Mastering Life Co Creating A Reality Of Love Through The Power Of Sharing:

Mastering Life Ivonne Delaflor, 2005 From the Foreword by Alan Cohen The lessons here in Mastering Life keep pointing us back to the simplicity of loving We find ourselves in a world where complexity seems to pull us from joy at every turn Simply holding the consciousness of love will open doors that anxious striving cannot Behold the answer that soothes heals uplifts and changes the world beginning with ourselves Take your time as you stroll through these insightful pages Absorb the words and images and make them your own While they seem to be teaching you they are really reminding you of what you know deep inside your heart Then bring the principles to life in your own unique way and enjoy the blessings they deliver

Invitation To Love Ivonne Delaflor, 2005 Follow the Sanatan Dharma the Eternal Religion of Prema Divine Love and the one and only that can only be found in your heart And remember YOU must guide others to it through love simplicity and truth That is the only way That is the unspoken eternal and nameless way Always remember that no time is ever wasted except for the time that one is not loving Move out of the house of ignorance There are better places to live Ring ring Wake up The Buddha nature and Christ like energy within are ready to be reawakened in all Become like a child Enter the kingdom of heaven The Christ and Buddha nature are within So where is the kingdom Excerpted from Invitation to Love 108

Reminders for the Enlightened Ones The greatest blessing in my life was the gift of being in the physical presence of Babaji in Herrekhan in 1980 One day he said that he would be leaving his body I asked him if he would still come to me if I asked He simply looked at me and smiled knowingly and said Of course Recently my work healing moved to a new level Some of the recent miracles have been so powerful as to leave me shaky I could only turn to God to keep myself stable and humble and so I asked for his advice Well he has answered my request And I imagine he will answer the prayers of many others through the writings of Ivonne Delaflor In them I recognize his voice his humor his teaching Thank you Babaji And thank you Ivonne for being such an open channel Dan Brul Guchu Ram Singh www.breathmastery.com *Unplug Your Mind!* Sylvia

Dokter, Ivonne Delaflor Alexander, 2013-03-06 In August of 2012 during the period where planetary and human changes were taking place author Sylvia Dokter received a special request from Sri Babaji Nagaraj an ascended master He asked her to work with her friend mentor and business partner Ivonne Delaflor Alexander to create a book that could be shared with humanity in order to facilitate a global awakening Unplug Your Mind is the final product of the messages received by telepathic transmission and recorded by Delaflor Alexander from such masters as Jesus Lord Maitreya Hermes Mary Magdalene and many more ascended gestalts of consciousness Dokter also provides commentary and explanations of her own experience of walking through the sacred messages These messages exposing secrets of hidden societies governmental organizations and those of the powerful elite communicate clear recommendations and suggestions for how to unplug from this fifteen dimensional time matrix system where the mindset of humanity has been controlled for thousands of years through cultural and religious indoctrination

McIntosh,2012-03-15 The philosophy of John Macmurray is only now receiving the attention it deserves It is in the contemporary climate of dissatisfaction with individualism that Macmurray s emphasis on the relations of persons has come to the fore Moreover Macmurray s recognition of the central importance of acknowledging human embodiment is being favourably received by a wide range of fields which includes philosophers theologians and psychologists Macmurray s overriding concern is to present an adequate account of the person and of personal relationships Nevertheless he is an eclectic writer whose work addresses concerns in education science and art which all stem from his understanding of human agency In addition this leads Macmurray into a discussion of the ethics of personal and political relations and a critique of otherworldly religion Hence Macmurray s philosophy is informed by fairly unconventional religious beliefs I'm Ascending, Now What?
