John Bunyan

Other Side Of The Hill:

The Other Side of the Hill Don Nixon, PhD, 2012 When tourists visit Canada's Parliament Hill they see the beautiful Parliament Buildings and the Mounted Police in their world famous uniforms and if they want they can tune in their televisions and watch the politicians arguing on Question Period This is one side of the Hill but there is another side a side filled with behind the scenes stories If you are interested in learning about the terrible discomfort our hard working politicians had to endure in the hot smelly Centre Block during the Victorian era then this book is definitely for you Learn about the fire of 1916 and that it probably was not an accident Find out the surprising way workers used to make the copper roofs go green and why Queen Victoria's magnificent lion might be a tad lacking With this book written with flair and humor Don Nixon takes you on a behind the scenes journey that not only has its pitfalls and pratfalls it holds the determined spirit of a young nation up for all to see and admire Lucifer, 1891 **Munsey's Magazine**, 1917 Kept--the Other Side of

Voice John Stands In Timber, Margot Liberty, 2013-10-08 Rarely does a primary source become available that provides new and significant information about the history and culture of a famous American Indian tribe With A Cheyenne Voice readers now have access to a vast ethnographic and historical trove about the Cheyenne people much of it previously unavailable A Cheyenne Voice contains the complete transcribed interviews conducted by anthropologist Margot Liberty with Northern Cheyenne elder John Stands In Timber 1882 1967 Recorded by Liberty in 1956 1959 when she was a schoolteacher on the Northern Cheyenne Indian Reservation in southeastern Montana the interviews were the basis of the well known 1967 book

Cheyenne Memories While that volume is a noteworthy edited version of the interviews this volume presents them word for word in their entirety for the first time Along with memorable candid photographs it also features a unique set of maps depicting movements by soldiers and warriors at the Battle of the Little Bighorn Drawn by Stands In Timber himself they are reproduced here in full color The diverse topics that Stands In Timber addresses range from traditional stories to historical events including the battles of Sand Creek Rosebud and Wounded Knee Replete with absorbing and sometimes even humorous details about Cheyenne tradition warfare ceremony interpersonal relations and everyday life the interviews enliven and enrich our understanding of the Cheyenne people and their distinct history Can't Leave You Alone 3 Brittany R.
