has scrupulously strived to maintain the royal family's pristine image. The abdication crisis of 1936 had rocked the very foundations of the UK royal family when Edward VIII relinquished his throne and all royal status to marry the love of his life Wallis Simpson. Their story of a king renouncing his kingship to wed the love of his life is all lovey dovey but it had long standing repercussions and it derailed an entire line of succession. So much is at stake that the rigidity of royal life is not completely unfounded or without a purpose.

A Royal Sweethearts Boxed Set Kristy K. James, 2023-02-22

A Prince on the Run first in Kristy K. James' Royal Sweethearts romance series features a love story with a swoon worthy hero with a bit of mystery and danger to make this love after loss tale even more exciting. Cameron Rafferty is keeping secrets. Dangerous secrets that could endanger the lives of everyone around him. His plan was simple: keep a low profile until the would-be killer was found. And things were going smoothly until a small complication changed everything. Soon he finds himself becoming more involved with the family next door and wishing for things he shouldn't. Things that will put their lives in jeopardy too. Spending summers at the chalet was a tradition for author Laura Keane and her young son. Filled with memories of the husband she lost to war, she looked forward to days spent reminiscing, playing, and plotting another novel. She didn't expect this year to be any different, but that was before their handsome neighbor came to her rescue like a knight in shining armor. Will that armor be tarnished when she discovers who he is and why he's hiding out in northern Michigan?

In The Physician to the King is the second installment in the Royal Sweethearts romance series. Sparks fly in this opposites attract story where we find Nolan, the unconventional doctor we met in book one, butting heads with a by-the-rules proper headmistress. Running isn't always the answer. When a tragedy rocks Abigail Keane's world, she only wants three things: To run as far from what happened as fast as she can. To reevaluate her life and the choices she's made. To spend time with the nephew she hasn't seen in over a year. What she didn't plan on was butting heads with a doctor who rubs her wrong from day one. It's going to be a long summer. When a pretentious headmistress arrives in Castelorria, Nolan Campbell can't help but hope she cuts her vacation plans short. In fact, nothing would make him happier than to see her on the next plane leaving the island. But when a dark, heartbreaking secret comes to light, he begins to see the real woman hiding beneath the icy facade. Can he help her heal without risking his heart in the process?

The Princess and the Bodyguard is the third book in the Royal Sweethearts series. In this out-of-her-league romance, Princess Briannon finally has to admit that Fin will never cross the invisible line he drew in the sand. She's royalty; he is not. And that's all there is to that. Some lines just aren't meant to be crossed. Briannon Gallagher Hughes is everything a man could ever hope for in a woman: Beautiful, intelligent, kind, and loyal. A man would be blessed to win her heart, and he knows it's his for the taking. But Fin was hired to protect the royal family, not to fall in love with his king's daughter. Her patience has finally run out. The moment they met, Briannon knew Fin was the man she wanted to spend her life with, but his stubborn pride has kept them apart for fifteen long years. Now, with her biological clock ticking, she realizes it's time to let go of her dreams before she's too old to have the children she so desperately desires.
