*Lost Classroom, Lost Community* Margaret F. Brinig, Nicole Stelle Garnett, 2014-04-11 In the past two decades in the United States more than 1 600 Catholic elementary and secondary schools have closed and more than 4 500 charter schools public schools that are often privately operated and freed from certain regulations have opened many in urban areas With a particular emphasis on Catholic school closures *Lost Classroom Lost Community* examines the implications of these dramatic shifts in the urban educational landscape More than just educational institutions Catholic schools promote the development of social capital the social networks and mutual trust that form the foundation of safe and cohesive communities Drawing on data from the Project on Human Development in Chicago Neighborhoods and crime reports collected at the police beat or census tract level in Chicago Philadelphia and Los Angeles Margaret F Brinig and Nicole Stelle Garnett demonstrate that the loss of Catholic schools triggers disorder crime and an overall decline in community cohesiveness and suggest that new charter schools fail to fill the gaps left behind This book shows that the closing of Catholic schools harms the very communities they were created to bring together and serve and it will have vital implications for both education and policing policy debates ***The Lost Worlds: The Story of Atlantis & The Lost Lemuria (Illustrated)*** William Scott-Elliott, 2015-12-13

J. Washington, 2022-08-01 Sweet Mother of Christ Hallelujah Seems like an avalanche has rolled up to my door The mailbox was stuffed with letters from several different organizations and a couple of catalogs and being a Tuesday there was also a wad of junk mail Remembering the thick manila

envelope I also received from the VFW Veterans of Foreign Wars in mid January with an assortment of gifts a nice tablet size calculator all occasion cards address labels a couple of notepads a calendar even a gift bag My conscience just wouldn't let me rest after receiving all these cool little gifts I just had to send a donation to help with postage and handling I think that's what caused the avalanche of mail that landed at my door Deciding right then to keep a count of all incoming mail I began to write down the names and contents of each envelope thinking it couldn't possibly be too many more after this shipment Boy was I ever wrong I started receiving cards of all kind prayer booklets prayer relics rosaries crucifixes and medals Besides the letters the phone calls started so I started listing them too Within a couple of weeks I had accumulated several pages of organizations requesting help either by phone or postal service And the brain being the peculiar organ that it is my brain anyway it gets restless at times for more activity Firing up the computer I started a real list of all the charitable organizations I hear from daily and decided to make my list an open project
