The Other Hollywood Legs McNeil, Jennifer Osborne, Peter Pavia, 2005-02-15 As seen in Vanity Fair A rollicking funny raunchy and moving oral history of the adult film industry from Deep Throat through today As a recent New York Times Magazine cover story pointed out to average Americans the adult film industry is a 10 billion per year business It has infiltrated the American mainstream with its stars showing up as mainstream TV hosts making guest appearances in Hollywood feature films and gracing the CD covers and arms of rock stars and Hollywood actors alike But what most people don't know is how the porn industry got started with a 22 000 Mafia investment in a film called Deep Throat or how it mushroomed over the next quarter century despite efforts by politicians the FBI and others to bring it down *The Other Hollywood* tells that story through hundreds of interviews by the people who lived through it In the riveting oral history format that made his first book *Please Kill Me* one of the most memorable accounts of 1970s underground culture Legs McNeil now pulls back the grimy satin sheets on one of the most astounding success stories in the history of American business Careening back and forth between two groups the actresses directors and others who made the films and the shady underworld figures who financed them *The Other Hollywood* offers scores of never before told stories all in the voices of those who lived them Witty always compelling and ultimately moving *The Other Hollywood* is a Hollywood Babylon for today

The Other Hollywood Legs McNeil, Jennifer Osborne, Peter Pavia, 2009-06-02 A raucous and revealing oral history of the birth of the adult film industry *The Other Hollywood* peels back the candy coating to let the true story be told by the stars movie makers and other industry players who lived it And what a story it is Through hundreds of original interviews contemporary newspaper accounts police reports court testimony and more Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion dollar industry from its makeshift mob connected origins to the Internet age Along the way we encounter porn stars such as Linda Lovelace John Holmes Traci Lords and Savannah along with countless mainstream stars politicians FBI agents and more Epic hilarious and moving *The Other Hollywood* contributes to the porn industry the one thing missing in all previous accounts a vivid tragicomic irresistible humanity **Sex, Society, and the Making of**
