Horne,2018-12-03 *Conversations with Madeleine L'Engle* is the first collection of interviews with the beloved children's book author best known for her 1962 Newbery Award winning novel *A Wrinkle in Time* However Madeleine L'Engle's accomplishments as a writer spread far beyond children's literature Beginning her career as a literary novelist for adults L'Engle 1918-2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L'Engle was mourned by fans of her children's books and the larger Christian community L'Engle's books as well as her life were often marked by contradictions A consummate storyteller L'Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L'Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L'Engle transformed from novelist to children's author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways      *A Wrinkle in Time* Madeleine L'Engle,1962 Three extra terrestrial beings take Meg and her friends to
