

DECÁLOGO DE SEGURIDAD DEL NIÑO EN EL ENTORNO SANITARIO

Los presentes consejos tienen la finalidad de invitar a participar activamente en la seguridad de su hijo en todas las fases de la atención sanitaria, aumentando su corresponsabilidad en dichos procesos. Le proponemos que contribuya procurando el cumplimiento del siguiente decálogo:

1

Procura que tu hijo tenga siempre acceso al sistema de identificación, a través del cual se pueda seguir su historia, desde el momento de ingreso en el centro de salud.

2

Ahora que estás aquí, procura acompañarlo del principio al final, tanto en la información como en el consentimiento informado, para poder tomar decisiones de acuerdo con tus valores.

3

Responde a las preguntas de seguridad antes de aceptar que se le administre cualquier medicamento, ya sea de forma intravenosa, intramuscular, oral o por cualquier otra vía. Pregunta por los efectos secundarios, las interacciones con otros medicamentos y con la alimentación.

4

Comunicación constante con el personal sanitario, tanto en el momento de ingreso como de salida, para poder estar al tanto de los procedimientos que se van realizando.

5

Pregunta al profesional todas las dudas que tengas antes del inicio de cada una de las actuaciones diagnósticas y de tratamiento.

6

Responde y acompaña al personal sanitario en el momento de la identificación de la persona, tanto en el momento de ingreso como de salida, para poder estar al tanto de los procedimientos que se van realizando.

7

Hay que insistir en el cumplimiento de las normas de higiene, fundamentalmente el lavado de manos, por parte de los acompañantes, visitas y personal sanitario.

8

Procura que todos los medicamentos que se administran se registren.

9

Realiza una copia de la información que se te ha pasado a tu hijo, familia, otros familiares y/o.

10

Realiza una copia de la información que se te ha pasado a tu hijo, familia, otros familiares y/o.
