## **River In Winter New And Selected Essays:**

*The River in Winter* Stanley Crawford, 2003-03-05 Crawford's thoughtful and witty essays explore his experiences as a farmer activist and observer in rural New Mexico In his third nonfiction book he writes among other topics about the river which irrigates his land and the animals and plants which touch his life      **The Landscape of Home** Jeff Lee, John Calderazzo, Sue Ellen Campbell, David Waag, 2006 An anthology of some of the most evocative writing focusing on our vast natural heritage along with pieces that address pressing land issues facing the West This collection not only paints a vivid portrait of life in the Rocky Mountains it also presents some of the finest nonfiction writing to be found in America today This is a perfect selection that is bound to sink reader's roots deeper in the landscape of home      The Return of the River A. Kyce Bello, 2010 The Santa Fe River in Santa Fe New Mexico was named Most Endangered River in America in 2007 This richly illustrated collection is a literary response to that designation a work that re stories the river bringing it back to life in the hearts and minds of the Santa Fe community It's no secret that the river a dry wasteland for most of the year is imperiled Less well known is the real story of the Santa Fe River its remarkable history and how it can be saved The Return of the River includes the words of writers and poets historians artists and ecologists who eloquently and passionately celebrate a living river The result is a convergence of landscape community and creativity that recognizes the interdependence of all three In a time when the planet faces unparalleled threats The Return of the River is a testament to the belief that the most damaged places can be healed and that ordinary voices can be the agent of that change The book includes a foreword by David Coss Mayor of Santa Fe at the time of the publication of this book and contributions from Jack Loeffler Valerie Martinez Frances Levine Arthur Sze Luci Tapahonso Miriam Sagan Fernando Garavito Melinda Romero Pike George Johnson David Groenfeldt and twenty four others      Three Plays of Maureen Hunter Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New      **Intimacy** Stanley Crawford, 2016-04 Intimacy is the story of an unnamed narrator ruminating on suicide He reflects on the origins and significance of his material possessions and on the seemingly inconsequential moments in his life while he prepares to carry out his plans In this melancholy novel about a man on the brink of suicide Stanley Crawford allows readers to question what it really means to be close to a person Intimacy follows an unnamed narrator planning his own death His preparations become a trigger and occasion for him to revisit key moments in his life and his material possessions which are the solid artifacts from his life's journey As sparrows in flight might form a single arrow the life of the narrator comes into focus as a collage of fleeting events and images Readers gain insights into tiny moments that slowly build into a picture of a man who seems to have very little aside from material possessions to lose The narrative pulls the reader along a trail of digressions about running shoes about the symbolism of rings that lead down a proverbial rabbit hole until we realize the narrator's intentions Despite our lack of concrete knowledge about the narrator's life he allows us to share his thought processes how every thought leads to the next how memories seep upward when he

picks up a particular T shirt or when he glimpses his car keys And alongside our growing understanding of the narrator comes a recognition of our own thought processes how we like him relate to our bodies how we too cannot break away from the constant motion of our thoughts Intimacy is a brief intense novel charged with the heightened sense of closeness that comes from watching a man s last hours It illuminates how brief snapshots of memory can trace the outline of an entire life

**Go Southwest, Old Man** Mario Materassi,2009 Go Southwest Old Man a sort of personal remake of Go West Young Man the founding episteme of the American nineteenth century conciliates these two souls well not to be pretentious let s simply say two sides that have actually always lived in harmony This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona Colorado Utah and above all New Mexico with a view to penetrating the by now universal legend of the West approaching the cultures English Hispanic and native American and mastering the literature The slant is composite melding the scholarly with the informative and the travel journal and the writing is composite too because the book speaks English and Italian It talks about cinema lots of John Ford and about detective stories the most popular genre here about visual arts and Latino folklore about the legend of the West the so called Soul of the Southwest and the kitsch style of Santa Fe And it talks about and with some of the greatest writers that the Southwest has spawned Rudolfo Anaya Stanley Crawford John Nichols and Hillerman So what we have is a first hand experience of the Southwest where the ego is not entrenched within a precise disciplinary role but opens up and exposes itself to the thrilling risk of the discovery that can renew it

*Unsettled Waters* Eric P. Perramond,2018-11-06 In the American West water adjudication lawsuits are adversarial expensive and lengthy *Unsettled Waters* is the first detailed study of water adjudications in New Mexico The state envisioned adjudication as a straightforward accounting of water rights as private property However adjudication resurfaced tensions and created conflicts among water sovereigns at multiple scales Based on more than ten years of fieldwork this book tells a fascinating story of resistance involving communal water cultures Native rights and cleaved identities clashing experts and unintended outcomes Whether the state can alter adjudications to meet the water demands in the twenty first century will have serious consequences

*Log of the S.S. The Mrs Unguentine* Stanley Crawford,2025-08-12 *Log of the S S The Mrs Unguentine* is a masterpiece of modern domestic life a comic novel of closeness and difficulty miscommunication and stubborn resolve Forty years ago I first linked up with Unguentine and we made love on twin hulled catamarans sails a billow bless the seas So begins the courtship of a certain Unguentine to the woman we know only as Mrs Unguentine the chronicler of their sad fantastical tale For forty years they sail the seas together alone on a giant land covered barge of their own devising They tend their gardens raise a child invent an artificial forest all the while steering clear of civilization Rarely has a book so perfectly registered the secret solitude of marriage how shared loneliness can result in a powerful bond

*Negotiating Water Governance* Emma S. Norman,Christina Cook,2016-03-09 Those who control water hold power Complicating matters water is a flow resource constantly changing states between liquid solid and gas being incorporated

into living and non living things and crossing boundaries of all kinds As a result water governance has much to do with the question of boundaries and scale who is in and who is out of decision making structures Which of the many boundaries that water crosses should be used for decision making related to its governance Recently efforts to understand the relationship between water and political boundaries have come to the fore of water governance debates how and why does water governance fragment across sectors and governmental departments How can we govern shared waters more effectively How do politics and power play out in water governance This book brings together and connects the work of scholars to engage with such questions The introduction of scalar debates into water governance discussions is a significant advancement of both governance studies and scalar theory decision making with respect to water is often implicitly a decision about scale and its related politics When water managers or scholars explore municipal water service delivery systems argue that integrated approaches to salmon stewardship are critical to their survival query the damming of a river to provide power to another region and investigate access to potable water they are deliberating the politics of scale Accessible engaging and informative the volume offers an overview and advancement of both scalar and governance studies while examining practical solutions to the challenges of water governance      **Seed** Stanley Crawford,2015-04 In an age of contested values Stanley Crawford s wry Seed offers a sardonic exploration of the meaning of values Curmudgeon Bill Starr s end of life decisions illuminate the values that rule his life and his heirs as well as the material objects he and they perceive as having value

**Negotiating Territoriality** Allan Charles Dawson,Laura Zanotti,Ismael Vaccaro,2014-07-11 This edited collection disrupts dominant narratives about space states and borders bringing comparative ethnographic and geographic scholarship in conversation with one another to illuminate the varied ways in which space becomes socialized via political economic and cognitive appropriation Societies must first and foremost do more than wrangle over ownership and land rights they must dwell in space Yet historically the interactions between the state s territorial imperative with previous forms of landscape management have unfolded in a variety of ways including top down imposition resistance and negotiation between local and external actors These interactions have resulted in hybrid forms of territoriality and are often fraught with fundamentally different perceptions of landscape This book foregrounds these experiences and draws attention to situations in which different social constructions of space and territory coincide collide or overlap Each ethnographic case in this volume presents forms of territoriality that are contingent upon contested histories politics landscape the presence or absence of local heterogeneity and the involvement of multiple external actors with differing motivations ultimately all resulting in the potential for conflict or collaboration and divergent implications for conceptions of community autochthony and identity
