Wilde History Criticism Myth takes issue with many assumptions current in Wilde scholarship Professors Guy and Small are interested in the tension between Wilde's enduring popularity with the general reading public as a perennially witty entertainer and his status among academics as a complex politicized writer attuned to the cultural and philosophical currents associated with modernity A number of commonly held views are challenged To what extent is De Profundis autobiographical How sophisticated is the learning exhibited in Intentions In what ways are the society comedies about homosexuality The volume also examines some of Wilde's lesser known unfinished works and scenarios including The Cardinal of Avignon La Sainte Courtisane and A Florentine Tragedy all printed as appendices arguing that these failed works provide important insight into the reasons for Wilde's popular success Guy and Small have authored numerous articles and books on Wilde This new book will be a must read for scholars but it is also written in a jargon free language that speaks to the wider audience of readers who enjoy Oscar Wilde BOOK JACKET Oscar Wilde's Plays, Prose Writings, and Poems Oscar Wilde,1972
