## **Secrets Of The Heart And Blood:**

**Secrets of the Heart and Blood** Anne Terry White, Gerald S. Lietz, 1965 Describes the function and operation of the heart and blood and outlines the major discoveries of pioneers in this field *Hidden Bible Health Secrets* Reginald Cherry, 2017 Uncover the God given health secrets that are available to you through nature Whether you have questions about vitamins or you are battling heart disease diabetes vision problems or menopause Dr Reginald Cherry removes the guesswork and answers frequently asked questions that point you toward better health Publisher's description **Timeless Secrets of Health and Rejuvenation** Andreas Moritz, 2007 New Book Helps People Tame Their Illnesses with Mind and Body Power Flying in the face of mainstream medicine and society's many health myths here is a book that finally proves that good health is not only easily achievable no matter where you are right now it's your natural state In this new expanded edition of Timeless Secrets of Health and Rejuvenation best selling author Andreas Moritz reveals the most common but rarely recognized reasons behind illness and aging He offers powerful and time tested self help approaches to remove the root causes of illness and achieve continuous vibrant health regardless of age While most physicians attempt to combat or subdue illness which has been known to cause more illness and death than cancer or heart disease they know too little about employing the mind and body to actually help heal a person Compiled over the course of 35 years of work and research in the health industry and based on eye opening experiences with thousands of people across the globe Timeless Secrets of Health and Rejuvenation reveals everything you need to know in order to unleash the natural healing power that lies dormant within you You may wonder How could one book possibly do all this After all many books make big health promises and then fail to deliver But the answer is simple Timeless Secrets is different and works because 1 it gives you deeper insights and perspectives that literally put you back into the driver's seat of your body and mind and 2 it reveals literally hundreds and hundreds of controversial yet highly practical secrets proven to trigger health wellness and accelerated healing You'll get little known ancient secrets successfully used for thousands of years Plus you'll discover newer ones that have been researched and documented by some of the leading authorities in the world both mainstream and alternative And most importantly you'll discover the very secrets which have worked time and time again for the countless people Andreas Moritz has helped heal in his 30 years of front line experience No matter what your current level of health and wellness the scores of brand new tips breakthroughs aha moments practices and discoveries you make while reading Timeless Secrets of Health and Rejuvenation are sure to help you quickly reclaim life's happiest most valuable possession Your health The best part You'll get it all in plain English with step by step do this then do that instructions so there's never an ounce of guesswork thereby empowering you to live with more youthfulness balance and joy from the very first moment you open the book Numerous doctors nurses patients and health conscious individuals have called this book The Bible of Good Health for good reasons So why not put Timeless Secrets to the test It may prove to be the most comprehensive life changing health guide you ever read

German born Ayurvedic medicine practitioner and health consultant Andreas Moritz has been very successful with terminal disease cases which increases his credibility as an alternative medicine practitioner His books are renowned for their comprehensiveness and readability You don t need to be a health care expert to understand the everyday terminologies and fluid reasoning of the causes of disease More importantly you ll be amazed by the many overlooked things that influence our state of health Reading with an open mind is highly recommended BookReviewClub com

**Secrets of the Hidden Vessels**  
Fletcher Kovich, 2018-10-27 The Nei Jing consists of ancient Chinese scripts and is the foundation of Chinese acupuncture But several factors make the Nei Jing and also today s Chinese medicine difficult to comprehend Parts of the Nei Jing are fact based parts are metaphorical and not intended to be interpreted literally and other parts contain contradictory theories which cannot all be true Added to this is the problem that Chinese medicine concepts can seem incomprehensible to Western readers anyway This book tackles these problems by relating Chinese medicine knowledge to today s physiology and identifying the overlap The book also extensively analyses the Nei Jing theories on metabolism organ function physiology and the five phase theory and points out which aspects of these theories are fact based which are metaphorical and which are untrue This enables students to readily understand Nei Jing metabolism and physiology and to decide for themselves which aspects apply in reality Today s Chinese medicine disease syndromes are also explained But in general the book follows the simple approach used in the Nei Jing With each organ a single main condition is cited such as poor kidney function then the signs and symptoms listed This enables Western students to understand the condition and also demonstrates how to communicate Chinese medicine to patients The book also analyses recent scientific ideas on how acupuncture may work and describes its own intelligent tissue hypothesis This groundbreaking hypothesis is supported by objective experimental data and provides a lucid and plausible explanation of what the meridians are what acupuncture is and it also clearly describes the mechanism that enables acupuncture to correct organ malfunctions The book brings an unusual transparency to Chinese medicine making the whole subject easier to understand Fletcher Kovich runs his own Chinese acupuncture practice in the UK Praise for Secrets of the Hidden Vessels The book is fascinating And from the teaching perspective it is a great tool to help students understand the organ functions The book also uses an interesting approach to explain the mental and emotional factors in causing disease which again will greatly assist in the teaching of this aspect of Chinese medicine

Brandon Fuller Program Chair East West College of Natural Medicine Sarasota Florida We have come across many books on Chinese Medicine and particularly like this book s approach of blending the Western and Chinese understanding of the organs to make it clear that both systems describe the same organs There is a global paradigm shift in medicine and the importance of Chinese Medicine in understanding the body and health plays a key role in the West s acceptance of alternative approaches to healthcare Sam Patel Joint Principal The International College of Oriental Medicine UK
