## **Our Fathers Shadows:**

Living in The Shadow of Our Fathers Russ McCormack Psy.D.,2018-03-13 A nonfiction piece about the experience of shame turned toxic and its impact on the psychological and spiritual fate of mankind This ten chapter effort intertwines the literary substance of the book with a workbook component designed to get the reader to move beyond a simple mental and intellectual endeavor and move toward an exercise of personal integration with the material The experience of shame is universal a human experience but an experience that has the potential to turn toxic Toxic shame can wreak havoc on the psychological development and well being of the individual But this author also purports that toxic shame can equally disrupt and damage the spiritual nature of the human experience When Demons Rush In is a two pronged approach both psychological and spiritual to understanding what this author believes is a devastating reality besieging the individual of our day Specifically looking at the father son relationship the author focuses on this masculine relationship his own relationship with his father in a way to bring awareness and credibility to the author s insights into what plagues the fathers the sons and the men of our present day societies By focusing on shame turned toxic its roots its causes its consequences the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized As a first time author I have selected a subject to write about that reflects both my professional and personal experiences My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities

**A Life Outside My Father's Shadow** Fritz E. Schwalm,2024-06-17 In 1936 the year Fritz Schwalm was born Adolph Hitler had high approval ratings Fritz s parents supported the national socialist state and his father was an SS officer employed in the Race and Settlement Office Rasse and Siedlungs Hauptamt RuSHA The office became the focus of a military tribunal of the Nuremberg trials and his father was sentenced to ten years in prison Decades later after his father s death Fritz discovered his diaries penned during the first four years in captivity that included the trial In a fascinating memoir Fritz begins by sharing his father s journals that detail his thoughts about Germany s successes and failures under the Hitler regime beginning with his internment in a camp near Hamburg Neuengamme In the following section Fritz chronicles his own life growing up under the Nazi regime After revealing how the defeat of Germany in 1945 and its consequences confronted him with traditional political and social norms he leads others through the events of his subsequent life rich in adventures and free choices stark contrasts of what his life would have been in a society governed by rigid social norms and ideological biases A Life Outside My Father s Shadow shares the contrasting perspectives and views of a German SS officer father and his son as the events of a brutal war transformed the world

**In My Father's Shadow** Chris Welles Feder,2009-11-02 Out of all the many stars and celebrities Hollywood has produced only a handful have achieved the fame and some would say infamy of Orson Welles the creator and

star of what is arguably the greatest American film Citizen Kane Many books have been written about him detailing his achievements as an artist as well his foibles as a human being None of them however has gotten so close to the real man as does Chris Welles Feder's beautifully realized portrait of her father In *My Father's Shadow* is a classic story of a life lived in the public eye told with affection and the wide eyed wonder of a daughter who never stopped believing that someday she would truly know and understand her elusive and larger than life father The result is a moving and insightful look at life in the shadow of a legendary figure and an immensely entertaining story of growing up in the unreal reality of Hollywood enhanced by Welles Feder's collection of many never before seen family photographs *My Father's Shadow* Sam

Mahon, 2012-10-01 An intimate portrait of Justice Peter Mahon who headed the Erebus plane crash inquiry written by his son Described often as a man for all seasons Justice Peter Mahon is perhaps best remembered for his role in the Erebus Inquiry an inquiry into the worst air disaster in New Zealand's history In *My Father's Shadow* his eldest son artist Sam Mahon draws a composite portrait of Peter a rational moral astute and complex character but a father whom the author hardly knew In poignant lyrical prose an expansive story emerges operatic in scope of Peter Mahon's life through his war years and the Senio offensive his distinguished legal career to the insult keenly felt he a proud man when the Court of Appeal questioned his immortal line an orchestrated litany of lies as soldier lawyer judge naturalist father colleague husband He was at the time of his death one of the ten most admired New Zealanders Artfully woven throughout the memoir exposes the dynamic and the ongoing legacy between these two strong personalities the rebellious artist in the making and his tolerant distant and revered father Written with a spirited clarity startling honesty and humour *My Father's Shadow* is a captivating and extraordinary New Zealand story *My Father's Shadow* P. M. Smith, 2019-03-19 Vanessa Collins has known her life's

destiny since she was a child Now as an adult Vanessa is on the verge of fulfilling the very purpose for which she was created Before she can carry out this purpose God creates events that cause her to deal with her deceased father's ideologies her older brother's huge sense of entitlement and the biggest test of all facing her own faults and insecurities *Shadow of the Father* Kyell Gold, 2010-01-22 When a stranger arrives with a message that the Lord of Dewanne has died and appointed Volle's son Yilon his heir the young fox realizes that there are worse places than Divalia Dewanne is one of the most remote cities in Tephos in a mountainous province where foxes rule and mice are relegated to menial jobs and a slum outside the main city Which makes it more difficult for Yilon to explain why his companion Sinch is a mouse Ever the schemer Yilon hatches a plan to get sent home to Vinton His plan quickly goes awry as he finds that even in a backwards town there are complicated politics family betrayals and ancient blood feuds old wounds that his clumsy acts have reopened With two different groups trying to kill him and even the foxes on his side alienated by his attitude he has nowhere to turn but Sinch But Sinch has run afoul of a band of thieves in the mouse slums and now has his own death threats to deal with not to mention the hatred of a city of foxes Yilon will need all the stubbornness and cleverness he's inherited from his father just to

survive to the next sunrise let alone save his inheritance his friend and his new city Back cover

**Fathering Shadows**  
 Thulani 'Yeyeye' Gumede, 2020-02-10 Thulani has an artistry approaching a subject like a cameraman shooting from different angles In response to his own fatherlessness and the fatherlessness engulfing nations the author in his wise writing has taken it upon himself to be the father he never had But more than that to be a father and a voice of hope in the dungeon of life This book **Fathering Shadows** is a wide net cast out to bring family peace and unity While addressing many intricate aspects of fatherhood the author skillfully unravels affirmation of sons and daughters and unleashes wisdom about navigating through life s crossroads the essence of education conquering battles of the workplace and moreover the understanding of absent fathers This is an indirect approach to fatherlessness with a target clearly marked And of course the author hits it so well A must read In this book I have shared each and every chapter as an invitation to get male voices to speak encourage and affirm If this book manages to get one man to be aware of his environment at home and to be fully present and to go beyond that to look for opportunities to speak words of life to the fatherless beyond his yard I will have succeeded as an author It would mean one less shadow and one more father restored Thulani Yeyeye Gumede

**Behind My Shadow** Jamel Gross, 2010-05 This book is one of my greatest accomplishments ever Though I have been writing for years this will be my first book published so it means that much more to me Life has fascinating plots to take you on a ride of your life Some rides send you on a heavenly high others not so desirable These phases of life have captivated my thoughts and caused the biggest inspiration behind this book Every experience I ve encountered thus far in my life had some kind of effect on me Big or small it really does not matter because all experiences are meaningful that s why they are called experiences The sole purpose of this book is to share my experiences and thoughts with the world I want my words to touch teach and inspire all but if it could just reach one person that would make my world such a better place This book may be of poetry and it may not be for everyone but I strongly believe everyone could gain something out of reading it and that something goes deeper than just poetry I think of this book as an answer within its own question You just have to read it to find your answer

The Body as Shadow Eleanor Limmer, 2014-04 The Body is very often the personification of this shadow of the ego Sometimes it forms the skeleton in the cupboard wrote Carl Jung and everybody naturally wants to get rid of such a thing Through the symbolism of illness and physical symptoms our bodies reflect the darkness and the light the

shadow holds for us until we are ready to accept it It is the shadow face of our souls that holds the light and the darkness until we are strong enough to face and heal what we have previously denied or rejected about ourselves Our bodies and their ailments are not our enemies and neither are our shadows The shadow reveal the negative ego patterns we had previously rejected or denied through the messages of our illnesses so we can recognize forgive and heal them The shadow is the ally of our true self and the enemy of our negative egos      **The Epitome of Time and Other Stories** Jamie Groccia,2020-06-08

There s no available information at this time Author will provide once information is available      Jacob's Shadow Herbert Anderson,2019-11-07 In Jacob s Shadow Herbert Anderson uses his own story and the biblical story of Jacob to imagine new and more inclusive patterns of masculinity that balance power with vulnerability With a new introduction the book envisions alternatives to persisting expressions of patriarchy and toxic masculinity Each chapter begins with an event from Jacob s life that foreshadows the struggles of men today The topics explored include the following Acknowledging Vulnerability Paying Attention Nurturing Making and Keeping Friends Learning to Grieve Sharing Power In a new era of thinking about gender Anderson invites men to embrace a masculine humanity deepened by their faith in God      The Shadow of the Almighty Ben Witherington,Laura M. Ice,2002-01-08 The Shadow of the Almighty introduces readers to the nature of God by exploring the biblical references to God as Father Son and Holy Spirit This fruitful approach offers fresh insight into the meaning of the biblical language used for God giving readers the background necessary for properly understanding the trinitarian perspective of the New Testament and of the Christian faith Divided into four chapters the book looks at Father language in early Judaism at Father language in early Christianity at Son language and at language designating the Spirit This thorough review of the traditional God language across the biblical texts shows what the earliest Christians understood by using these terms and ultimately what these terms mean for modern faith and practice While much of this material is deceptively familiar the authors close examination of how and where the different terms are used reveals some surprising results It makes clear for example that speaking of God in trinitarian terms was not as radical a departure from early Jewish monotheism as many have thought and it shows that while early Christianity was characterized by disparate ideas the first Christians nevertheless shared a common understanding of God Equally engaging findings of the book include the authors support for the traditional gendered term Father when speaking about God Complete with helpful questions at the end of each chapter The Shadow of the Almighty provides an excellent place to begin a deeper study of God      **Because Our Fathers Lied** Craig

McNamara,2022-05-10 This unforgettable father and son story confronts the legacy of the Vietnam War across two generations an important book that should be read by every American Ron Kovic Vietnam Veteran and author of Born on the Fourth of July Craig McNamara came of age in the political tumult and upheaval of the late 60s While Craig McNamara would grow up to take part in anti war demonstrations his father Robert McNamara served as John F Kennedy s Secretary of Defense and the architect of the Vietnam War This searching and revealing memoir offers an intimate picture of one father

and son at pivotal periods in American history Because Our Fathers Lied is more than a family story it is a story about America Before Robert McNamara joined Kennedy s cabinet he was an executive who helped turn around Ford Motor Company Known for his tremendous competence and professionalism McNamara came to symbolize the best and the brightest Craig his youngest child and only son struggled in his father s shadow When he ultimately fails his draft board physical Craig decides to travel by motorcycle across Central and South America learning more about the art of agriculture and making what he defines as an honest living By the book s conclusion Craig McNamara is farming walnuts in Northern California and coming to terms with his father s legacy Because Our Fathers Lied tells the story of the war from the perspective of a single unforgettable American family
