Lee** J. William Jones,2004-03
When Robert E Lee passed on without setting pen to paper on his memoirs both North and South alike were deprived of a classic personal history of the War Between the States worthy to sit on the shelf next to Ulysses S Grant s *Personal Memoirs* The Reverend J William Jones Lee s chaplain compiled this collection of reminiscences in its place as a memorial volume commemorating his death Filled with correspondence with President Andrew Johnson General Grant and C S A Generals Scott Beauregard and Longstreet and personal anecdotes from Lee s wartime contemporaries such as Jubal Early Jeb Magruder Jefferson Davis and Winfield Scott What comes to light is a personal portrait of Lee as family man gentleman scholar and soldier as well as an eyewitness account of the war that threatened to tear the United States asunder as witnessed by the South s greatest military leader The Reverend J William Jones D D was the chaplain of the Army of Northern Virginia under the command of General Robert E Lee and after the Civil War served as chaplain for Washington College in Virginia under Lee s presidency It was my proud privilege to have known General Lee intimately I saw him on that day in April 1861 on which he came to offer his stainless sword to the land that gave him birth I followed his standard from Harper s Ferry in 1861 to Appomattox Court house in 1865 coming into somewhat frequent contact with him rejoicing with him at his long series of brilliant victories and weeping with him when compelled to yield to overwhelming numbers and resources This first attempt at authorship is sent forth with a sincere desire that it may prove acceptable to the countless admirer of the great Confederate chieftain that it may serve to give to all a higher appreciation of his noble character and that it may prove a blessing to the young men of the country more especially to those who wore the gray by inducing them to study in order that they may imitate his shining virtues **Robert E. Lee: A Biography** Emory M. Thomas,1997-06-17 The best and most balanced of the Lee biographies New York Review of Books The life of Robert E Lee is a story not of defeat but of triumph triumph in clearing his family name triumph in marrying properly triumph over the mighty Mississippi in his work as an engineer and triumph over all other military men to become the towering figure who commanded the Confederate army in the American Civil War But late in life Lee confessed that he was always wanting something In this probing and personal biography Emory Thomas reveals more than the man himself did Robert E Lee has been and continues to be a symbol and

hero in the American story But in life Thomas writes Lee was both more and less than his legend Here is the man behind the legend *Robert E.
