Movies on TV, 1986-1987 Steven H. Scheuer, 1985 Mickey Spillane on Screen Max Allan Collins, James L. Traylor, 2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with I the Jury in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane's influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane's fiction came to the screen in a series of films that include Kiss Me Deadly 1955 and The Girl Hunters 1963 with the author himself playing his private eye These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane experts Included are cast and crew listings brief biographical entries on key persons and a lengthy interview with Spillane

Statistical Reference Index, 1987 The Concise Cinegraph ans-Michael Bock,,im Bergfelder, 2009-09-01 This comprehensive guide is an ideal

reference work for film specialists and enthusiasts First published in 1984 but continuously updated ever since CineGraph is the most authoritative and comprehensive encyclopedia on German speaking cinema in the German language This condensed and substantially revised English language edition makes this important resource available to students and researchers for the first time outside its German context It offers a representative historical overview through bio filmographical entries on the main protagonists from the beginnings to the present day Included are directors and actors writers and cameramen composers and production designers film theorists and critics producers and distributors inventors and manufacturers An appendix includes short introductory essays on specific periods and movements such as Early Film Weimar Nazi Cinema DEFA New German Cinema and German film since unification as well as on cinematic developments in Austria and Switzerland Sections that crossreference names around specific professional groups and themes will prove equally invaluable to researchers

Encyclopedia of African American Actresses in Film and Television Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries on well known and nearly forgotten actresses running the gamut from Academy Award and NAACP Image Award winners to B film and blaxploitation era stars Each entry has a complete filmography of the actress s film TV music video or short film credits The work also features more than 170 photographs some of them rare images from the Schomburg Center for Research in Black Culture

Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye

Who Was Who on TV Norman Chance, 2010-12-22 The information herein was accumulated of fifty some odd years The collection process started when TV first came out and continued until today The books are in alphabetical order and cover shows from the 1940s to 2010 The author has added a brief explanation of each show and then listed all the characters who played the roles and for the most

part the year or years the actor or actress played that role Also included are most of the people who created the shows the producers directors and the writers of the shows These books are a great source of trivia information and for most of the older folk will bring back some very fond memories I know a lot of times we think back and say Who was the guy that played such and such a role Enjoy

Horror Films of the 1980s John Kenneth Muir,2010-07-28 John Kenneth Muir is back This time the author of the acclaimed Horror Films of the 1970s turns his attention to 300 films from the 1980s From horror franchises like Friday the 13th and Hellraiser to obscurities like The Children and The Boogens Muir is our informative guide Muir introduces the scope of the decade s horrors and offers a history that draws parallels between current events and the nightmares unfolding on cinema screens Each of the 300 films is discussed with detailed credits a brief synopsis a critical commentary and where applicable notes on the film s legacy beyond the 80s Also included is the author s ranking of the 15 best horror films of the 80s

Hauntings and Poltergeists James Houran,Rense Lange,2015-08-13 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world s most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists
