Robby The Rascal:

The Scallywags - Memories of a Rascal's 1950's Childhood Peter Stockley, 2016-07-07 Do you ever think about how the roads you walked as a child change the doors that open in your future In 1951 seven year old Peter Stockley s life was set down a dark path after losing his mother Her legacy to him was an optimism and spirit that even a vile step mother could not break and after an explosive confrontation Peter set off on a new journey via an orphanage to his aunt and uncle s home in a tenement block by the North Liverpool docks The Billogs It was here he became one of The Scallywags a group of streetwise young rascals who knew every inch of the canals docklands and railway lines With a turbulent home life intense family tragedy and a chronic heart murmur Peter had ground to make up in a golden age when children would play in the streets from dusk until dawn But with the Scallywags he had the run of the city Peter embarked on a youth of picaresque adventures clinging to the backs of speeding lorries treading the boards of bombed houses for firewood head spinning climbs up fivestorey block of flats nothing was out of bounds for the Scallywags But their adventures also gave him an iron clad sense of morality honesty and respect which would go on to shape the rest of his life This nostalgic deeply moving and often extremely funny memoir of youth and young manhood in the Liverpool of the fifties and sixties recalls the exuberant joy every child feels at being one of the gang and explores how the future can play out in very unexpected ways *Sinclair Lewis - Ultimate Collection* Sinclair Lewis, 2023-11-23 In the monumental compilation Sinclair Lewis Ultimate Collection readers are presented with a comprehensive anthology that showcases the profound depth and breadth of Lewis s literary oeuvre This collection encompasses his astute social critiques rich character development and incisive wit epitomizing the author s distinctive style that intertwines realism with biting satire Encompassing acclaimed works such as Main Street Babbitt and Arrowsmith this collection not only reflects the zeitgeist of early 20th century America but also serves as a critical lens through which the dynamics of American society are explored making it a significant contribution to American literature Sinclair Lewis the first American to win the Nobel Prize in Literature in 1930 was a keen observer of the American landscape and a vocal critic of the prevailing cultural norms His experiences as a Midwesterner deeply informed his narratives illustrating the complexities of American life and the struggle between idealism and materialism Lewis s influences ranged from his own upbringing in a small Minnesota town to the intellectual currents of the period shaping his voice as a chronicler of American struggles and aspirations For those seeking an insightful exploration of American identity and societal critique Sinclair Lewis Ultimate Collection is an indispensable read This anthology not only showcases Lewis s literary genius but also invites readers to reflect on contemporary issues through the lens of his timeless observations A must have for anyone interested in literature culture and the intricacies of American life **The Complete Novels of Sinclair Lewis** Sinclair Lewis, 2023-11-23 The Complete Novels of Sinclair Lewis is an essential anthology that encapsulates the breadth of Lewis s literary prowess featuring a comprehensive collection of his groundbreaking works Known for his sharp social commentary

and keen psychological insights Lewis employs a realist literary style intertwining humor and satire with profound character studies This compilation offers readers an in depth exploration of American society in the early 20th century tackling themes such as capitalism conformity and the quest for identity with iconic novels like *Main Street* *Babbitt* and *Arrowsmith* illustrating the undeniable complexities of the American experience Sinclair Lewis the first American to receive the Nobel Prize in Literature emerged as a critical voice during a time of significant social change Lewis s own experiences in America combined with his keen observations of small town life and the burgeoning corporate landscape shaped his understanding of the societal flaws he so eloquently critiques in his works His profound ability to portray the struggles of individuality within a conformist society highlights his status as a precursor to later literary movements such as modernism For readers interested in the interplay of character society and the psychological undercurrents of American life *The Complete Novels of Sinclair Lewis* serves as both an enlightening journey and an important historical document This anthology is highly recommended not only for its literary merit but also for its poignant relevance in today s discourse on American identity and values The Video Source Book David J. WEINER,1990 See Through Nelly Reifler,2007-11-01 Heartbreaking and haunting wholly inventive the unforgettable stories of Nelly Reifler s debut collection *See Through* imagine a world where the emotional logic of our dreams and childhood fantasies rule our actions In the title story an educated young woman sits behind the glass of a talk booth in a peep show and becomes a different girl for each man who visits A thorn in a little girl s scalp becomes the physical locus for her painter father s grief and helplessness following his wife s leaving in *The Splinter* Teeny tells the story of an awkward solitary pubescent girl who can t bring herself to perform the simple task of feeding the vacationing neighbors cats In *Baby* an infant asks his mother existential questions that are impossible to answer Nelly Reifler winner of the Henfield Transatlantic Review Prize for two of the stories in this collection explores her characters psyches and motivations with the precision of an anthropologist detailing their physical urges and fears and the desire isolation and violence that drive and sometimes consume them But more than her desire to expose splintered personalities Reifler plumbs the deep chasm between expectations and reality with infinite hope warmth and wisdom A powerful and extraordinary collection *See Through* heralds the arrival of a significant new voice in contemporary fiction *Far from Perfect* Ricky D. Douglas,2022-11-03 Robert Banes is no super action hero He s just a father a man like any other man that is at least until the evil and greed of people with little regard for the rights of others with whom they share the planet violently torture and murder his son The police were more interested in labeling Robby a gang member involved with drugs and violence than in searching for the people responsible for his demise Armed with only a page of names and figures torn from a ledger a ziplock bag of illegal drugs he sets out to gather information that will clear his son s name and hopefully convince police of a criminal element they say does not exist in their town His clumsy poking about and asking questions around the docks makes someone nervous enough to put a stop to it Even after being found on the docks the back of his head bashed in the police still refuse to take

him seriously He is after all just another distraught grieving father who finds himself a victim of a crime These frustrating events conspire to transform the usually mild mannered widower into an instrument of bitterness and rage From this moment on his only reason for living is to locate and punish the people who have destroyed his world Unfortunately for Banes the organization he takes on is more powerful and just as determined Before he knows what hit him the only two people left for him to love in this world are targeted His girlfriend is molested and threatened and a street kid named Billy who d helped him at the dock has been kidnapped This leaves Banes with only one option hit back even harder *Youngblood* John Oliver Killens,2000-04-01 John Oliver Killens s landmark novel of social protest chronicles the lives of the Youngblood family and their friends in Crossroads Georgia from the turn of the century to the Great Depression Its large cast of powerfully affecting characters includes Joe Youngblood a tragic figure of heroic physical strength Laurie Lee his beautiful and strong willed wife Richard Myles a young high school teacher from New York and Robby the Youngbloods son who takes the large risk of becoming involved in the labor movement *Gathering Gum Leaves* Golden Pens Write Side up,2016-11-25 Anthology 2015 2016 Published by a small town writers club Illustrated by visual arts black and white drawings and photography Represents an interesting variety of topics from the parochial to the universal *American Literature* Jay Broadus Hubbell,Clarence Gohdes,1953 Since its inception American Literature has been regarded as the preeminent periodical in its field Written by established scholars as well as the newest and brightest young critics AL s thought provoking essays cover a broad spectrum of periods and genres and employ a wide range of methodological and theoretical approaches the best in American literary criticism Each issue of American Literature contains articles covering the works of several American authors from colonial to contemporary as well as an extensive book review section a Brief Mention section offering citations of new editions and reprints collections anthologies and other professional books and an Announcements section that keeps readers up to date on prizes competitions conferences grants and publishing opportunities **The Man who Knew Coolidge** Sinclair Lewis,1928 Bowker's Complete Video Directory 1996 R R Bowker Publishing,1996 *Billboard* ,1986-07-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1985-06-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Delphi Complete Novels of Sinclair Lewis (Illustrated)** Sinclair Lewis,2022-01-15 The first American to receive the Nobel Prize in Literature Sinclair Lewis was revered for his vigorous and graphic art of description and his ability to fashion with wit and humour innovative and inspiring characters Masterpieces such as Main Street Babbitt Arrowsmith and Dodsworth are noted for their critical views of American capitalism and
