Magdalene Legacy Exploring The Wounded Icon Of Sexuality:

The Magdalene Legacy Sandra M Rushing, 1994-09-29 Rushing's seminal work addresses the ways in which modern women struggle with holistic spirituality, sexuality, and anger. She employs the Mary Magdalene model as an archetype in which sexuality and spirituality are united. Using extra-canonical texts, Rushing explores the dynamics of the relationship between the Magdalene and Jesus, one that created tension within the collective and was excluded from the canon itself. The Magdalene, known as the apostle to the apostles, has remained tainted through repressive scholarly action and deliberate distortion. Her historical treatment is paralleled for women today who wish to remain within the church but who experience a subtle, ongoing sexual bias. The author's blending of the sociological theory of Thorstein Veblen and the psychological constructs of Carl G Jung is unique in its theological application.

The Judas Legacy Sandra M. Rushing, 2007-10 ABOUT THE BOOK Controversial and provocative, *The Judas Legacy* examines the shadow that hides in all of us as well as in society and organized religion. Writing from inside the church with a keen and penetrating voice, author Sandra Rushing illuminates society's collective shadow from a Jungian perspective and reveals the truth that lies beneath the superficial, as well as exposes the hypocrisy and self-righteousness that are so prevalent in American religious and political leadership. From the biblical Judas to contemporary scapegoats, Rushing examines the influence of the shadow and describes how leaders throughout history have used a rhetoric of fear to rationalize their own policies. This is a powerful, incisive study of the dark side of truth. ABOUT THE AUTHOR After spending several decades in the oil and transportation industries, Sandra Rushing became a second-career interim ministry specialist in the Presbyterian Church USA (PCUSA). She has worked in eight different regions of the PCUSA and on the executive staff in two of those regions. She holds a dual degree Summa Cum Laude Phi Beta Kappa in sociology and political science and has studied the theory of C G Jung extensively. Her book *The Magdalene Legacy* was used as a resource for a documentary on the life of Christ, filmed in Israel by a British film company; this film, *The Living Christ*, was aired for American audiences on The Learning Channel. She is also the author of a book of poetry, *Essence of Autumn*, a memoir, *Dancing with a Kitchen Chair*, and a liturgical resource book, *Sacred Bread and Holy Wine: Communion and Liturgical Poetry*.

The Text and Contexts of Ignatius Loyola's "Autobiography" John M. McManamon, 2013-01-02 The book re-evaluates the so-called autobiography of Ignatius Loyola (ca. 1491-1556) against the backgrounds of the spiritual geography of Luke's New Testament writings and the culture of Renaissance humanism. The analysis focuses on the language Ignatius used when dictating the text, the events he chose to include or exclude, and the cultures that helped to shape his spiritual emphases.

Murdering Holiness Jim Phillips, Rosemary Gartner, 2011-11-01 *Murdering Holiness* explores the story of the Holy Roller sect led by Franz Creffield in the early years of the twentieth century. In the opening chapters, the authors introduce us to the community of Corvallis, Oregon, where Creffield, a charismatic self-styled messiah, taught his followers to forsake their families and worldly possessions and to seek salvation through him. As his teachings became more extreme, the

local community reacted Creffield was tarred and feathered and his followers were incarcerated in the state asylum Creffield himself was later imprisoned for adultery but shortly after his release he revived the sect This proved too much for some of the adherents families and in May 1906 George Mitchell the brother of two women in the sect pursued Creffield to Seattle and shot him dead The authors take us into the courtroom for the trial that made headlines across North America as Mitchell was acquitted of murder Though the formal plea was insanity the defence built its case on the unwritten law that justified killing to protect or avenge family honour Based on court records and archival sources this case study includes a detailed examination of the trial the media s response to it and the dramatic aftermath and sheds light on the rise of ardent religion in the Pacific Northwest the justice system in Seattle and the role of the press in influencing public opinion **What Jesus**

Learned from Women James F. McGrath,2021-02-26 Dehumanization has led to serious misinterpretation of the Gospels On the one hand Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female On the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on Jesus neglected When we ask the question this book does what Jesus learned from women puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience James McGrath makes the stories of women in the New Testament come alive and sheds fresh light on the figure of Jesus as well This book is a must read for scholars students and anyone else interested in Jesus and or in the role of ancient women in the context of their times Weaving Dreams - Träume weben Meehyun

de la femei chiar înainte să moară: cănd se bucura de prezența lor fidelă în mulțime. A năvătat că nu a greșit deloc recunoscându-le

Jesus hoje Albert Nolan, 2012-11-30. O autor na primeira parte analisa a fome de espiritualidade que se vive em nosso
tempo e a interpreta como verdadeiro sinal dos tempos. Mostra depois na segunda parte como o perfil que chegou até nós de
Jesus o revela como iniciador de um movimento que contrasta com o clima religioso reinante na sua época dando origem a
uma espiritualidade de redirecionamento do mundo abrangendo toda a vida desde a cura até a plena realização do ser humano
e a realização de um mundo de justiça e de paz. Na terceira parte insiste na importância central para Jesus da transformação
pessoal em vista da comunhão perfeita com Deus de que trata na quarta e última parte. Traz a ampla bibliografia em inglês
