## **Oscar Wilde Gills Irish Lives:**

**The Reception of Oscar Wilde in Europe** Stefano Evangelista, 2010-07-08 Comprehensive volume of international research on the European reception of Oscar Wilde  
*Oscar Wilde* Norbert Kohl, 2011-03-03 Professor Kohl's aim is to gain fresh insight into his literary and critical oeuvre of Oscar Wilde. He analyses each of his works on the basis of a textually oriented interpretation taking equal account of the biographical and intellectual contexts through the use of contradictions that Wilde shows as individualism and convention  
**Oscar Wilde** Richard Pine, 1983-01-01  
**The Quality of Life** Richard Pine, 2021-06-09 These essays represent a selection of 40 years' commentary on the political dimensions of cultural life. They address the entire spectrum of culture from theories of international communication to the provision of cultural and leisure facilities at local level. As a former consultant to the Council of Europe, the author has developed a penetrating insight into the decision-making process between local authorities and citizens' groups which is discussed in two seminal papers from the 1980s which pioneered the concept of Cultural Democracy. In addition, the book's close readings of novels and plays by Irish and Greek writers explore the way that all writing and forms of self-expression have a political message and repercussions.

*100 Irish Lives* Martin Wallace, 1983 From saints and scholars to warriors and patriots to writers, artists, statesmen and simply characters, this entertaining and highly informative collection of short profiles provides not only an account of some remarkable Irish individuals but an illuminating journey through the fertile territory of Irish history. The lives recounted here include the familiar: James Joyce, St Patrick and Eamon de Valera, to those which are less familiar: Grace O'Malley, the pirate queen, John O'Donovan, the Gaelic scholar, Buck Whaley, rake and gambler, extraordinary and Sir Horace Plunkett, pioneer of agricultural cooperation. The volume also includes maps and notes indicating places of interest connected with the lives as well as a helpful list of dates in Irish history and suggestions for further reading.  
**Oscar Wilde in Context** Kerry Powell, Peter Raby, 2013-12-12 Oscar Wilde was a courageous individualist whose path-breaking life and work were shaped in the crucible of his time and place, deeply marked by the controversies of his era. This collection of concise and illuminating articles reveals the complex relationship between Wilde's work and ideas and contemporary contexts including Victorian feminism, aestheticism and socialism. Chapters investigate how Wilde's writing was both a resistance to and quotation of Victorian master narratives and genre codes. From performance history to film and operatic adaptations, the ongoing influence and reception of Wilde's story and work is explored, proposing not one but many Oscar Wildes. To approach the meaning of Wilde as an artist and historical figure, the book emphasises not only his ability to imagine new worlds but also his bond to the turbulent cultural and historical landscape around him, the context within which his life and art took shape.

Lives Beyond Baker Street Christopher Redmond, 2016-12-19 If you have ever read *A Scandal in Bohemia* and wondered what Watson's allusion to Mr John Hare means, if you aren't sure who was in charge in southeast Asia when Mycroft Holmes mentions the present state of Siam, if you're wondering about Watson's portrait of General Gordon or Holmes's Vernet

The Influence of Oscar Wilde on W.B. Yeats Noreen Doody, 2018-08-07 This book asserts that Oscar Wilde 1854-1900 was a major precursor of W.B. Yeats 1865-1939 and shows how Wilde's image and intellect set in train a powerful influence within Yeats's creative imagination that remained active throughout the poet's life The intellectual concepts metaphysical speculations and artistic symbols and images which Yeats appropriated from Wilde changed the poet's perspective and informed the imaginative system of beliefs that Yeats formulated as the basis of his dramatic and poetic work

Section One Influence and Identity 1888-1895 explores the personal relationship of these two writers their nationality and historical context as factors in influence Section Two Mask and Image 1888-1917 traces the creative process leading to Yeats's construction of the antithetical mask and his ideas on image in relation to the role of Wilde as his precursor Finally Salom Symbolism Dance and Theories of Being 1891-1939 concentrates on the immense influence that Wilde's symbolist play *Salome* wrought on Yeats's imaginative work and creative sensibility

*The Fairy Tales of Oscar Wilde* Dr Jarlath Killeen, 2013-04-28 Oscar Wilde's two collections of children's literature *The Happy Prince and Other Stories* 1888 and *A House of Pomegranates* 1891 have often been marginalised in critical accounts as their apparently conservative didacticism appears at odds with the characterisation of Wilde as an amoral aesthete In this the first full length study of Wilde's fairy tales for children Jarlath Killeen argues that Wilde's stories are neither uniformly conservative nor subversive but a blend of both Killeen contends that while they should be read in relation to a literary tradition of fairy tales that emerged in nineteenth century Europe Irish issues heavily influenced the work These issues were powerfully shaped by the folk Catholicism Wilde encountered in the west of Ireland By resituating the fairy tales in a complex nexus of theological political social and national concerns Killeen restores the tales to their proper place in the Wilde canon

Oscar and Bosie Trevor Fisher, 2002 The love story of Oscar Wilde and Lord Alfred Douglas surely ranks among the world's greatest romantic tragedies After Wilde's tragic bid to sue the Marquis of Queensberry for libel ended in total humiliation with his imprisonment exile and early death in Paris at the age of 46 the London literati split into bitterly opposed camps Some have believed that Bosie deserted a friend in need others that Wilde was the innocent victim of a long running family feud between an obsessed father and his pampered son Fuelled by the surviving correspondence successive biographies and Bosie's own
