Jamie Allen

Seeing Red Chinas Uncompromising Takeover Of Hong Kong:

Seeing Red Jamie Allen, 1997 What is going to happen to Hong Kong after 1 July 1997 The transfer of sovereignty over Hong Kong is one of the late 20th century's most fascinating and significant historical events An advanced economy and society accustomed to living under a relatively liberal British colonial administration is being handed back to a potentially unstable former communist state In the most provocative book written about the 1997 issue Jamie Allen provides answers by approaching the question from a different angle What is happening to Hong Kong *Seeing Red* tracks the progress of China's hard nosed takeover strategy since the signing of the Sino British Joint Declaration in December 1984 It examines the Basic Law from the perspective of China's political imperatives and describes the steady advance of mainland Chinese business interests in the colony He finds that Hong Kong's reunification with China has more to do with a process of recolonisation than decolonisation Who will gain or lose from these changes Liberalism and its proponents will be a casualty because contrary to a generous reading of the Joint Declaration and the Basic Law China never intended to preserve Hong Kong's political system intact after reunification The principle of one country two systems if read within the context of statements made by senior officials such as Deng Xiaoping offers only economic and social freedoms to Hong Kong it is not a guarantee that existing civil liberties can be maintained Certain existing business interests especially British ones will lose out because of the proprietorial attitude being shown towards Hong Kong's strategic service sectors by mainland Chinese corporations China's policies towards Hong Kong often seem confusing and inconsistent a feature exacerbated by the natural tendency of the local press to look for signs of hope in every new utterance from Beijing *Seeing Red* argues that China does have a coherent and well coordinated programme for the takeover of Hong Kong one that is shaped by the mindset and imperatives of the Communist Party of China Were the Party to fall tomorrow the nature and method of reunification would be significantly different *SEEING RED* demonstrates that Hong Kong does not exist in a competitive vacuum The economic status quo must change as China changes and Asia becomes more complex The author argues that it is by no means certain the Chinese government can maintain the unique combination of factors that has contributed to Hong Kong's successful economy a predictable legal system and the skill and spirit of its people Yet if this features are not preserved Hong Kong's relative attractiveness as a business centre will be further undermined It is a book for businessmen and financiers who want an assessment of the threats facing Hong Kong in the first five to ten years after the handover Jamie Allen was born in Singapore in 1962 and was educated in Australia He studied Political Science and Mandarin at the Australian National University graduating with a Bachelor of Arts Honours in 1986 He also studied Mandarin in Taiwan for two years He arrived in Hong Kong in 1987 and worked for the South China Morning Post as a reporter In 1992 he joined The Economist Intelligence Unit as editor of Business Asia In 1994 he was seconded to The Economist in London In 1995 he left full time employment to write freelance and to work on *Seeing Red* He has written for a number of publications in the UK and

Australia including Business Review Weekly The Financial Times The Guardian and The Daily Telegraph In the course of his work as a journalist he has traveled throughout Asia and spent considerable time in China Jamie lives in Hong Kong Detailed discussion of the political social and business issues relating to the takeover Superbly researched **Sino-British Negotiations on the Handover of Hong Kong (1979-1997)** Wanglai Gao,2025-01-04 In 1997 the smooth handover of Hong Kong between China and the United Kingdom defied pessimistic predictions about Hong Kong s future The successful resolution of the Hong Kong issue was the result of 18 years of diplomatic exchanges between Chinese and British negotiators from 1979 to 1997 The two countries were involved in intensive interactions on issues such as sovereignty and administration democratic reform in Hong Kong the drafting of the Hong Kong Basic Law and the PLA garrison The book draws on a wealth of primary sources including oral histories British parliamentary testimony and the memoirs of Chinese and British officials It reveals fascinating bilateral exchanges between Chinese and British strategists and discloses the secret negotiations between the Chinese and the British The book will be of interest to historians scholars and analysts of Chinese diplomacy **Chinese Communists and Hong Kong Capitalists: 1937-1997** C. Chu,2010-10-25 This book examines Chinese Communist activities in Hong Kong from the outbreak of the Sino Japanese War in 1937 to the handover in 1997 It reveals a peculiar part of Chinese Communist history and traces six decades of astounding united front between the Chinese Communists and the Hong Kong tycoons and upper class business elite *Hong Kong Reintegrating with China* Pui-tak Lee,2001-01-01 This comprehensive book provides a multi dimensional analysis of Hong Kong s development and her political socio economic and cultural relations with China *The Dynamics of Beijing-Hong Kong Relations* Sonny Shiu-hing Lo,2008-04-01 This book critically assesses the implementation of the one country two systems in the Hong Kong Special Administrative Region HKSAR from the political judicial legal economic and societal dimensions The author contends that there has been a gradual process of mainlandization of the HKSAR meaning that Hong Kong is increasingly economically dependent on the People s Republic of China PRC politically deferent to the central government on the scope and pace of democratic reforms socially more patriotic toward the motherland and more prone to media self censorship and judicially more vulnerable to the interpretation of the Basic Law by the National People s Congress This book aims to achieve a breakthrough in relating the development of Hong Kong politics to the future of mainland China and Taiwan By broadening the focus of the one country two systems from governance to the process of Sino British negotiations and their thrust building efforts this book argues that the diplomats from mainland China and Taiwan can learn from the ways in which Hong Kong s political future was settled in 1982 1984 This is a book for students researchers scholars diplomats and lay people *The Hong Kong Special Administrative Region in Its First Decade* Joseph Y. S. CHENG,2007-09-01 This book with 24 essays will appeal to local and international readers interested in Hong Kong The latter include the international financial and business community researchers in Asian Studies journalists and educated tourists Published by City University of Hong

Kong Press **Hong Kong's Tortuous Democratization** Ming Sing, 2004-08-02 This book raises interesting questions about the process of democratization in Hong Kong It asks why democracy has been so long delayed when Hong Kong's level of socio economic development has become so high It relates democratization in Hong Kong to wider studies of the democratization process elsewhere and it supplements the received wisdom that democracy was delayed because of colonial rule and by the opposition of China with new thinking for example that its quasi bureaucratic authoritarian political structure vested power in bureaucrats who refused to have top down democratization a politically weak civil society and a non participant political culture that crippled bottom up democratization plus the division between pro democratic civil society and political society **Democracy, Asian Values, and Hong Kong** Bob Beatty, 2003-08-30 On July 1 1997 China took control over Hong Kong where Britain had begun a process of introducing democracy Beatty examines the process of democratization in Hong Kong with the argument that democratic development will continue despite being under Chinese rule Through a series of 128 interviews with 89 Hong Kong elites from 1997 2002 including legislators and party leaders as well as participant and direct observation of 15 campaigns for the Legislative Council in 1998 Beatty analyzed political leaders beliefs and commitment towards democratic development and institutions and put them into the context of the post handover environment Evidence from the interviews is used to test the proposition that adherence to Asian values undermines democracy and Beatty probed Hong Kong elites about their beliefs regarding the rule of law freedom of the press civil liberties and the possible trade offs between economic development and democratization A major finding from the in depth interviews is that while Hong Kong political elites reject the Singapore model and the Asian Values argument many do believe in trade offs between economic development and democratization Beatty also offers sharp insight into the thinking of Hong Kong political elites and transcends the particular politics of Hong Kong and delves in the broader subject of elite beliefs and attitudes An important analysis for scholars students and other researchers involved with China Hong Kong Asian politics and political values and political development in general Problematic Sovereignty Stephen D. Krasner, 2001-02-22 Some of the most pressing issues in the contemporary international order revolve around a frequently invoked but highly contested concept sovereignty To what extent does the concept of sovereignty as it plays out in institutional arrangements rules and principles inhibit the solution of these issues Can the rules of sovereignty be bent Can they be ignored Do they represent an insurmountable barrier to stable solutions or can alternative arrangements be created Problematic Sovereignty attempts to answer these and other fundamental questions by taking account of the multiple sometimes contradictory components of the concept of sovereignty in cases ranging from the struggle for sovereignty between China and Taiwan to the compromised sovereignty of Bosnia under the Dayton Accord Countering the common view of sovereignty that treats it as one coherent set of principles the chapters of Problematic Sovereignty illustrate cases where the disaggregation of sovereignty has enabled political actors to create entities that are semiautonomous semi independent and or semilegal in

order to solve specific problems stemming from competing claims to authority **Hong Kong** Benjamin K.P.

Leung, 2018-04-27 This title was first published in 2003 Hong Kong is a society of contrasts and paradoxes The city has a contrasting and yet fluid intermingling of social and cultural images east and west local and colonial modern and traditional extravagant and frugal In this volume the editor has selected essays dealing with a variety of aspects of Hong Kong including change and development culture and identity trends in political development economy and society social issues and social policy

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seeing Red Chinas Uncompromising Takeover Of Hong Kong eBooks, including some popular titles.

FAQs About Seeing Red Chinas Uncompromising Takeover Of Hong Kong Books

What is a Seeing Red Chinas Uncompromising Takeover Of Hong Kong PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Seeing Red Chinas Uncompromising Takeover Of Hong Kong PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Seeing Red Chinas Uncompromising Takeover Of Hong Kong PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Seeing Red Chinas Uncompromising Takeover Of Hong Kong PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Seeing Red Chinas Uncompromising Takeover Of Hong Kong PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
