Our Fathers Reflections By Sons:

Our Fathers Steven L. Shepherd, 2002-07-26 No one questions that men are profoundly influenced by their fathers but the shape and substance of that influence varies with each family In this the first anthology of nonfiction prose to explore this issue in depth editor Steven Shepherd has collected a diverse and invariably compelling group of narratives about sons and their fathers Fourteen excellent essays by some of our best writers says Anne Morris of the Austin American Statesman Among the contributors James Baldwin who reflects in his classic Notes of a Native Son on the father he barely knew partly because we shared in our different fashions the vice of stubborn pride The brothers Geoffrey and Tobias Wolff who write of their father from dramatically different perspectives A second generation undertaker Thomas Lynch who writes lovingly of burying his father And the acclaimed scholar of African American culture Henry Louis Gates Jr who grew up with a father who was not a race man yet their arguments were vital to the son s education Reflection of the Son Todd

Coburn, 2016-03-02 This book examines a simple fact of nature the way the moon reflects the sun s light to a darkened world and draws some staggering insights into the way a Christian is to reflect Jesus Christ to a fallen world Its chapters are named with simple mnemonic titles to lead readers through foundational principles in a clear and compelling way that can help Christians remain focused on productive steps toward spiritual maturity In the process this book reveals some deep spiritual truths and presents them in a way that a child can understand **Meditations on the Life and Mysteries of Our Lord and Saviour Jesus Christ**, 1875 **Impact of a Father's Reflection** Frank L. Day, 2010-03 Frank L Day married

and father of 6 children and one of 6 children shares his story of how God reflected Himself through the fathers divinely involved in his life to demonstrate and introduce him to the goodness of God He includes personal stories about his life and that of his brother sisters and children threaded together by the patriarchs of the family The basic outline of the book is around the mnemonic F A T H E R how God is Faithful Atonement Teacher Helper Encourager and Rewarder Frank further tells how God introduced Spiritual Fathers to take him to the next level of maturity and fullness of life when he was unable to get there and needed additional help Frank is a professional in business of over 25 years in C level positions in public and private companies small and large He professes that his faith in Jesus Christ and exposure to God s goodness lead him in his daily life choices and business choices His professional background has included leading business turnarounds that have called upon every ounce of spiritual insight available to him by God s Holy Spirit He is currently putting the finishing touches on Values in Leadership a book that demonstrates the representative character of God s Spirit in business life and how those without the values in God s Spirit create a Crisis of Confidence due to a life absent HIS values Frank s third book will be Twelve Eyes in the Man of God **Living in The Shadow of Our Fathers** Russ McCormack Psy.D., 2018-03-13 A nonfiction piece about the experience of shame turned toxic and its impact on the psychological and spiritual fate of mankind This ten chapter effort intertwines the literary substance of the book with a workbook component designed to get the reader to move

beyond a simple mental and intellectual endeavor and move toward an exercise of personal integration with the material. The experience of shame is universal a human experience but an experience that has the potential to turn toxic. Toxic shame can wreak havoc on the psychological development and well being of the individual. But this author also purports that toxic shame can equally disrupt and damage the spiritual nature of the human experience. When Demons Rush In is a two pronged approach both psychological and spiritual to understanding what this author believes is a devastating reality besieging the individual of our day. Specifically looking at the father son relationship the author focuses on this masculine relationship his own relationship with his father in a way to bring awareness and credibility to the author's insights into what plagues the fathers the sons and the men of our present day societies. By focusing on shame turned toxic its roots its causes its consequences the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind. With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized. As a first time author I have selected a subject to write about that reflects both my professional and personal experiences. My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities.

When you consider the aspects of Christianity that differentiate it from other religions one of its most distinguishing characteristics is certainly the notion of a triune God This concept has been the bedrock of Christian orthodoxy for almost two millennia and even today remains the standard by which everything claiming to be Christian is measured Indeed in many respects the Trinity has actually become Christianity's defining doctrine In addition to its singular importance though the Trinity is also one of the most enigmatic doctrines of the Christian faith For even though most believers are aware of the Trinity they would probably be hard pressed to explain it without slipping into heresy themselves They know it has something to do with Father Son and Holy Spirit and that the three are somehow one but that's about the extent of it That being said perhaps the most perplexing thing about this doctrine is that neither the word Trinity nor its central premise of one God in three persons can be found in Scripture This comes as a shock to most Christians who tacitly assume that something as essential as the Trinity must be on virtually every page of the Bible In reality though the Trinity gradually took shape during the 300 years after the close of the New Testament a synthesis of Christian doctrine and concepts borrowed from Greek philosophical and religious systems If you've ever had to wrestle with the ideas of Plato and Aristotle you can start to appreciate why the Trinity is so hard to grasp So in light of all this why are we still talking about this doctrine after almost 2 000 years It's not in the Bible most Christians can't comprehend it and yet it is deemed to be the litmus test of orthodoxy Granted the Trinity has been used many times over the years to vanquish some of the most serious threats that the church has faced still when you look at the history of this doctrine it sure feels like the early church fell into the very trap that Paul had warned them about In his letter to the Colossians he admonished the church to steer clear of empty philosophies and high sounding nonsense yet here we are Fortunately there is a better answer to the riddle of Father Son and Holy Spirit We simply need to allow Scripture to speak for itself rather than listening to it through its would be interpreter the Trinity This is not an easy task to be sure since we have been so indoctrinated with the Trinity that it is hard to see anything else when we open the pages of the Bible Nevertheless when we set God's tripartite designation in the context of the Kingdom of God and the Bible's overarching story of redemption the truth of this phrase starts to emerge The trick of course is doing that without also slipping into heresy which is exactly what *Testing the Trinity* strives to accomplish *The Jesus of Our Fathers* John

Walter Good,1923 *The Father's Son* James T. O'Connor,2001-12-27 Drawing from the living font of divine Revelation the author of *The Father's Son* intends to clearly present the timeless truths about the God Man Jesus of Nazareth truths as they are given to us in scripture and tradition and interpreted by the Church *The Father's Son* will be of value not only to seminarians and college students but to anyone else interested in learning more about Jesus Christ the Son of God true God and true man **Our Father** Jonathan D. Oracles of Christ Daniel F. Owsley,2012-04-24 In this Apmplified edition of the Sibylline Oracles of Christ readers shall be more than amazed at the inspired words of the ancient Greeks Nor should Christians be too shocked to discover that the author of the following text has prophesied many of the same happenings as the Bible prophets have And in the mouth of several witnesses this literature is absolutely magnificent For it is written 1 And it shall come to pass in the last days that God shall speak with a mighty voice To all rude people of an empty mind who do not bow down unto His son 2 And judgement from the mighty God shall swiftly come Upon them and they all shall be destroyed By his immortal arm 3 And fiery swords Shall fall front heaven on earth and great bright lights Shall come down flaming in the midst of men And in those days shall earth all mother reel By his immortal arm and shoals of fish In the deep sea and all wild beasts of earth And countless tribes of winged fowl and all The souls of men and every sea shall tremble Before the face of the Immortal One 4 And there shall be great dismay High mountain peaks And monstrous hills shall he asunder break And to all shall dark appear 5 And misty gorges in the lofty hills shall be full of the dead and rocks shall stream With blood and every torrent fill the plain 6 And well built walls of evil minded men Shall all fall to the earth since they knew not The law nor judgement of the mighty God But with a senseless soul all hurried on Against the temple and raised up their spears 7 And God shall judge all by war and by sword And by fire and by overwhelming storm And brimstone there shall be from heaven and stones And great and grievous hail and death shall come Upon the awful winds of our Lord's greatest curses for all evil ones to know 8 And then shall they Know God the Immortal who performs these things And wailing and upon the boundless earth Shall be at once a shout of perishing men And all the unholy shall be bathed in blood 9 And earth herself shall also drink the blood Of the perishing and beasts be gorged with flesh 10 And all these things the great eternal God Himself bade me proclaim And that shall not Be unaccomplished or be unfulfilled Whatever only in my heart he put For truthful is God's spirit 11 But children of the mighty God shall all Again around the temple live in peace Rejoicing in those things which he shall give Who is Creator righteous Judge and King For he himself great present far and wide Shall be a shelter as on all sides round A wall of flaming fire And

they shall be In cities and in country without war 12 For not the hand of evil war but rather The Immortal shall himself be their defender And the hand of the Holy One And then shall all The islands and the cities tell how much The immortal God loves those men 13 For all things Help them in conflict and deliver them Heaven and divinely fashioned sun and moon And in those days before those blessings shall earth all mother reel Sweet word shall they send from their mouths in hymns Come falling on the earth let us all pray The immortal King and great eternal God 14 To the temple let its in procession go Since he alone is Lord and let us all Meditate on the law of God most high Which is most righteous of all laws on earth And as an additional treat to really bless people s souls also included within this fantastic offering is two books of some forbidden knowledge of good and evil that s straight from the desk of James the Righteous dicovered recently at the Dead Sea as scrolls 478 and 479 of the Essene sacred texts The Lost Gospel of Simon Peter Daniel F. Owsley,2012-03-26 Dare to explore the long lost gospel of Simon Peter the rock which was more highly esteemed by early Christians than a couple of the other Biblical gospels according to some theologians And it s also a fact that this holy gospel gives some fantastic insights into the good news that the others do not Therefore it s a very wise move for any follower of our Lord of Evermore to become enlightened to this historical piece that s printed with utter magnificence And as an extra special bonus the gospel of James the Righteous is also included herein so believers can be twice as blessed with a double dose of holiness that exalts Jesus Christ Almighty in a truly extraordinary way So buckle on up and prepare your serching hearts to go on a speechless journey into the incredible For these are some awesomel literary guides to our Lord s overflowing greatness which has made Him alone into earth s central figure all throughout the ages Neither is there any lover of our Hero of Heroes that could ever read this most amazing offering and be able to deny the incredible impact that these gospels should have on the church Neither could any hardened hearts ever possibly remain in that awful condition if their owners choose to be open minded enough to expose themselves to the marvelous kind of little known amazements that are included herein tis therefore the great day at last for some fantastic old literature to make a badly needed comeback And it s also the long awaited day of great expectations to be made manifest for anyone who craves such blessings to overcome their ever needful souls And it s with the greatest delight that such classics are now finally being amplified anew May they resound therefore all throughout the heavens May they also echo all throughout the low roads the high roads and every other pathway under our most attentive Father of Lights Then the faithful few of our Icon of Icons my boldly say with a very cheerful smile that the great time has finally come forth when many lost souls may be kept off of the wide road that leads towards destruction For it is a great truth indeed that the anointed word of God flows like some great and mighty rivers of heavenly instruction as the following pages are lovingly turned For this is the blessed hour for every adopted son of God to exalt our Lion of Judah and a very happy time for them to extol and magnify the gift of salvation which that Son of Holiness so freely offers unto every hungry soul who desires the kind of spiritual food that can never be found in any other books aside from these and the rest of the New

Testament So be ready now to be blessed in a very special way that could never even be contained in a gigantic package of thankfulness And be ready to rejoice as well For our Eternal Redemption the Living Word of God has fully authorized His disciples Peter and James to disclose some extremely remarkable things that s been mute for much too long Selah **CTL Director's Supplement 2009 , An Infinite God and a Father-Son God** Kenan Osborne,2019-05-29 In this last work Kenan Osborne addresses the intersection between new scientific insights into the origin of the human species and the growing awareness of a multicultural and multi religious world with our contemporary understanding of God After a review of current presentations of Trinitarian theology he analyzes in detail the biblical record for the names of God and develops a cogent description of the thinking about God in the first six centuries Complementing his 2015 volume *The Infinity of God and A Finite World A Franciscan Approach* this present work challenges theologians and believers in two distinct ways Do the terms Father and Son have any essential meaning for divinity From a human standpoint God is essentially neither a Father nor a Son Nor do these two words have some exclusive meaning when they refer to divinity What then do we mean when we talk about God Second in many theological textbooks the term infinite is considered as an attribute of God Infinity is in no way an attribute even a divine attribute It is rather an essential description of God as the Franciscan philosophical theologian John Duns Scotus argues And if this is so can we really understand God or are all our views and descriptions of an infinite God partial insights into a transcendent infinite God who embraces all human creatures from the beginning of homo sapiens sapiens to the present Daily Prayer 2011 Sara McGinnis Lee,2010-07-07 **Perspectives on Our Father Abraham** Steven A.
