bodies and harden our hearts to successfully uncover all of life's pleasures that the author believes we are destined to experience. The author often mentions her Christian faith and how believing in God may not be a reality for some but has drawn her own conclusions from the most printed book ever published, The Holy Bible. The Holy Bible speaks of a Savior called Jesus Christ who broke through so many barriers to save mankind. The author feels so deeply about her beliefs. She wanted to capture the essence of the message of the cross on her book cover. The author wanted to express to her readers that like Jesus we all have a cross to bear in life. And whatever struggles you face to bear that cross, you must win and succeed in life. The author's faith in God has helped her conquer a large portion of her challenges and many barriers faced. Faith enabled her present understanding that God is love and love conquers all. If you love yourself and you love others as you do yourself, no matter the size, shape, color, nationality, the majority of life's battles are mostly won. Sometimes we fight against each other because we have no compassion or love for someone who does not look like us or share our same beliefs. Somehow we must strive to get past the outer image, the physical, and look with our hearts spiritually to find that unconditional love that conquers all. The author thinks the world would be a much better place to live if we changed our hearts and our interactions with all people to improve the human race.

Toro Bravo Liz Crain, John Gorham, 2014-04-07. At the heart of Portland's red-hot food scene is Toro Bravo, a Spanish-inspired restaurant whose small plates have attracted a fiercely loyal fan base. But to call Toro Bravo a Spanish restaurant doesn't begin to tell the whole story. For chef John Gorham, each dish reflects a time, a place, a moment. For Gorham, food is more than mere sustenance. The Toro Bravo cookbook is an honest look behind the scenes from Gorham's birth to a teenage mother who struggled with drug addiction to time spent in his grandfather's crab shack dance club to formative visits to Spain to becoming a father and opening a restaurant. Toro Bravo also includes 95 of the restaurant's recipes from simple salads to homemade chorizo along with an array of techniques that will appeal to both the home cook and the most seasoned forearm-burned chef.
