Picturing Dogs, Seeing Ourselves Ann-Janine Morey, 2014-08-29 Dogs are as ubiquitous in American culture as white picket fences and apple pie embracing all the meanings of wholesome domestic life family fidelity comfort protection nurturance and love as well as symbolizing some of the less palatable connotations of home and family including domination subservience and violence In *Picturing Dogs Seeing Ourselves* Ann Janine Morey presents a collection of antique photographs of dogs and their owners in order to investigate the meanings associated with the canine body Included are reproductions of 115 postcards cabinet cards and cartes de visite that feature dogs in family and childhood snapshots images of hunting posed studio portraits and many other settings between 1860 and 1950 These photographs offer poignant testimony to the American romance with dogs and show how the dog has become part of cultural expressions of race class and gender Animal studies scholars have long argued that our representation of animals in print and in the visual arts has a profound connection to our lived cultural identity Other books have documented the depiction of dogs in art and photography but few have reached beyond the subject s obvious appeal *Picturing Dogs Seeing Ourselves* draws on animal visual and literary studies to present an original and richly contextualized visual history of the relationship between Americans and their dogs Though the personal stories behind these everyday photographs may be lost to us their cultural significance is not

Seeing Ourselves in Nature Jessica Fong, 2025-08-19 Discover the profound and joyous stories of Black and Brown nature educators In *Seeing Ourselves in Nature* author Jessica Fong asks how educators in the United States who are Black Indigenous or other people of color can create space for predominantly BIPOC children and families to reconnect to nature Recognizing the scarcity of stories from people of color in the predominately white literature surrounding nature education in the United States Fong sought out thirteen other BIPOC educators to share their rich and profound experiences with young children in nature Sharing these stories is a first step in the long road to making nature education equitable for all children In section one educators work toward liberation and justice by actively pushing against the pushdown of academics on children of color In section two community and cultural connections based in nature come to the forefront as educators share the importance of seeing Black and Brown faces in natural spaces both in real life and in the images found in books In section three prose and poetry stories from Black women become radical by virtue of their simplicity as they connect the students and families they serve by centering their

experiences with nature In section four children harness their powerful curiosity and intrinsic motivation when interacting with nature

The Importance of How We See Ourselves Marina A.L. Oshana, 2010-09-28 The past fifteen years have seen a wellspring of interest in the concept and practical nature of the self Questions about the metaphysics of personal identity have preoccupied philosophical scholarship Less attention has been paid to the topic of the self from the first person standpoint the point of view of a person who regards certain phenomena as distinctive of and essential to her identity Nor has much attention been paid to how this concept of the self is related to responsible agency This book argues that a person's self conception affects her status as a responsible agent 1 The book develops a hybrid view of the self as the object of self consciousness that is the subject and owner of the events that occur by means of its agency Agents have unique identities as particular beings and identify themselves distinctively 2 The book argues that a healthy veridical sense of self grounds responsible agency by enabling persons to be aware of what they do and to understand their motives Certain pathologies upset the unity of a person's identity while others impair the lucidity of a person's sense of self and still others disturb general features of responsible agency such as the capacity to act purposively and realize one's will through intentional behavior The book explains what it means to be oneself and what departures from this state signify for a person's ability to navigate life and make sense of himself in the process The notion of acting out of character of failing to be oneself in some noteworthy way is relevant to a person's culpability because an individual's self conception affects his status as an accountable agent 3 To explain this the book defends an account of responsible agency Responsible persons are accountable alert to normative reasons in support of or in opposition to their behavior and able to respond to reasons for action bearing normative force because these reasons have normative force Accountable persons are unified agents a status that calls for an admission

Seeing Yourself in the Mirror of Marriage James Dubbs, 2023-04-05 PLEASE NOTE The initial printing of this book contains the following glitch Pages 19 20 speak about an exercise involving 5 steps The steps should read in the sequential order of 1 2 3 4 5 instead of how the book printed the steps 1 2 1 2 3 Marriage doesn't create problems it reveals problems The problems each spouse bring to a marriage will be the problems of the marriage Solve yourself and you greatly enhance the odds of enjoying a fulfilling and lasting marriage Whether a couple is attracted to each other because of looks or personality or other factors it would stand to reason that wedded bliss would be the expected outcome But that quite often is not the case Even Captain and Tennille a pop duo from my younger years captured the nation's attention by singing of their committed love in the song Love Will Keep Us Together yet ended up divorcing after thirty nine years of marriage Why did this duo in addition to a myriad of others fail in marriage James Dubbs who has been involved in ministry for more than fifty years as a youth and family pastor has in his book uncovered why so many marriages fail You're invited to examine yourself to understand how you may be contributing unwittingly to damaging conflict in your relationship Consider questions such as What does it mean and how does a spouse solve oneself What conditions can overtake love and doom a marriage What part

does the hidden power of contempt play in a broken marriage What actions must you take in seeking to prevent marital love from turning sour Whether you re thinking about getting married struggling in a marriage or simply want to do everything you can to ensure your love remains vibrant and strong this book is steeped with wisdom from the Bible and life experience to help you achieve that end **Shiddat - I saw God in her, Now we see ourselves in each other.** Vignesh

Seeing Yourself Through the Eyes of God** Kathy Parson,2009-03-26 Do you see

what I see is a book designed to reveal the principles of Godly wisdom needed to establish maintain and guard our self esteem We are made in the image of God so male or female we are beautiful inside and out The word of God say s in Psalm 50 2 From Zion perfect in beauty God shines forth KJV This is a classic description of self esteem established from biblical principles This does not come from a manual of intellectual rules The book speaks to readers about our mind our heart the principles and the foundation on which we build our self esteem The book also explains the difference between authentic and camouflaged self esteem men who suffer from low self esteem and walking in the beauty of godly self esteem Believe it or not there are women in the Body of Christ who are suffering from low self esteem They come to church Sunday after Sunday dressed up flawless make up hair flowing or stacked and inside they have no idea who they really are because there is so much pain and torment The outward appearance is dressed up to hide what is on the inside But the devil is a liar what is outside should just be an enhancement of the beauty that is on the inside of them The two must link up the inside and outside have to connect in order to walk in the truth of God given self esteem Self esteem is the inner strength confidence and beauty that we possess as human beings It is not arrogant or haughty it is powerful The enemy wants to take this from you The bible says the thief comes to steal kill and destroy John 10 10 The enemy hates God s children and the self esteem that reflects the

glory of Jesus Christ blinds him from seeing and getting a shot to destroy it The building up of self esteem starts in the mind When a woman looks into the mirror if she likes what she sees then her thoughts register and it is displayed outwardly If she doesn't like what she sees she first analyzes if it is something she can quickly fix such as a small flaw Anything beyond her immediate control causes her to develop a complex which begins to develop in her subconscious mind and travels to her heart This is the plan of the enemy leading to the destruction of her self esteem The enemy seeks to devour our self esteem His mission is to attack us with low self esteem in order to entangle us and hold us captive He plays tricks with our minds to try to make us believe his lies It is imperative that we do not come into agreement with him Our mind and our thoughts must be subject to the Lord Jesus Christ We have the power to command every thought that comes in our mind to be subject to Jesus Christ We have to guard our hearts God tells us in His word to guard our hearts for out of it springs the issues of life Proverbs 4:23 In other words it is what is in our hearts that show people who we really are This is why we must be hidden in Christ our place of refuge He will keep us in His care so that what He says we are will reflect to those who see us As long as we walk this earth we will have enemies King David was a giant killer He defeated his enemies because the confidence inside of him came from God The more confident we become the more the enemy will try to destroy our self esteem However we already have power over him and his tactics so there is no need to fear him In order to be all that God has created us to be we must build our self esteem on His foundation it is a sure and eternal foundation Self Esteem established by God is authentic There used to be a saying Is it live or is it Memorex Is the sound of what we hear live real is it recorded or is it someone else's voice Camouflaged self esteem is derived from someone else's voice Authentic self esteem is eccentric Its beauty is exuberant The principles of godly self esteem are not gender specific God created men in His image and beauty so that same truth applies to men
