As it changed forever the political landscape of the modern world the French Revolution was driven by a new type of personality the confirmed self-aware revolutionary Maximilien Robespierre originated the role and embodied its ideological essence and extremes the self that he projected to the people was equated with the ideals for which he strove In creating this intellectual biography of so enigmatic a figure David Jordan has stressed the words of the man about himself With great imagination and insight Jordan places Robespierre's self conceptualization within the context of events and explains how

Robespierre The Incorruptible a man seen by contemporaries as virtuous could not only equate justice with vengeance and demand it of the people but also stand as its symbol before the world **Robespierre the Incorruptible** Max Gallo,1968

HOW ROBESPIERRE'S HOSTILITY TOWARD TRADITIONAL RELIGION LED TO THE TERROR Nuray

Bamanie,2025-04-20 **Robespierre: V. Sardou's play adapted and novelised** Ange Galdemar,1899 **Revolutionary Career of Maximilien Robespierre** David P. Jordan,2013-10-16 In changing forever the political landscape of the modern world the French Revolution was driven by a new personality the confirmed self aware revolutionary Maximilien Robespierre originated the role inspiring such devoted twentieth century disciples as Lenin who deemed Robespierre a Bolshevik avant la lettre Although he dominated the Committee for Public Safety only during the last year of his life Robespierre was the Revolution in flesh and blood He embodies its ideological essence its unprecedented extremes its absolutist virtues and vices he incarnated a new completely politicized self to lead a new wholly regenerated society Yet as historian David P Jordan observes Robespierre has remained an enigma While his revolutionary career embraced the most crucial years of the Revolutions 1789 to 1794 it was little presaged by the unremarkable course of his early life The Jacobin leader to whom the revolutionary masses clung is thus both as mysterious as his remote provincial past and as awesome as the world shaking regicide he inspired Confronted by these extremes historians have often contented themselves to caricature Robespierre as an antichrist a bourgeois manipulator of the rabble or a canny political tactician Jordan looks to Robespierre s own self conception for a true understanding of the man and his Revolution Indeed Robespierre wrote about himself often and at length Influenced by Enlightenment rationalism and the new literary genre of autobiography he left behind a voluminous body of speeches newspaper articles and pamphlets laced with reflections and revelations about his self created destiny as living martyr and revolutionary Everyman From these thoughts and words Jordan attempts to uncover Robespierre to reveal what made this unlikely figure onetime provincial lawyer small town acad micien and uninspired versifier the most important in revolutionary France Epochs and Episodes of History Ward, Lock & Co,1883 Robespierre Peter McPhee,2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous

collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice
