-09-20
