Buffoonery in Irish Drama Kathleen Heininge,2009 Generations of Irish playwrights have tried to assert the reputation of the stage Irish figure as other than comic but each effort was in its turn assailed as buffoonery Using post colonial and performative theory Buffoonery in Irish Drama demonstrates the ways the Irish struggled to create a sense of identity in a colonial structure and it explores the distortion and appropriation of that new identity that elicit further calls to eradicate negative stereotypes Demonstrating the pervasiveness of the reclamation efforts Buffoonery in Irish Drama covers a wide range of well known and obscure plays to show the trajectory of twentieth century drama that brings us into a globalized twenty first century Ireland

Up the Kasbah Tony Walton,2011-11-08 Starting with Oscar Wilde and Andr Gide in the 1890 s for the next 100 years North Africa was to be a favourite destination for gay men seeking a mixture of sea sand sunshine and maybe something else This book relates the adventures and antics of those gay travellers and expats in the three countries of Morocco Algeria and Tunisia between 1890 and 1990 Much of it is based on their own words given to us in interviews Many of the destinations mentioned here along the north African coast were visited by either Wilde Gide or Genet But it is Tangier where we spend the most time since that city was for over fifty years the Mecca of gay travellers So as you read imagine yourself up in the Kasbah of each of the old cities looking down and seeing what those gays are doing down in the main part of the town We are sure you will find something of interest
