Our Century:

Our Century Jan Tuckwood, 2000 Tall tales and a short history In Palm Beach County and the Treasure Coast most of the recorded history occurs in one century 1900 to 2000 Before the late 1800s only Indians and soldiers roamed the hostile wilderness south of Sebastian Inlet The U S Census of 1830 recorded just 517 people in all of South Florida and the map makers showed Lake Okeechobee as a tiny dot Nobody dared go down into that beast filled swamp to check it out But slowly the civilized world made its way to this wonderland The Jupiter Lighthouse began beaming in 1860 15 years after Florida became the 27th state in the union By 1876 the U S government had built nine houses of refuge for mariners including Gilbert's Bar on Hutchinson Island and Orange Grove in Delray Beach Gilbert's Bar is still standing the oldest building in Martin County What lured the pioneers here Why did they spend harrowing days and nights sailing and poling through narrows and swamps to get to this insect infested jungle Simple True grit and true beauty As Captain Bravo who sailed a steamer from Sebastian to Jupiter in the late 1880s would tell visitors See Lake Worth and die happy YVhen Henry Flagler arrived in 1893 he called the Lake Worth region a veritable paradise And then he had a vision He would bring his railroad all the way down to Miami even as far as Key West And he would turn Palm Beach into the most hifalutin resort in the world The Standard Oil tycoon launched the 20th century in the Treasure Coast and Palm Beach County But he was not the most important person of the century That title goes to the millions of men and women great and small who developed a frontier into a place so desirable that today's greatest problem is what to do with all the people Our Century honors them and highlights major events of the past 100 years Dust jacket flap *30 Great Stories for Our Century* Adam Pfeffer, 2012-03-30 Here are thirty stories that will keep the pages turning Everything from a person who has the sexual organs of both genders to someone who wakes up in the grave after having been declared dead can be found The stories are an enjoyable and varied compilation that includes humor satire and deadly serious exploration of human nature Some of the stories have appeared elsewhere but not in this format A well written collection of short stories like chimes on a summer's day or that first cup of coffee in the morning writes one esteemed book reviewer You won't want to put it down says another respected book reviewer A charming study of human society very entertaining a reviewer wrote You might as well see for yourself what all the fuss is about You won't be disappointed promises a well respected book reviewer **Who Is the Greatest Evangelist of Our Century?** Luciano Anacleto, 2003-06 *Schumpeter for Our Century* Horst Hanusch, 2010 *Our World This Century* Derek Benjamin Heater, Derek Heater, 1987-04-23 *Our World This Century* covers events up to 1995 in a simple and direct text illustrated with cartoons photographs charts and diagrams which aid understanding *Siyavush of Our Century* Mammad Amin Rasulzadeh, 2018-04-05 *Siyavush of Our Century* was written by political visionary Mammad Amin Rasulzadeh 1884-1955 who headed the Musavat Party and helped set up the Azerbaijan parliamentary democratic republic in 1918 the first such republic of Turks and Muslims in the eastern world The turmoil of the times however proved too much for

Rasulzadeh's young government On April 25 1920 Bolshevik troops crossed into Azerbaijan and entered Baku on April 28 They demanded the resignation of Azerbaijan's Parliament and set up their own government The fledgling democracy in only its 23rd month collapsed immediately Azerbaijan remained under communist rule until the collapse of the Soviet Union in 1991 Siyavush of Our Century is a unique work of politics history philosophy literature founded upon the ancient myths and legends of the Turkic peoples It was written in July 1920 and first published in Istanbul in 1925 It is widely recognised as a classic by the people of Azerbaijan *People of the Century* CBS News,1999 The one hundred most influential people of the twentieth century as selected by the editors of Time magazine and featured in a series of documentaries produced by CBS
