Intelligence and the War Against Japan Richard J. Aldrich, 2000-04-13 This book explores the politics of the British and American secret service during the Far Eastern War Studies in Intelligence, 2019

World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler one of America's most respected and best known military historians has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II Extending far beyond battles and hardware the coverage ranges from high policy making grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions aircraft armor artillery psychological warfare warships and the home fronts covering the interactions of each topic along the way

Project Eagle Robert S. Kim, 2017-05-01 Robert S Kim contributes to a fuller understanding of Asia in World War II by revealing the role of American Christian missionary families in the development of the Korean independence movement and the creation of Project Eagle the forgotten alliance between that movement and the Office of Strategic Services OSS called Project Eagle Project Eagle tells the story of American missionaries in Korea from 1884 to 1942 They brought a new religion modern education and American political ideals to a nation conquered and ruled by the Japanese Empire The missionaries influence inextricably linked Christianity and American style democracy to Korean nationalism and independence meanwhile establishing an especially strong presence in Pyongyang Project Eagle connects this era for the first time to OSS Korean cooperation during the war through the story of its central figures American missionary sons George McCune and Clarence Weems and one of Korea's leading national heroes Kim Ku Project Eagle illuminates the shared history between Americans and Koreans that has remained largely unexamined since World War II The legacy of these American actions in Korea ignored by the U S government and the academy since 1945 has shaped the relationship of the United States to both North Korea and South Korea and remains crucial to understanding the future of U S relations with both Koreas

In the Ruins of Empire Ronald Spector, 2008-07-08 The New York Times said of Ronald H Spector's classic account of the American struggle against the Japanese in World War II No future book on the Pacific War will be written without paying due tribute to Eagle Against the Sun Now Spector has returned with a book that is even more revealing In the Ruins of Empire chronicles the

startling aftermath of this crucial twentieth century conflict With access to recently available firsthand accounts by Chinese Japanese British and American witnesses and previously top secret U S intelligence records Spector tells for the first time the fascinating story of the deadly confrontations that broke out or merely continued in Asia after peace was proclaimed at the end of World War II Under occupation by the victorious Allies this part of the world was plunged into new power struggles or back into old feuds that in some ways were worse than the war itself In the Ruins of Empire also shows how the U S and Soviet governments as they secretly vied for influence in liberated lands were soon at odds At the time of the peace declaration international suspicions were still strong Joseph Stalin warned that crazy cutthroats might disrupt the surrender ceremony in Tokyo Bay Die hard Japanese officers plotted to seize the emperor s palace to prevent an announcement of surrender and clandestine relief forces were sent to rescue thousands of Allied POWs to prevent their being massacred In the Ruins of Empire paints a vivid picture of the postwar intrigues and violence In Manchuria Russian liberators looted raped and killed innocent civilians and a fratricidal rivalry continued between Chiang Kai shek s regime and Mao s revolutionaries Communist resistance forces in Malaya settled old scores and terrorized the indigenous population while mujahideen holy warriors staged reprisals and terror killings against the Chinese hundreds of innocent civilians were killed on both sides In Indochina a nativist political movement rose up to oppose the resumption of French colonial rule one of the factions that struggled for supremacy was the Communist Viet Minh led by Ho Chi Minh Korea became a powder keg with the Russians and Americans entangled in its north and south And in Java as the Indonesian novelist Idrus wrote people brutalized by years of Japanese occupation worshipped a new God in the form of bombs submachine guns and mortars Through impeccable research and provocative analysis as well as compelling accounts of American British Indian and Australian soldiers charged with overseeing the surrender and repatriation of millions of Japanese in the heart of dangerous territory Spector casts new and startling light on this pivotal time and sets the record straight about this contested and important period in history

Last Mission to Tokyo Michel Paradis, 2021-06-08 A narrative account of the Doolittle Raids of World War II traces the daring Raiders attack on mainland Japan the fate of the crews who survived the mission and the international war crimes trials that defined Japanese American relations and changed legal history

Japanese War Crimes and Related Topics: A Guide to Records at the National Archives United States. National Archives and Records Administration, 200? This finding aid will help researchers interested in Japanese war crimes war criminals and war crimes trials to navigate the vast holdings of the U S National Archives and Records Administration at College Park NARA It will also be useful to anyone interested in military intelligence political diplomatic economic financial social and cultural activities in the Far East during 1931 1951 as well as to those searching for information regarding Allied prisoners of war the organization functions and activities of American and Allied agencies and the Japanese occupation of countries and the American occupation of Japan While not aimed at researchers interested in the strategic and tactical military and naval history of the war in the Far East

this finding aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may bear on those topics This finding aid covers records from over twenty record groups and includes materials declassified under the Japanese Imperial Government Disclosure Act of 2000 P L 106 567 as well as records that were never classified and those declassified before the passage of the Disclosure Act Because the process of identifying declassifying accessioning and processing of records under the Act is taking place as this finding is being compiled late arriving records may not be identified in this finding aid Researchers should consult the IWG Web site <http://www.archives.gov/iwg> for a complete and up to date list of records declassified under the Japanese Imperial Government Disclosure Act Federal agencies involved in the identification and declassification of relevant classified records ascertained that there were relatively few pertinent records that were still classified Most relevant records were either never classified or were declassified decades before the Act and were already in NARA s custody While this finding aid s coverage is broad it is not comprehensive Researchers may find other relevant series of records within the record groups mentioned or not mentioned Researchers are encouraged to use other finding aids and consult with NARA staff to locate records of interest In addition the National Archives at College Park holds nontextual records such as still photographs and motion pictures that researchers may want to examine Other NARA facilities hold many records and donated material related to World War II including records related to the subjects covered in this finding aid This is particularly true of the Franklin D Roosevelt the Harry S Truman and the Dwight D Eisenhower archives as vast mountain ranges of records with the archivists guiding the expeditions Explorations on familiar well trodden paths produce new perspectives when examined with fresh eyes and imagination

Mission to Mao Sara B. Castro,2024-09-03 An innovative history of US intelligence officers on the ground and the first official contacts between the United States and the Chinese Communist Party From 1944 to 1947 the United States planted a liaison mission in the headquarters of Chinese Communist forces behind the lines Nicknamed the Dixie Mission for its location in rebel territory it was an interagency delegation that included intelligence officers from the Office of Strategic Services OSS the US Army and the State Department Mission to Mao is a social history of the OSS officers

in the field that reveals the weakness of US intelligence diplomacy in the 1940s Drawing on over 14 000 unpublished records from five archives as well as white papers and memoirs from the participants Sara B Castro demonstrates how the US intelligence officers in China clashed with political appointees and Washington over the direction of the US relationship with the Chinese Communists Interagency and political conflicts erupted over assessments of Communist capabilities and whether or not the mission would later involve operations with the Communists Castro shows how potential benefits for the war effort were thwarted by politicization rivalries and the biases of US intelligence officials Mission to Mao is a fresh look at US intelligence in WW II China and takes readers beyond the history of China Hands versus American anticommunists introducing more nuance

Mission to Yen-an Carolle J. Carter,2021-05-11 A deep dive into the Dixie Mission Aficionados of American political and diplomatic history may be pleasantly surprised at the riches in this book American Historical Review Conventional wisdom informs us that only Nixon could go to China In fact in 1944 nearly thirty years before his historic trip the American military established the first liaison and intelligence gathering mission with the Chinese Communists in Yen-an Commonly referred to as the Dixie Mission the detached military unit sent to Yen-an was responsible for transmitting weather information assisting the Communists in their rescue of downed American flyers and laying the groundwork for an eventual rapprochement between the Communists and Nationalists the two sides struggling in the ongoing Chinese Civil War Following extensive use of archival sources and numerous interviews with the men who traveled and served in Yen-an Carolle Carter argues that while Dixie fulfilled its assignment the members steered the mission in different directions from its original albeit loosely described intent As the months and years passed the Dixie Mission increasingly emphasized intelligence gathering over evaluating their Communist hosts contribution to the war effort against Japan Some American politicians in the 1950s portrayed the participants in the Dixie Mission as too sympathetic to the Chinese Communists But during the 1970s many looked back at these individuals as wise but ignored oracles who could have prevented the loss of China Carter strips away these simplistic portrayals to reveal a diverse and dedicated collection of soldiers diplomats and technicians who had ongoing contact with the Chinese Communists longer than any other group during World War II but who were destined to be a largely unused resource during the Cold War
