Financial Freedom Act of 1999 United States. Congress. House. Committee on Ways and Means, 1999. **Money Matters for Financial Freedom** David Shippy, Leslie Shippy, 2018-12-04. A roadmap for achieving financial freedom in less

than five years David and Leslie Shippy went from a middle class life to financial freedom in three short years They were able to replace both of their multiple six figure incomes and walk away from corporate America Their first three apartment investments tripled their investors money They have since gone on to purchase and manage a portfolio of apartments that consists of over three thousand units and is worth over 300 million Money Matters for Financial Freedom reveals the principles they used to do it David and Leslie s detailed guide provides specific examples and skills that shift readers thinking from a middle class mindset to a financially free millionaire mindset It outlines specific techniques and leadership skills necessary for running a multimillion dollar business along with step by step examples of how to manage money create multiple business streams of income and enable financial freedom **Gold and Freedom** Nicolas Barreyre,2015-12-15

Historians have long treated Reconstruction primarily as a southern concern isolated from broader national political developments Yet at its core Reconstruction was a battle for the legacy of the Civil War that would determine the political fate not only of the South but of the nation In **Gold and Freedom** Nicolas Barreyre recovers the story of how economic issues became central to American politics after the war The idea that a financial debate was as important for Reconstruction as emancipation may seem remarkable but the war created economic issues that all Americans not just southerners had to grapple with including a huge debt an inconvertible paper currency high taxation and tariffs Alongside the key issues of race and citizenship the struggle with the new economic model and the type of society it created pervaded the entire country Both were legacies of war Both were fought over by the same citizens in a newly reunited nation It was thus impossible for such closely related debates to proceed independently A truly groundbreaking work **Gold and Freedom** shows how much the fate of Reconstruction and the political world it ultimately created owed to northern sectional divisions revealing important links between race and economy as well as region and nation not previously recognized
