Deep Mysteries Aidan Nichols OP, 2018-11-27 This study explores the way in which by way of the Christian mysteries divine action impacts human life The triune God acts in Jesus Christ by means of historical events whose effects transcend time and which are mediated through their celebration in memorial and worship Drawing on both Evangelical and Catholic writers Nichols provides evidence that the general portrait of Jesus found in the Pauline letters and the four Gospels rests on reliable historical witness On this basis he offers a concise Christology which presents Jesus Christ as the fulfillment of the Messianic hope of the Old Testament explores his unique being as laid out in the teaching of the great Ecumenical Councils of the first Christian millennium and describes how the classic theologian of the Latin tradition St Thomas Aquinas sees the chief historical events of Christ's life as affecting humanity throughout future time Nichols then looks at the Christian concept of God namely Trinitarian monotheism God so conceived can act efficaciously in the created order and does so by the deployment of his Word and Spirit in ways which express for a fallen historical world the dynamics of the interaction of the divine Persons in eternity Persons who now draw human beings within their range Those gains in understanding are then applied to the individual mysteries of the life of Christ from his biological conception to his coming Parousia For each mystery Nichols describes a biblical preamble an account of how the mystery is seen by the Liturgy and the Fathers of the Church illumination from the three theological masters whom the author makes his own in this work Aquinas Balthasar and Bulgakov and a visual image drawn from the treasury of sacred art

The Jesus Mysteries Timothy Freke, Peter Gandy, 2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations *The Jesus Mysteries* deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate

Five Great Mysteries of the Bible Witness Lee,1999-09 **Hidden Mysteries in the Word of God Disclosed** Dave Engelbrecht,2014-07-16 Acknowledgement towards GraceI dedicate this book to the Lord my God Almighty who had visited me one day just one week after I decided to give my life to Him and made Him Lord over my soul and life On that occasion while I was praying during my tea break at work I was caught up into heaven and He told me to return to earth because my work is not finished yet and His desire is to train me in His Word by himself if I am willing to submit myself unto His teaching whereby I replied positively My Lord commanded me not to become involved in any other doctrines or denominations but stay committed to Him and He shall train me personally O boy and did He One day many years later He visited me again and asked me to sign a contract in which I declare that I shall never lie about the Word of God whereby I replied that I don t have any doctrine to protect which would make it much easier I asked Him what would be the catch as I always did when He visited me it is just my way of speaking with Him and he loves it By the way it was not the first time He paid a visit to me it became a habit through the years He visits me very often All He answered was that I shall see At that moment I could not figure out what it means because when He speaks a word or sentence something shall follow but pondering many times about that sentence Very soon afterward while I studied the Word as I normally did every morning from 12 00 before daybreak I realized that I reading the scripture s deeper meaning and understanding the scriptures much better than ever before The sentence He delivered me I shall see literally opened my spiritual eye in addition to read the Word as the Holy Spirit has intended to be when He had given it to the Holy people 2Pet 1 20 A few days Later Jesus appeared again unto me with a bunch of keys in his one hand but with a very great key between his thumb and first finger he prompted me to take this bunch of keys and with this great key I must open there Whereupon I replied where there And He just prompted again there At first I could not understand clearly what that means but within a few days I comprehend the message that there is the secret place of the Almighty where He and Moses agreed together Ex 25 22 Therefore by His grace He has given the key unto me to open the secrets in the secret place Wow What a wealth of Wisdom is hidden in the Secret Place of the Almighty and the key is not a physical key It is the dialect of the Holy Spirit which is the key in this case which was handed to me I just love you Lord While teaching most of the secrets to my congregation they just sit in awe it hit them so hard some of them just fall in love with the Bible and God Himself that they study the Word for hours in their own privacy at home Some of them cannot comprehend it and walk away as the disciples of Jesus in Jhn 6 66 Dear Reader as you read this book the hidden mysteries shall become relevant to you although you may at first think that this is a bunch of crab just open your mind and finish this book Afterward you will realize the relevancy of the truths Apply it to your life I give a Great hand of applause to the God of gods the King of kings Lord of lords and Priest of priests and my only BELOVED the Holy One Unveiling
