Our Ground Time Here Will Be Brief New And Selected Poems:

Our Ground Time Here Will Be Brief Maxine Kumin, 1989-05 *Where I Live: New & Selected Poems 1990-2010*

Maxine Kumin, 2010-04-12 *Where I Live* is a collection celebrating the remarkable poetic range of one of America's greatest living poets. *Where I Live* gathers poems from Maxine Kumin's five previous books. The poems take as their concern rural life, family, and poetic legacy, and they wrestle with political and social causes. Also included is a generous selection of twenty-three new poems which expand upon themes that have preoccupied Kumin and bring her record of poetic mastery up to the present. Kumin's rare kinship with the natural world is again seen in this collection. Book Jacket *The Cambridge Guide to Literature in English*

Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors, themes, and history. *Inspiring Literacy* Sam Leaton Sebesta, Kenneth L. Donelson, 1993-01-01 *Rationality Is . . . The Essence of Literary Theory*

Norm Klassen, 2022-05-27 A culturally influential sub-discipline within literary studies, literary theory has developed in parallel form in other arts and social science disciplines so that one might refer to cultural theory or social theory as well, or even just to theory. It's as familiar as the word postmodern and as tricky as deconstruction. What is it about? What is at stake? Theory is about rationality. This book's title invites two different interpretations of what it might mean to say so. For many, the essence of literary theory is the unmasking and redescription of rationality in other terms. Put ironically, rationality is male, rationality is white, rationality is repression. The book's title, however, can also be read in a second way. On this reading, rationality itself is the essence of literary theory and central to literature, art, and society. Certain conceptions of what it entails can be problematic; the critique in the first way of reading the title remains relevant. Yet one can affirm rationality as integral to human flourishing, including the processes of producing, analyzing, and enjoying literature, art, and culture. This book provides readers with a clear overview of theory's development and the abiding presence of its concern with the status of rationality across its forms. *Women as Mythmakers* Estella Lauter, 1984-07-22 impressive work of scholarship. Exceptional Human Experience *Acts of Mind* Richard Jackson, 1984-05-30 There have been any number of books of interviews with contemporary writers, but none precisely like this one.
