

The background of the slide features a close-up of a financial document. On the left, a US dime is stacked on top of a US penny. The penny is dated 2006. To the right, a line chart is visible with two lines: a green one and a red one. The green line shows a general upward trend with some fluctuations, while the red line shows a more volatile pattern with a significant peak and subsequent decline. The chart has a grid with horizontal lines and some numerical labels like '200' and '250'. The overall theme is economics and finance.
